

Moby-System LUNA

Moby-System LUNA 3-in-1 Co-Sleeper Bassinet Instruction Manual

Model: LUNA (LOZ LUNA)

Brand: Moby-System

1. INTRODUCTION

The Moby-System LUNA 3-in-1 Co-Sleeper Bassinet is a versatile and functional baby bed designed for newborns up to 9 kg. It can be used as a standalone crib, a co-sleeper bassinet, or a travel cot. The LUNA provides a comfortable and secure sleeping environment for your baby, promoting closeness and safety.

This manual provides essential information for the safe assembly, operation, and maintenance of your Moby-System LUNA bassinet. Please read all instructions carefully before use and retain this manual for future reference.

2. SAFETY WARNINGS

WARNING: Always ensure the wheels are locked when the bassinet is stationary to prevent tipping. This product is intended for children up to 9 kg. Follow all assembly and usage instructions carefully to prevent damage or injury.

- Never leave your child unattended in the bassinet.
- Do not use the bassinet if any parts are broken, torn, or missing.
- Ensure the bassinet is placed on a firm, horizontal surface.
- Keep the bassinet away from open flames, heaters, and other sources of strong heat.
- Only use the mattress provided by the manufacturer. Do not add a second mattress, as this can cause suffocation.
- When used as a co-sleeper, ensure the bassinet is securely attached to the adult bed using the provided straps and that there is no gap between the bassinet and the adult mattress.
- Regularly check all fasteners and connections to ensure they are secure.

3. PRODUCT FEATURES

- **3-in-1 Functionality:** Can be used as a standalone crib, co-sleeper bassinet, or travel cot.
- **Adjustable Height:** 7-level height adjustment to fit various adult bed heights.
- **Breathable Materials:** Made from high-quality, breathable linen fabric and mesh walls for optimal air circulation.
- **Removable Side Wall:** Allows for easy conversion to a co-sleeper bassinet.
- **Secure Attachment:** Includes special adjustable fastening straps to connect the bassinet to the parent's bed.
- **Comfortable Mattress:** Thick and comfortable mattress designed for baby's spinal health.
- **Mobility:** Equipped with 4 transport wheels with a locking system. Wheels can be removed for stationary use.
- **Sturdy Construction:** Solid and stable base.
- **Tool-Free Assembly:** Designed for quick and easy assembly without tools.

4. SETUP INSTRUCTIONS

The Moby-System LUNA bassinet is designed for tool-free assembly. Follow these steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present according to the packing list (not provided in input, so general statement).
2. **Assemble the Frame:** Connect the frame components as indicated in the included assembly instructions. Ensure all locking mechanisms click into place securely.

Image 4.1: Overview of Moby-System LUNA bassinet components, including the main frame, mattress, and attachment straps.

3. **Attach Wheels (Optional):** If using the bassinet with wheels, attach the 4 transport wheels to the base of the frame. Ensure the locking system on each wheel is engaged when the bassinet is stationary. The wheels can be removed if you prefer a fixed base.
4. **Install Fabric and Mesh:** Securely attach the fabric and mesh components to the frame. Ensure the mesh walls are taut and properly aligned.

Image 4.2: The Moby-System LUNA bassinet fully assembled and positioned next to an adult bed, demonstrating its co-sleeper functionality.

- 5. Insert Mattress:** Place the provided mattress firmly into the bassinet. Do not use any other mattress or add additional padding.

Image 4.3: A view of the bassinet's interior, highlighting the mattress dimensions of 81 cm by 48 cm.

- Adjust Height:** Adjust the bassinet to the desired height using the 7-level adjustment mechanism. Ensure both sides are adjusted to the same level for stability.

5. OPERATING INSTRUCTIONS

5.1. Using as a Standalone Crib

When using the LUNA as a standalone crib, ensure the side wall is in the upright and locked position. Lock all wheels if they are attached. Place the crib on a flat, stable surface, away from any hazards.

