- **Multi-functional Design:** Features a top storage shelf, a 2-tier coat rack with 9 hanging hooks, and a 4-tier shoe storage rack with 8 additional small hooks.
- **Enhanced Storage:** Provides convenient hanging space for clothes, bags, scarves, and a dedicated area for shoes. The top panel shelf is suitable for decorative items.
- **Sturdy Construction:** Built with 1.5mm sandblasted square pipes and 1.5mm MDF boards, featuring a full-metal frame with a sandblasted finish for durability and stability.
- **Space-saving:** Ideal for small spaces such as foyers, porches, entrances, and corners, suitable for homes, dormitories, offices, and apartments.
- **Adjustable Feet:** The height of the shoe rack bottom is adjustable for added stability and floor protection.

Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep the product dry.
- For external use only.
- Wipe with a dry cloth for cleaning.
- Do not sit on the shoe rack due to weight limitations.
- Ensure all screws and connections are securely tightened during assembly and periodically check for tightness during use.
- Distribute weight evenly across shelves and hooks to maintain stability.

Setup and Assembly

Assembly of the HOMEFORT Coat Rack with Shoe Storage is designed to be straightforward. All necessary components and screws are included. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the instruction manual are present.
2. **Assemble Base Frame:** Begin by connecting the metal frame pieces for the base and shoe rack sections according to the provided diagrams. Secure with the appropriate screws.
3. **Install Shoe Rack Shelves:** Slide the wire shelves into the designated slots on the base frame. Ensure they are seated correctly and are stable.
4. **Attach Upper Frame:** Connect the vertical metal supports to the assembled base. These will form the structure for the coat rack and top shelf.
5. **Mount Coat Rack Boards:** Secure the MDF boards for the coat rack section to the vertical supports.
6. **Install Hooks:** Attach the 9 main clothes hooks to the coat rack boards. The 8 additional small S-hooks can be placed on the side rails of the shoe rack as desired.
7. **Place Top Shelf:** Position the top MDF shelf onto the uppermost part of the frame, securing it if necessary.
8. **Adjust Feet:** Adjust the height of the adjustable feet at the bottom of the unit to ensure stability on uneven floors and to protect your flooring.
9. **Final Check:** Double-check all screws and connections to ensure they are tight and secure before placing any items on the rack.

Operating and Usage

The HOMEFORT Coat Rack with Shoe Storage is designed for efficient organization of various items in your home. Utilize its multiple sections to keep your space tidy and accessible.

- **Coat Rack Hooks:** Use the 9 main hooks for hanging coats, jackets, hats, scarves, and bags. Distribute items evenly to prevent tipping.
- **Shoe Storage Shelves:** The 4-tier shoe rack provides ample space for sneakers, heels, boots, and other footwear. Organize shoes by type or frequency of use.
- **Top Shelf:** The top panel shelf is suitable for displaying small decorative items, potted plants, photo frames, or for temporary storage of keys and wallets upon entry.
- **Additional S-Hooks:** The 8 small S-hooks can be used for hanging umbrellas, keychains, small bags, or other accessories on the side of the shoe rack.

Maintenance

Proper maintenance will ensure the longevity and appearance of your HOMEFORT Coat Rack with Shoe Storage.

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and dirt. Avoid using abrasive cleaners or harsh chemicals that may damage the finish.
- **Moisture:** Keep the unit dry. Avoid prolonged exposure to moisture, which can damage the MDF boards and metal frame.
- **Tighten Fasteners:** Periodically check all screws and connections and tighten them as needed to maintain stability and prevent wobbling.
- **Weight Distribution:** Always distribute weight evenly across the hooks and shelves to prevent strain on the structure.

Troubleshooting

If you encounter any issues with your HOMEFORT Coat Rack, refer to the following common solutions:

- **Unit Wobbles:**
 - Ensure all screws are securely tightened.
 - Adjust the leveling feet at the bottom of the unit to compensate for uneven flooring.
 - Verify that the weight on the unit is evenly distributed.
- **Hooks Not Holding:**
 - Check that the hooks are correctly seated on the boards.
 - Ensure the weight on each hook does not exceed its individual capacity.
- **Difficulty Assembling:**
 - Re-read the assembly instructions carefully, paying close attention to diagrams.
 - Ensure you are using the correct screws for each part.
 - If parts do not fit, double-check their orientation.
