LEGO 41697 Friends Turtle Protection Vehicle Instruction Manual

INTRODUCTION

The LEGO Friends Turtle Protection Vehicle (41697) set allows children aged 6 and up to engage in animal rescue adventures. This set provides an opportunity for young builders to assist Emma in saving baby turtles from a crab. The set includes LEGO bricks that assemble into an all-terrain vehicle with a detachable trailer, designed for caring for the rescued animals. Additionally, a surfboard is included to inspire imaginative play scenarios where characters help LEGO turtles. This compact all-terrain vehicle toy is suitable for travel, fitting easily into a bag for on-the-go fun. It introduces children to the Heartlake City universe, encouraging them to explore their interests alongside their friends. Animal enthusiasts will appreciate this LEGO Friends beach toy, which features 3 marine animal figures and serves as an ideal gift for children who enjoy animal care. The set contains 90 pieces.

SETUP AND ASSEMBLY

Follow the included instructions to assemble your LEGO Friends Turtle Protection Vehicle. The set is designed for straightforward construction, allowing children to quickly build the vehicle and beach scene.

- Begin by sorting the LEGO bricks by color and size to facilitate the building process.
- Assemble the all-terrain vehicle (ATV) first, ensuring all wheels and structural components are securely connected.
- Construct the detachable trailer and attach it to the ATV.
- Build the beach environment, including the sand base, water elements, and palm tree.
- Place the mini-dolls (Emma and Layla) and the marine animal figures (turtles, crab) in their designated positions or as desired for play.

OPERATING INSTRUCTIONS

The LEGO Friends Turtle Protection Vehicle set offers various play scenarios focused on animal rescue and care:

- **Turtle Rescue Missions:** Use the all-terrain vehicle and its trailer to transport the mini-dolls and rescued turtles. The trailer is designed to hold the animal figures securely.
- **Beach Patrol:** Have the mini-dolls patrol the beach area for animals in need. The set includes a surfboard for dynamic rescue actions, allowing characters to 'surf' to the aid of turtles.
- **Animal Care:** Utilize the included accessories, such as the baby bottle and syringe, to simulate caring for the baby turtles once they are brought to safety.
- **Imaginative Play:** Combine this set with other LEGO Friends sets to expand the Heartlake City universe and create larger, more complex rescue stories.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the LEGO bricks and figures with a damp cloth. For more thorough cleaning, use mild soap and water, then rinse thoroughly and air dry. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of the plastic elements.
- **Handling:** Handle the bricks and figures with care to prevent damage. Avoid excessive force when assembling or disassembling components.

TROUBLESHOOTING

If you encounter any issues with your LEGO Friends Turtle Protection Vehicle set, consider the following:

- **Missing or Defective Pieces:** If any pieces are missing or appear defective upon opening the set, please refer to

the Warranty & Support section for information on how to obtain replacements.

- **Assembly Difficulties:** Double-check the instruction manual steps carefully. Ensure that the correct pieces are being used for each step. Sometimes, a small piece may be overlooked or incorrectly placed.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. LEGO bricks are designed to fit snugly.
