LOZ Mini Blocks Japanese Street View Modular Buildings Instruction Manual

Model: LOZ-1218-1219-1231-1232

INTRODUCTION

Thank you for purchasing the LOZ Mini Blocks Four In One Japanese Street View Modular Buildings set. This creative DIY mini bricks set allows you to construct a vibrant Japanese street scene featuring four distinct modular buildings: a Takoyaki Shop, a Shaved Ice Shop, an Aquatic Shop, and an Izakaya. With 2969 pieces, this set offers an immersive and rewarding building experience for enthusiasts aged 6 and up.

IMPORTANT SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

Please retain this packaging as it contains important information. Ensure all small parts are kept out of reach of young children to prevent accidental ingestion.

WHAT'S IN THE BOX

Your LOZ Mini Blocks set includes the following components:

- All necessary building blocks (approximately 2969 pieces) to construct the four modular buildings.
- Instruction Manual (this document).
- Individual component bags, typically organized by building or step.

SETUP AND ASSEMBLY

Follow these steps to assemble your LOZ Mini Blocks Japanese Street View set. It is recommended to build each modular building individually before combining them.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. It is helpful to organize pieces by color or type, or by the numbered bags if provided.
2. **Assemble Takoyaki Shop (Model No. 1218):** Refer to the specific instructions for Model No. 1218. This building features a distinctive octopus design on top.

OPERATING INSTRUCTIONS

This LOZ Mini Blocks set is a static display model designed for creative assembly and exhibition. There are no operational components requiring power or complex interaction beyond the initial building process.

- **Display:** Once assembled, place your Japanese Street View model on a stable, flat surface for display.
- **Arrangement:** The modular design allows for flexible arrangement of the four buildings to suit your display preferences.
- **Interaction:** While primarily a display piece, gentle interaction is possible for rearranging modules or admiring details. Avoid forceful handling to prevent disassembly.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your LOZ Mini Blocks set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft-bristled brush. For more stubborn dirt, a slightly damp cloth

can be used, but avoid excessive moisture.

- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Small parts should be stored carefully.
- **Environment:** Keep the model away from direct sunlight, extreme temperatures, and high humidity, which can cause discoloration or material degradation over time.
- **Handling:** Handle the assembled model gently to avoid accidental detachment of pieces.

TROUBLESHOOTING

Here are solutions to common issues you might encounter during assembly or display:

Problem	Solution
Missing pieces.	Double-check all packaging and sorting areas. Due to the small size of some parts, they can be easily overlooked. If still missing, contact LOZ customer support (refer to Warranty and Support section).
Pieces do not fit together.	Ensure you are using the correct pieces as indicated in the instructions. Apply firm, even pressure. If a piece is warped, contact customer support.
Assembled section is unstable.	Review the previous steps to ensure all connections are secure and all pieces are correctly oriented. Sometimes a single misaligned piece can affect stability.
Difficulty understanding instructions.	Take a break and re-examine the diagrams carefully. Building block instructions are primarily visual. Look for online community forums or videos for visual guidance if available.

SPECIFICATIONS

Feature	Detail
Product Name	LOZ Mini Blocks Four In One Japanese Street View Modular Buildings Blocks
Model Number	LOZ-1218-1219-1231-1232
