Armocity ZGDR47PK

Armocity Gaming Computer Desk ZGDR47PK User Manual

Model: ZGDR47PK (47-inch Carbon Fiber Pink)

1. INTRODUCTION

Thank you for choosing the Armocity Gaming Computer Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new desk. Please read this manual thoroughly before assembly and retain it for future reference.

2. SAFETY INFORMATION

WARNING: This desk is designed to hold up to 20 pounds. Do not exceed this weight limit. Always assemble the desk according to the instructions provided to ensure stability. The LED lights should be handled with care to avoid injury.

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep small parts away from children.
- Regularly check all connections for tightness.

3. PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- Desk tabletop (Carbon Fiber Pink)
- Hutch shelf
- Pegboard
- Monitor stand
- Reversible side storage shelves
- Z-shaped leg frames
- Power outlet strip with USB ports
- LED light strip
- Headphone hanger
- Assembly hardware (screws, bolts, Allen wrench)
- Instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly is straightforward. All parts and hardware are labeled. Follow the detailed diagrams in the included paper manual for precise steps. Below is a general overview:

1. **Prepare the Area:** Clear a spacious area and lay out all components on a soft surface to prevent damage.
2. **Assemble the Base:** Attach the Z-shaped leg frames to the main desk tabletop using the provided hardware. Ensure all connections are secure but do not fully tighten until all major components are in place.
3. **Install Side Storage:** Decide whether to install the reversible side storage shelves on the left or right side of the desk. Attach them to the leg frame as per the instructions.
4. **Attach Hutch and Pegboard:** Secure the hutch shelf and pegboard to the desk frame. The pegboard provides additional organization options.
5. **Place Monitor Stand:** Position the monitor stand on the desk surface. It is designed to be movable for optimal placement.
6. **Install Power Outlets and LED Lights:** Secure the power outlet strip to its designated location on the desk. Attach the LED light strip to the underside of the hutch or pegboard as desired. Connect the power cord.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.
8. **Attach Headphone Hanger:** Mount the headphone hanger to either side of the desk.

5. PRODUCT FEATURES AND OPERATION

5.1. Integrated Power Outlets and USB Ports

The desk features a built-in power strip with 3 AC outlets and 2 USB ports (5V/2.4A) for convenient charging of your devices. The power cord is 6.5 feet long.

Reversible Storage Shelves Design

5.2. LED Lights

Enhance your gaming atmosphere with the integrated RGB LED lights. These lights offer static and 20 dynamic modes. Control them via the included remote or a dedicated app (if applicable, refer to the LED light manual for app details).

Image 5.2.1: LED light features and control options.

5.3. Hutch and Pegboard

The elevated hutch provides additional display and storage space for monitors, speakers, or decorative items. The DIY pegboard, equipped with 4 S-hooks, offers versatile organization for accessories like headphones, cables, or small tools.

5.6. Ergonomic Monitor Stand

The raised monitor stand is designed to elevate your screen to an ergonomic viewing height, helping to reduce neck strain and free up valuable desk space underneath.

6. MAINTENANCE

To maintain the appearance and longevity of your Armocity Gaming Desk, follow these simple guidelines:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the carbon fiber finish.

- **Dusting:** Regularly dust all surfaces, including the hutch and pegboard, to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the surface.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **LED Lights:** Handle the LED light strip gently. If cleaning is needed, use a dry, soft cloth.

7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:** Ensure all screws and bolts are securely tightened. Check that the desk is on a level surface. Adjust any leveling feet if present.
- **LED Lights Not Working:**
 - a. Check if the power cord for the LED strip is properly plugged into the power outlet.
 - b. Verify that the power outlet itself is functional.
 - c. Ensure the remote control has working batteries and is pointed directly at the LED receiver.
 - d. If using an app, ensure Bluetooth is enabled and the app is correctly paired with the lights.
- **Power Outlets/USB Ports Not Functioning:**
 - a. Check if the desk's main power cord is securely plugged into a wall outlet.
 - b. Test the wall outlet with another device to confirm it has power.
 - c. Ensure devices are properly plugged into the desk's outlets/USB ports.

If problems persist, please contact customer support.
