2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children.
- **Age Recommendation:** Recommended for ages 6 years and up. Adult supervision is advised for younger builders.
- **Material Safety:** The blocks are made from Acrylonitrile Butadiene Styrene (ABS) plastic. Do not ingest.
- **Handling:** Handle blocks with care to avoid damage or loss.

3. PACKAGE CONTENTS

Verify that all components are present before starting assembly. Your LOZ 1053 kit should include:

- Approximately 2111 Mini Building Blocks (various shapes and colors)
- Detailed Instruction Manual (this document refers to the included physical manual for step-by-step

assembly)

If any parts are missing or damaged, please refer to the 'Warranty and Support' section for assistance.

4. SETUP AND ASSEMBLY

The LOZ 1053 set is designed for modular assembly, allowing you to build the structure layer by layer. Follow the step-by-step instructions provided in the dedicated assembly manual included in your package.

4.1 General Assembly Steps:

1. **Unpack Components:** Carefully open all block bags and organize them by color or type as suggested in the assembly manual.
2. **Follow Instructions:** Refer to the included pictorial instruction manual for precise, step-by-step guidance. Each step illustrates which blocks to use and where to place them.
3. **Modular Construction:** The building is constructed in distinct modular sections (base, middle floors, roof). Assemble each module separately before combining them.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.

Image 4.1: Illustration of the modular construction, showing the building separating into three main sections for easier

assembly.

4.2 Detailed Features:

The set includes various intricate details that enhance the Hong Kong street view theme. Pay attention to these details during assembly to ensure correct placement.

Image 4.2: Close-up views highlighting architectural elements such as lanterns, windows, and the detailed street vendor cart.

5. OPERATING (DISPLAY AND INTERACTION)

Once assembled, the LOZ 1053 Pharmacy Building is intended for display and light interaction. It serves as a decorative piece for home or office environments.

- **Display:** Place the completed model on a stable, flat surface away from direct sunlight, excessive heat, or moisture.
- **Interaction:** While durable, avoid rough handling or dropping the model to prevent blocks from detaching. The modular design allows for careful separation of sections for closer inspection or rearrangement.

6. MAINTENANCE

Proper care will help preserve the appearance and integrity of your LOZ building set.

- **Cleaning:** To remove dust, use a soft, dry brush or a can of compressed air. For more stubborn dirt, gently wipe with a slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all blocks in sealed containers or bags to prevent loss and protect them from dust and damage. Store in a cool, dry place.

7. TROUBLESHOOTING

This section addresses common issues you might encounter during or after assembly.

- **Missing Pieces:** If you discover missing pieces, carefully re-check all packaging and block bags. If still missing, refer to the 'Warranty and Support' section to contact the manufacturer for assistance.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented. Apply firm, even pressure. If a block does not fit, verify it is the correct piece according to the instruction manual.
- **Model Instability:** If the assembled model feels unstable, review the assembly steps for the affected section. Ensure all blocks are fully connected and seated properly.

8. SPECIFICATIONS

Feature	Detail
Model Number	1053
Number of Pieces	2111
Material Type	Acrylonitrile Butadiene Styrene (ABS)
Product Dimensions (L x W x H)	18 x 17.5 x 23 cm (7.09 x 6.89 x 9.06 inches)
