SETUP GUIDE

1. Charging the Keyboard

Before first use, fully charge the keyboard. Connect the provided Micro USB charging cable to the keyboard's charging port and a USB power source (e.g., computer USB port, USB wall adapter). The charging indicator light will illuminate during charging and turn off when fully charged.

- Charging Time: Approximately 2-3 hours
- Usable Time: Up to 100 hours of continuous use

3. Bluetooth Pairing

1. Slide the power switch on the keyboard to the "ON" position.
2. Press the "Pair" key (often indicated by a Bluetooth symbol) for 3 seconds. The Bluetooth indicator light will flash blue, indicating it's in pairing mode.
3. On your iPad, go to **Settings** > **Bluetooth** and enable Bluetooth.
4. Your iPad will automatically search for nearby devices. Select "Bluetooth Keyboard" (or similar name) from the list to connect.
5. Once connected, the Bluetooth indicator light on the keyboard will turn off.

MAINTENANCE

To ensure the longevity and optimal performance of your FUWANG Touchpad Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water to clean the exterior of the case and keyboard. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use for extended periods, store the case in a cool, dry place. Ensure the keyboard is turned off to conserve battery.
- **Protection:** While the case offers robust protection, avoid dropping it or exposing it to extreme temperatures or direct sunlight.
