

Pujadas PU-P22833

Pujadas PU-P22833 Melamine Plate 28 cm User Manual

Instructions for Use and Care

1. PRODUCT OVERVIEW

The Pujadas PU-P22833 is a 28 cm melamine plate designed for serving food. It features a durable, scratch-resistant, and stain-resistant surface, making it suitable for everyday use. The plate is also eco-friendly, made from natural materials, and designed for long-lasting performance.

Figure 1: Front view of the Pujadas PU-P22833 28 cm yellow melamine plate. The plate has a slightly textured, rustic-looking rim and a smooth, vibrant yellow center.

2. SETUP AND FIRST USE

Before using your new Pujadas melamine plate for the first time, it is recommended to wash it thoroughly.

1. **Unpack:** Carefully remove the plate from its packaging.
2. **Wash:** Wash the plate with warm, soapy water using a soft sponge or cloth. Rinse thoroughly with clean water.
3. **Dry:** Dry the plate completely with a clean towel or allow it to air dry.

Your plate is now ready for use.

3. OPERATING INSTRUCTIONS

The Pujadas melamine plate is designed for serving food. It is suitable for both indoor and outdoor dining due to its durable and lightweight nature.

- **Serving:** Place food directly onto the plate. The non-porous surface helps prevent staining.
- **Temperature:** Melamine is generally safe for serving warm or cold food. However, avoid placing extremely hot items directly from an oven or stovetop onto the plate, as excessive heat can damage the material over time.
- **Microwave Use:** *Do not use this melamine plate in a microwave oven.* Melamine is not microwave-safe and can be damaged by microwave radiation, potentially leaching chemicals into food.

Figure 2: Angled view of the Pujadas PU-P22833 28 cm yellow melamine plate, highlighting its slightly raised rim and overall form.

4. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Pujadas melamine plate.

- **Cleaning:** The plate is dishwasher safe. For best results and to preserve the finish, place it on the top

rack of the dishwasher. Alternatively, hand wash with warm, soapy water and a soft sponge.

- **Abrasives:** Avoid using abrasive cleaners, scouring pads, or steel wool, as these can scratch the surface of the melamine.
- **Stains:** While resistant to stains, some highly pigmented foods may leave temporary marks. These can usually be removed with a mild bleach solution or a baking soda paste, followed by thorough rinsing.
- **Storage:** Store plates in a manner that prevents scratching, such as stacking them carefully or using plate dividers.

5. TROUBLESHOOTING

Melamine plates are highly durable, but occasional issues may arise.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Scratches on surface	Use of abrasive cleaning tools; improper storage; contact with sharp utensils.	Use soft sponges for cleaning. Store with dividers. Avoid sharp objects. Minor scratches are cosmetic and do not affect functionality.
Stains from food	Exposure to highly pigmented foods (e.g., tomato sauce, turmeric).	Clean promptly after use. For stubborn stains, try a mild bleach solution or baking soda paste, then rinse thoroughly.
Plate appears dull or faded	Prolonged exposure to harsh detergents or very high dishwasher temperatures.	Use milder detergents. Ensure dishwasher is not set to excessively high temperatures. Hand washing can help preserve shine.
Cracks or chips	Impact from dropping or hitting hard surfaces.	Melamine is durable but not unbreakable. Handle with care. If chipped or cracked, it is recommended to discontinue use to avoid potential sharp edges or further damage.

6. SPECIFICATIONS

Brand: Pujadas

Model Number: PU-P22833

Material: Melamine

Color: Yellow

Size: 28 cm (Diameter)

Item Shape: Round

Item Weight: Approximately 800 grams

Special Features: Durable, Eco-friendly, Scratch Resistant, Stain Resistant, Dishwasher Safe

Product Care Instructions: Dishwasher Safe (Top Rack Recommended)
