- **SL Flex Rail Shiatsu Massage:** Features an extended SL Flex Rail that allows for a near-flat recline (initial angle of 19°) and extends massage coverage from neck to thigh, increasing the massage area by over 50%. Intelligent shoulder position detection ensures a precise and body-conforming massage.
- **Full Body Massage Capabilities:** Equipped with massage rollers that closely mimic human touch, offering 11 modes, 6 techniques, and 32 airbag points for comprehensive compression massage on shoulders, arms, waist, and feet.
- **Zero Gravity Recline:** Offers 3 levels of zero-gravity inclination, positioning the body in a floating state to reduce spinal compression, alleviate heart pressure, and improve blood circulation.
- **Foot Rollers and Yoga Stretching:** Incorporates a three-zone linkage foot roller system to stimulate acupoints and leg airbags for pressure massage. The chair also supports yoga-style stretching by inclining the backrest to relax full-body muscles.
- **Smart Control and Entertainment:** Features AI Voice control for hands-free operation, a Bluetooth speaker for music enjoyment during massage, and a user-friendly TFT remote for easy mode switching.

## 2. SAFETY INFORMATION

---

Please read all safety warnings and instructions carefully before operating the massage chair. Failure to follow these guidelines may result in injury or damage to the product.

- Ensure the chair is placed on a stable, level surface.
- Keep children and pets away from the chair during operation.
- Do not use the chair if you have any medical conditions that may be aggravated by massage, or if you are pregnant. Consult a physician if unsure.
- Avoid placing hands or foreign objects into the moving parts of the chair.
- Unplug the chair from the power outlet when not in use or before cleaning.
- Do not attempt to disassemble or repair the chair yourself. Contact customer support for assistance.

**Safety warnings may include instructions for safe assembly, proper use of adjustable features, and potential hazards. Please refer to the product manual for detailed safety information.**

## 5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your massage chair.

- **Cleaning:** Wipe the chair's surface with a soft, damp cloth. Do not use abrasive cleaners or solvents. For leather or synthetic leather, use a specialized cleaner if necessary.
- **Storage:** When not in use for extended periods, store the chair in a cool, dry place away from direct sunlight and extreme temperatures.
- **Regular Inspection:** Periodically check for any loose connections, frayed cords, or unusual noises during operation.

## 6. TROUBLESHOOTING

If you encounter issues with your massage chair, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair does not power on.	Power cord not securely plugged in; power outlet issue.	Ensure power cord is fully inserted. Test the outlet with another device.
Remote control unresponsive.	Batteries low or incorrectly inserted; remote out of range.	Replace batteries. Ensure remote is pointed towards the chair's receiver.
Massage feels too strong/weak.	Intensity settings not adjusted.	Adjust massage intensity using the remote control.
Unusual noise during operation.	Loose component; internal mechanism issue.	Turn off and unplug the chair. Check for any visible loose parts. If noise persists, contact customer support.

If the problem persists after attempting these solutions, please contact COMFIER customer support.
