To ensure safe use and prevent injury or damage, please observe the following safety precautions:

- **Read All Instructions:** Familiarize yourself with all assembly and safety instructions before use.
- **Two-Person Assembly:** Assembly of this furniture set is recommended for two adults to ensure safety and ease.
- **Check All Fasteners:** Ensure all bolts, screws, and connectors are securely tightened before and periodically during use. Do not overtighten.

- **Level Surface:** Always place the furniture set on a firm, level surface to prevent tipping.
- **Weight Limits:** Do not exceed the recommended weight limits for each seating component. Distribute weight evenly.
- **Weather Protection:** While weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, strong sun) can affect the lifespan of the furniture. Consider using a protective cover or storing cushions indoors during harsh weather.
- **Keep Away from Heat:** Do not place the furniture near open flames or extreme heat sources.
- **Children and Pets:** Supervise children and pets around the furniture to prevent accidents.
- **Disposal:** Dispose of packaging materials responsibly.

- **Location:** Choose a flat, stable outdoor area such as a patio, balcony, or garden. Avoid uneven ground.
- **Clearance:** Ensure adequate space around the furniture for comfortable movement and to prevent obstruction of pathways.
- **Sun Exposure:** While the acacia wood is weather-resistant, prolonged direct sunlight can cause fading or drying. Consider

placing the set in a shaded area or using a patio umbrella.

- **Wind Protection:** In windy conditions, ensure the furniture is not in a position where it could be easily overturned.

6. Operating Instructions

The GOLINPEILO Patio Lounge Set is designed for comfortable outdoor seating and relaxation. Use the coffee tables for placing drinks, snacks, or decorative items.

- **Seating:** The sofa set provides seating for up to 7 individuals. Ensure weight is distributed evenly.
- **Coffee Tables:** The two coffee tables are suitable for light items. Avoid placing excessively heavy objects on them. The small wooden parts integrated into the sofa design can also serve as convenient surfaces for small items.
- **Cushions:** The thickly padded cushions and pillows enhance comfort. They can be rearranged to suit individual preferences.

7. Maintenance

Regular maintenance will help prolong the life and appearance of your patio lounge set.

7.1 Acacia Wood Care

- **Cleaning:** Wipe the acacia wood surfaces with a damp cloth and mild soap solution. Rinse thoroughly with clean water and dry immediately with a soft cloth.
- **Oiling:** To maintain the wood's rich color and protect it from drying out, it is recommended to apply a suitable wood oil (e.g., teak oil or acacia wood oil) periodically, especially if the furniture is exposed to direct sunlight. Follow the oil manufacturer's instructions.
- **Protection:** During prolonged periods of non-use or harsh weather, cover the furniture with a waterproof cover or store it indoors.

7.2 Steel Frame Care

- **Cleaning:** Clean the powder-coated steel frame with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Rust Prevention:** Inspect the frame periodically for any signs of rust. Touch up any scratches or chips in the powder coating to prevent rust formation.

7.3 Cushion Care

- **Cleaning:** The low-maintenance polyester cushion covers are removable and washable. Follow the care instructions on the label, typically machine wash cold on a gentle cycle and air dry.
- **Storage:** Store cushions indoors during rain or when not in use for extended periods to prevent mildew and fading.
