2. SAFETY INFORMATION

- **Allergy Warning:** This product contains wheat, soy, egg, and milk. Manufactured in a facility that also processes peanut, tree nuts, crustacean shellfish, and fish products.
- **Hot Water Hazard:** Exercise extreme caution when handling boiling water to prevent burns.
- **Microwave Use:** Do not cook in microwave without water. Use a microwave-safe bowl.
- **Storage:** Store in a cool, dry place away from direct sunlight.
- **Expiration Date:** Always check the "Best By" date on the packaging before consumption.

3. PACKAGE CONTENTS

Each individual package of Nissin Geki Fiery Hot Chicken Flavor Asian Noodles contains the following components:

- Dried Noodles
- Flavoring Packet (Soup Base)
- Flakes Packet (containing dried vegetables like mushrooms and green onion)

- Spice Powder Packet (for adjustable heat level)

4. SETUP

Before you begin cooking, ensure you have the following items ready:

- One package of Nissin Geki Fiery Hot Chicken Flavor Small Asian Noodles.
- Measuring cup for water.
- A pot (for stove-top method) or a microwave-safe bowl (for microwave method).
- Chopsticks or a fork for stirring and serving.

5. OPERATING (COOKING INSTRUCTIONS)

5.1 Stove-Top Preparation

1. Boil 500 ml (about 2 cups) of water in a pot.
2. Once the water is boiling, add the noodles, soup base, and flakes from their respective packets.

3. Add the desired amount of spice powder from the red packet. Adjust according to your preference for heat.
4. Cook for 4.5 minutes, stirring occasionally.
5. Remove from heat and serve immediately.

5.2 Microwave Preparation

1. Put soup base and flakes into a microwave-safe bowl. Then add noodles on top.
2. Pour 450 ml (about 1 3/4 cups) of room temperature water.
3. Cook for 4 minutes (1000W).
4. Add the desired amount of spice powder from the red packet. Stir well.
5. Serve immediately.

Caution: Product is very hot during and after cooking. Handle with care to avoid spilling or burning yourself. Never microwave without water.

6. SERVING SUGGESTIONS

Enhance your noodle experience with these optional additions:

- **Protein:** Add cooked egg (scrambled, boiled, or fried), sliced beef, chicken, or tofu.
- **Vegetables:** Incorporate fresh green onions, bok choy, spinach, or other leafy greens.
- **Flavor Boost:** A dash of sesame oil, a sprinkle of sesame seeds, or a side of kimchi can elevate the taste.

7. MAINTENANCE

Proper storage ensures the quality and longevity of your noodles:

- Keep unopened packages in a cool, dry place, away from direct sunlight and strong odors.
- Once prepared, consume noodles immediately for best taste and texture. Do not store cooked noodles for extended periods.

8. TROUBLESHOOTING

Issue	Possible Cause	Solution
Noodles are too spicy.	Too much spice powder was added.	Reduce the amount of spice powder in future preparations. You can also add a dollop of sour cream or a slice of cheese to temper the heat.
Noodles are not spicy enough.	Insufficient spice powder was added.	Increase the amount of spice powder in future preparations. You can also add fresh chili peppers or chili oil.
Noodles are too soft/mushy.	Overcooked or too much water.	Reduce cooking time or use slightly less water in future preparations.
Noodles are too firm/undercooked.	Undercooked or not enough water.	Increase cooking time or use slightly more water in future preparations.
