## 2. IMPORTANT SAFETY INSTRUCTIONS

---

**WARNING: Failure to follow these instructions may result in injury or product damage.**

- Always follow the assembly instructions carefully to ensure safe use of the chair.
- Do not exceed the maximum weight recommendation of **300 pounds (136 kg)**.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Keep children away from the chair during assembly. Small parts may pose a choking hazard.
- Use the chair only on a level surface.
- Avoid exposing the chair to direct sunlight or extreme temperatures for prolonged periods.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Backrest Assembly
- Seat Cushion Assembly
- Armrests (2)
- Chair Base
- Casters (5)
- Gas Lift Cylinder
- Mechanism Plate
- Hardware Pack (screws, washers, Allen wrench)

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically takes approximately 35 minutes. Detailed step-by-step instructions with diagrams are included in the product packaging. The following is a general overview:

1. **Attach Casters to Base:** Insert the five casters into the holes on the chair base until they click securely into place.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the chair base.
3. **Attach Mechanism Plate:** Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. **Attach Armrests:** Fasten the armrests to the seat cushion using the designated screws.
5. **Attach Backrest:** Connect the backrest to the seat assembly and secure it with screws.
6. **Connect Seat to Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder.

## 5. OPERATING INSTRUCTIONS

---

Your Mimoglad OC-5188 chair features several adjustable components to customize your seating experience:

- **Height Adjustment:** Locate the lever under the right side of the seat. To raise the seat, lift the lever while taking your weight off the chair. To lower the seat, lift the lever while seated. The chair offers approximately 4 inches of height adjustment.
- **Lumbar Support Adjustment:** The lumbar support can be adjusted vertically by approximately 2 inches to provide optimal support for your lower back. Gently push or pull the lumbar support pad up or down to your preferred position.

Image 5.1: Adjustable lumbar support mechanism.

- **Tilt/Rocking Function:** The chair features a rocking function that allows the backrest to recline from 90 to 135 degrees. Use the tension knob located under the seat to adjust the resistance of the rocking motion. Pull the lever out to enable rocking, and push it in to lock the chair in an upright position.

Image 5.2: Visual representation of the chair's rocking function.

- **Flip-Up Armrests:** The armrests can be flipped up 90 degrees, allowing the chair to be pushed closer to

a desk or for easier entry and exit.

Image 5.3: The chair's 90-degree flip-up armrests.

- **360-Degree Swivel:** The chair is designed with a 360-degree swivel function for easy movement and access within your workspace.

## 6. MAINTENANCE

---

Proper care and maintenance will extend the life of your Mimoglad office chair:

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the mesh fabric and other materials.
- **Mesh Care:** For the breathable mesh backrest, use a soft brush or vacuum cleaner with a brush attachment to remove dust and debris.
- **Fabric Seat Care:** For the fabric seat cushion, spot clean with a mild fabric cleaner if necessary. Test on an inconspicuous area first.
- **Hardware Check:** Periodically check all bolts and screws to ensure they are tight. Re-tighten as needed to maintain stability and safety.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth rolling.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair wobbles or feels unstable	Loose screws or bolts	Check and tighten all assembly screws and bolts.
Gas lift not adjusting height	Lever not fully engaged; gas lift malfunction	Ensure the height adjustment lever is fully pulled or pushed. If the issue persists, contact customer support.
Casters not rolling smoothly	Debris caught in casters	Remove any hair, dust, or debris from the caster wheels.
Backrest does not tilt or lock	Tilt mechanism locked; tension too tight	Pull the tilt lever out to enable rocking. Adjust the tilt tension knob to loosen or tighten the rocking resistance.

If these solutions do not resolve the issue, please contact Mimoglad customer support for further assistance.
