Veeconn YP-007P 4-in-1 Cordless Pet Grooming Kit Instruction Manual

INTRODUCTION

Thank you for choosing the Veeconn YP-007P 4-in-1 Cordless Pet Grooming Kit. This versatile tool is designed to provide a safe, efficient, and stress-free grooming experience for your beloved pets, including dogs, cats, and other furry animals. Featuring a superior motor and whisper-quiet technology, it helps keep pets calm during grooming sessions. The kit includes multiple interchangeable heads for comprehensive grooming, from full-body clipping to precise trimming of delicate areas like paws, face, ears, and nails.

PRODUCT FEATURES

- **4-in-1 Multifunctional Design:** Includes a standard cutter head for body hair, a narrow cutter head for delicate areas, a small cutter head for claws/hips/canthus, and a nail grinder head.

- **Ultra-Quiet Operation:** Equipped with a superior motor and whisper-quiet technology, operating at approximately 50 dB to minimize pet stress and anxiety during grooming.
- **Cordless & Rechargeable:** Built-in battery allows for cordless operation, offering exceptional flexibility. A 4-hour charge provides approximately 90 minutes of continuous use. Can also be used while charging.
- **IPX7 Waterproof Design:** The entire unit is washable, allowing for direct cleaning under running water. Detachable heads simplify cleaning and maintenance.
- **Safe & Effective Blades:** Features ceramic blades combined with stainless steel for safe, snag-free trimming, preventing skin irritation.
- **Adjustable Grooming Lengths:** Comes with 4 guided combs (1.5mm, 2.0mm, 3-6mm, 9-12mm) to achieve desired hair lengths.

SETUP

1. **Charge the Device:** Before first use, fully charge the trimmer using the provided USB charging cable. Connect the cable to the trimmer and a compatible USB power source (e.g., wall adapter, laptop, power bank). The indicator light will show charging status.
2. **Attach/Detach Cutter Heads:** To attach a cutter head, align the pins on the trimmer body with the slots on the desired head and push firmly until it clicks into place. To detach, gently pull the head away from the body.
3. **Attach Guide Combs:** For trimming hair to a specific length, slide the appropriate guide comb onto the cutter head until it securely snaps into position.

OPERATING INSTRUCTIONS

For best results and your pet's comfort, follow these steps:

1. **Prepare Your Pet:** Bathe and thoroughly dry your pet's fur. Brush their coat to remove any tangles or mats before trimming.
2. **Select the Right Head:**
 - **Standard Cutter Head:** Ideal for general body grooming and larger areas. Attach a guide comb for desired length.
 - **Narrow/Small Cutter Heads:** Use for precise trimming around sensitive areas such as the face, ears, paws, and sanitary areas.
 - **Nail Grinder Head:** For smoothing and shortening nails.
3. **Begin Trimming:** Turn on the trimmer. Start slowly, allowing your pet to get accustomed to the low noise and

vibration. Always trim in the direction of hair growth.

4. **Nail Grinding:** Gently hold your pet's paw and carefully introduce the nail to the grinder. Grind a small amount at a time, checking frequently to avoid grinding too deep into the quick.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your grooming kit:

1. **Cleaning:** Always unplug the trimmer before cleaning. Detach the cutter head and use the provided cleaning brush to remove any trapped hair. The IPX7 waterproof design allows you to rinse the detachable heads directly under running water. Ensure all parts are dry before reassembling.
2. **Lubrication:** After cleaning and drying, apply a few drops of the provided lubricating oil to the blades to maintain sharpness and smooth operation.
3. **Storage:** Store the trimmer and all accessories in a clean, dry place, away from direct sunlight and extreme

temperatures.

TROUBLESHOOTING

- **Trimmer not turning on:** Ensure the device is fully charged. If using while charging, check the USB connection.
- **Poor cutting performance:** Clean the blades thoroughly to remove any hair buildup. Apply lubricating oil. Ensure the correct cutter head and guide comb are properly attached.
- **Excessive noise/vibration:** Clean and oil the blades. Ensure the cutter head is securely attached. If the issue persists, contact customer support.
- **Nail grinder not effective:** Ensure the nail grinder head is clean and free of debris. Apply gentle pressure and grind in short intervals.

SPECIFICATIONS

Feature	Detail
Model Number	YP-007P
Product Dimensions	2.05 x 7.83 x 5.59 inches
Weight	10.86 ounces (310g)
Power Source	Battery Powered (Rechargeable)
Battery Type	1 12V battery required (built-in)
Charging Time	Approx. 4 hours
