MAINTENANCE

Proper care will help maintain the appearance and extend the lifespan of your Vicco Kron Desk.

- **Cleaning:** Wipe the desk surfaces with a dry cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed immediately by a dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the melamine resin coating.
- **Check Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the surface.
