## Atomi Smart AT1561

# Atomi Bluetooth Shower Speaker Instruction Manual

Model: AT1561

## Product Overview

The Atomi Bluetooth Shower Speaker is designed to enhance your shower experience by providing wireless audio streaming and hands-free call answering. This compact and portable speaker utilizes Bluetooth technology to connect with your devices, offering a wireless range of up to 33 feet (10 meters). Its water-resistant design (IPX4 rated) makes it suitable for use in humid environments like showers, though it is not submersible. Equipped with a 5W speaker, it delivers clear audio, and its rechargeable 500mAh lithium battery provides over 6 hours of music playback on a single charge. The speaker features intuitive on-product controls and a double-locking suction cup for secure mounting.

Image: The Atomi Bluetooth Shower Speaker, a round navy blue device, is shown amidst dynamic water splashes, highlighting its water-resistant nature. The speaker features clearly labeled control buttons for power, play/pause, call answering, track navigation, and volume adjustment.

## What's in the Box

- Atomi Bluetooth Shower Speaker
- User Manual

## Setup

### 1. Charging the Speaker

Before first use, fully charge the speaker. Connect the speaker to a USB power source using a compatible charging cable (not included). The charge indicator light will illuminate during charging and turn off when fully charged.

### 2. Mounting the Speaker

The speaker comes with a double-locking suction cup for secure attachment to smooth, non-porous surfaces like shower tiles or glass. Ensure the surface is clean and dry before attaching.

1. Clean the desired mounting surface thoroughly.
2. Press the suction cup firmly against the surface.
3. Push the lever on the suction cup down to lock it in place, creating a strong seal.

Image: The Atomi Bluetooth Shower Speaker is shown securely attached to a tiled shower wall using its double-locking suction cup. A woman in a towel stands nearby, demonstrating the speaker's convenient placement for shower use.

### 3. Powering On/Off

Press and hold the **Power** button (marked with a circle and vertical line) located at the top of the speaker to turn it on or off. A blue LED indicator light will illuminate when the speaker is on.

### 4. Bluetooth Pairing

When powered on for the first time or if not connected, the speaker will automatically enter Bluetooth pairing mode,

indicated by a blinking blue LED light.

1. Ensure the speaker is powered on and in pairing mode.
2. On your smartphone, tablet, or laptop, enable Bluetooth and search for available devices.
3. Select "Atomi Shower Speaker" from the list of devices.
4. Once successfully paired, the blue LED light will stop blinking and remain solid.

The speaker will automatically reconnect to the last paired device when powered on, if the device is within range and Bluetooth is enabled.

## Operating Instructions

The Atomi Bluetooth Shower Speaker features intuitive button controls for easy operation.

Image: A detailed diagram illustrating the control buttons on the Atomi Bluetooth Shower Speaker. Labels point to the Power On/Off, Play/Pause/Stop, Charge Indicator, Answer/Hang up Call, Previous Song, Next Song, Volume Down, Volume Up, and Microphone.

**Power On/Off:** Press and hold the **Power** button.

**Play/Pause:** Press the **Play/Pause** button (triangle/two vertical lines icon).

**Volume Up:** Press the **VOL+** button.

**Volume Down:** Press the **VOL-** button.

**Next Song:** Press the **Next Song** button (double arrow pointing right).

**Previous Song:** Press the **Previous Song** button (double arrow pointing left).

**Answer/End Call:** Press the **Phone** button (phone icon) to answer an incoming call or end an active call.

**Reject Call:** Press and hold the **Phone** button to reject an incoming call.

## Features

- **5W Bluetooth Speaker:** Delivers clear, distortion-free audio for an enjoyable listening experience.
- **Long Battery Life:** The rechargeable 500mAh lithium battery provides over 6 hours of continuous music playback on a single charge.
- **Built-in Microphone:** Allows for hands-free call answering directly from the shower, ensuring you don't miss important calls.
- **Double-Locking Suction Cup:** Provides a secure and reliable mounting solution on smooth shower surfaces, preventing accidental falls.
- **Wide Compatibility:** Works seamlessly with all Bluetooth-enabled devices, including smartphones, tablets, and laptops.
- **Extended Wireless Range:** Enjoy your music from up to 33 feet (10 meters) away from your paired device.
- **IPX4 Water Resistance:** Rated for splash resistance, making it ideal for indoor use in humid environments like bathrooms. *Note: Not designed for submersion in water.*

Image: The Atomi Bluetooth Shower Speaker is depicted with water droplets on its surface, emphasizing its IPX4 splash-resistant rating. The text "IPX4 Splash resistant (not submergible)" clarifies its water protection level.

Image: The Atomi Bluetooth Shower Speaker is placed near a bathtub where a person is relaxing. Icons highlight its built-in microphone for hands-free calls and its ability to stream music wirelessly.

| Item Weight | 7.8 ounces |
| Mounting Type | Wall Mount (Suction Cup) |
| Compatible Devices | Smartphone, Tablet, Laptop |
| UPC | 841856115858 |

## Maintenance

- **Cleaning:** To clean the speaker, wipe it gently with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure the charging port cover is securely closed before cleaning or exposing to water.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge the speaker regularly, even if not in use for extended periods. Store in a cool, dry place.
- **Suction Cup:** Periodically clean the suction cup and the mounting surface to ensure optimal adhesion. If the suction cup loses its grip, clean it with warm, soapy water and let it air dry.

## Troubleshooting

| Problem | Solution |
|---|---|
| Speaker does not turn on. | Ensure the battery is charged. Connect the speaker to a power source and try again. |
| Cannot pair with Bluetooth device. | ◦ Ensure the speaker is in pairing mode (blinking blue LED).<br>◦ Make sure Bluetooth is enabled on your device.<br>◦ Move the speaker closer to your device (within 33 feet/10 meters).<br>◦ Forget "Atomi Shower Speaker" from your device's Bluetooth settings and try pairing again.<br>◦ Restart both the speaker and your device. |
| No sound or low volume. | ◦ Increase the volume on both the speaker and your connected device.<br>◦ Ensure the speaker is properly paired and connected.<br>◦ Check if the audio source on your device is playing. |

| | |
|---|---|
| Audio stutters or disconnects. | ◦ Move the speaker closer to your device to reduce interference.<br>◦ Ensure there are no obstacles between the speaker and your device.<br>◦ Check for other active Bluetooth devices nearby that might cause interference.<br>◦ Ensure the speaker is fully charged. |
| Suction cup does not stick. | ◦ Clean the mounting surface and the suction cup thoroughly.<br>◦ Ensure the surface is smooth, non-porous, and dry.<br>◦ Press firmly and engage the locking lever. |
