Product Overview Video

Video: A brief overview demonstrating the key features and design of the Inateck 17-20L Expandable Carry-on Travel Laptop Backpack.

KEY FEATURES

1. Carry-On Luggage Size & Airline Compatibility

The backpack is designed to meet the carry-on requirements of numerous low-cost and budget airlines. Its dimensions are:

- **Unexpanded:** 40 x 25 x 17 cm (15.75 x 9.84 x 6.69 inches)
- **Expanded:** 40 x 25 x 20 cm (15.75 x 9.84 x 7.87 inches)

Always verify specific size restrictions with your airline before traveling.

Standard Carry-on Size

For most low-cost airlines

20x25x40cm (7.9x9.8x15.7in) 

Image: The Inateck backpack shown fitting comfortably under an airplane seat, demonstrating its compliance with carry-on size limits.

2. Expandable Capacity (17L to 20L)

The main compartment features a 180° opening, allowing for easy packing and expansion from 17 liters to 20 liters. This expansion capability provides additional space, comparable to a 20-inch suitcase, for organizing your belongings efficiently.

3. Multiple-Compartment Storage

The backpack is equipped with various pockets and compartments for optimal organization:

- **Side Bottle Pocket:** Conveniently holds water bottles or umbrellas.

- **Two Front Zipper Pockets:** For quick access to smaller items.
- **Main Compartment:** Features additional zipper pockets for internal organization.
- **Laptop Compartment:** Padded and compatible with up to 14-inch laptops.
- **Anti-theft Zipper Pocket:** Located on the back panel for secure storage of valuables.
- **Card Pocket:** Easily accessible for cards.
- **Sunglass Hanging Strap:** On the right shoulder strap for easy access to eyewear.

Multi-pocket Storage

Hidden Back Pocket

4. Versatile Carrying Options

This backpack offers three ways to carry, adapting to your travel needs:

- **Backpack:** Using the premium, adjustable shoulder straps.
- **Hand Luggage:** With sturdy side handles for horizontal or vertical carrying.
- **Trolley Strap:** A strap on the back allows you to secure the backpack over the handles of a rolling suitcase for effortless transport.

Multiple Carrying Ways for Travel

5. Comfortable and Durable Design

Constructed from splash-resistant and wear-resistant polyester fabric, the backpack is built for durability. Comfort features include:

- **Air Mesh Back Panel:** Ensures breathability and comfort during extended wear.
- **Adjustable Chest Straps:** Helps distribute weight, relieve shoulder pressure, and increase stability.

Comfortable Suspension

Less burden

SETUP AND USAGE

Expanding/Compressing Capacity

1. To expand the backpack from 17L to 20L, locate the zipper running along the perimeter of the main compartment.
2. Unzip this perimeter zipper to increase the depth of the main compartment.
3. To compress, zip the perimeter zipper back up.

Adjusting Shoulder and Chest Straps

1. Place the backpack on your shoulders.
2. Adjust the length of the main shoulder straps using the buckles at the bottom to achieve a comfortable fit.
3. Fasten the chest strap across your chest and adjust its length and vertical position for added stability and weight distribution.

Using the Trolley Strap

1. Locate the horizontal strap on the back panel of the backpack.
2. Slide the backpack's trolley strap over the extended handle of your rolling suitcase.
3. Ensure the backpack is securely seated on the suitcase handle before moving.

OPERATING COMPARTMENTS

Main Compartment

- The main compartment opens 180 degrees for suitcase-style packing.
- Utilize internal zipper pockets for smaller items or to separate contents.

Laptop Compartment

- Access the dedicated padded compartment from the back of the backpack.
- Insert laptops up to 14 inches.
- Ensure the laptop is fully seated and secured.

Anti-theft Pocket

- The anti-theft pocket is located on the back panel, resting against your back when worn.
- Use this for passports, wallets, or other valuable items requiring extra security.

Side Bottle Pocket

- The elasticated side pocket is suitable for water bottles, travel mugs, or compact umbrellas.

Product Dimensions (Expanded)	40 x 25 x 20 cm (15.75 x 9.84 x 7.87 inches)
Item Weight	1.68 pounds (0.76 kg)
Capacity Total	17-20 Liters
Material	Polyester Fabric (Splash-resistant, Wear-resistant)
Laptop Compatibility	Up to 14-inch laptops

MAINTENANCE

To ensure the longevity and appearance of your Inateck backpack, follow these maintenance guidelines:

- Cleaning:** For minor spills or dirt, wipe the surface with a damp cloth and mild soap. Do not machine wash or tumble dry.
- Drying:** Air dry the backpack completely before storing to prevent mildew.
- Storage:** Store in a cool, dry place away from direct sunlight when not in use.
- Water Resistance:** While the fabric is splash-resistant, it is not fully waterproof. Avoid prolonged exposure to heavy rain or submerging the backpack in water.

TROUBLESHOOTING

Backpack does not fit airline carry-on sizer:

- Ensure the backpack is in its unexpanded (17L) state by zipping up the expansion zipper.
- Avoid overpacking, which can distort the bag's shape and exceed dimensions.
- Always check the specific carry-on dimensions of your airline, as they can vary.

Zippers are stiff or stuck:

- Apply a small amount of zipper lubricant (e.g., wax, silicone spray) to the zipper teeth.
- Gently work the zipper back and forth to distribute the lubricant.
- Avoid forcing the zipper, which can cause damage.

WARRANTY AND SUPPORT

For warranty information, product support, or any inquiries regarding your Inateck backpack, please refer to the official Inateck website or contact their customer service directly. Keep your purchase receipt for warranty claims.
