

## Konami Metal Gear Solid Master Collection Vol. 1 - Switch

# Konami Metal Gear Solid Master Collection Vol. 1 for Nintendo Switch Instruction Manual

Model: Metal Gear Solid Master Collection Vol. 1 - Switch

## 1. INTRODUCTION AND OVERVIEW

The Metal Gear Solid: Master Collection Vol. 1 unifies the initial titles of the Metal Gear series into a single package for the Nintendo Switch. This collection allows players to experience the stealth action and cinematic narrative that defines the Metal Gear series.

This volume includes classic versions of the games, with minimal edits to copyrighted content. Regional versions are available as additional downloads. The collection also features extensive bonus content, including digital graphic novels, screenplay books, master books, and a digital soundtrack.

## 2. SETUP AND INSTALLATION

To fully enjoy all content within the Metal Gear Solid Master Collection Vol. 1, game data downloads are required. An active internet connection is necessary for these downloads.

### 2.1 Storage Requirements

- **Total Game Data:** Approximately 29.5 GB.
- **Bonus Videos:** An additional 30 GB for bonus video content (Metal Gear Solid: Digital Graphic Novel and Metal Gear Solid 2: Digital Graphic Novel).
- **MicroSD Card:** A microSD card (sold separately) with sufficient free storage space is required to accommodate these downloads. The physical game cartridge contains approximately 2.4 GB, with the majority of content requiring digital download.

## 2.2 Installation Steps

1. Insert the Metal Gear Solid Master Collection Vol. 1 game cartridge into your Nintendo Switch console.
2. Ensure your Nintendo Switch is connected to the internet.
3. Follow the on-screen prompts to initiate the necessary game data downloads. This process will download the main game titles and bonus content.
4. Allow sufficient time for all downloads to complete. Download times will vary based on internet speed.

## 3. OPERATING THE GAME

The Metal Gear Solid Master Collection Vol. 1 utilizes standard Nintendo Switch controls. Specific control schemes for each game are detailed within their respective in-game manuals or tutorial sections. Players are encouraged to consult these resources for optimal gameplay.

### 3.1 General Gameplay

- **Stealth Mechanics:** Emphasizes avoiding detection, using cover, and silent takedowns.
- **Exploration:** Navigate various environments, often with multiple paths and hidden areas.
- **Story Progression:** Advance through cinematic cutscenes and dialogue.

# 7. TROUBLESHOOTING

## 7.1 Download Issues

- **Internet Connection:** Ensure your Nintendo Switch has a stable and active internet connection.
- **Storage Space:** Verify that your console's internal storage or inserted microSD card has sufficient free space (refer to Section 2.1). Delete unnecessary data if required.
- **Restart Console:** Try restarting your Nintendo Switch console and your internet router.

## 7.2 Game Performance

- **System Updates:** Ensure your Nintendo Switch system software is up to date.
- **Game Updates:** Check for any available game updates for the collection.

### 7.3 General Issues

For any issues not covered here, please refer to the official Konami support channels or the Nintendo Switch support website.

## 8. SUPPORT AND WARRANTY

For technical assistance, game-specific inquiries, or warranty information, please contact Konami Digital Entertainment, the manufacturer of this product.

- **Manufacturer:** Konami
- **Official Website:** For the most current support information, FAQs, and contact details, please visit the official Konami website.
- **Nintendo Support:** For issues related to your Nintendo Switch console or eShop, please visit the official Nintendo support website.

Warranty terms and conditions are typically provided with the product packaging or available on the manufacturer's official website.