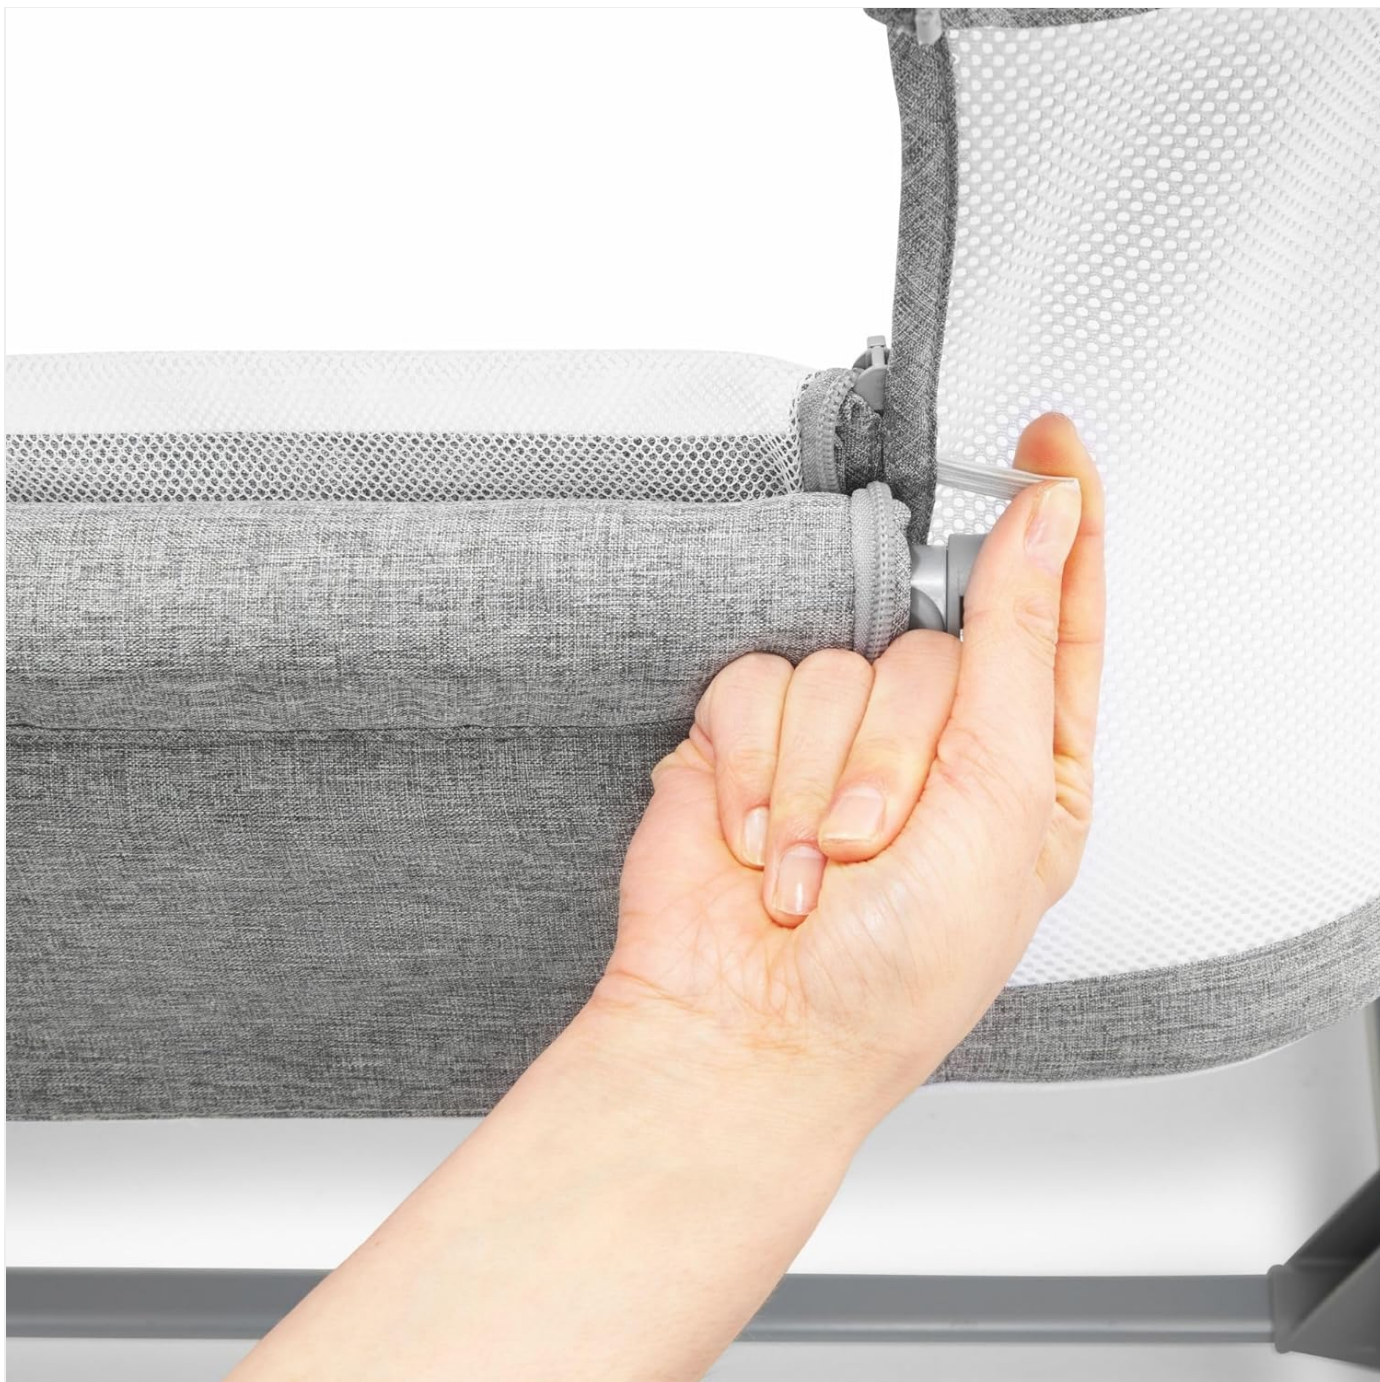

Image 5.1: The Moby-System LUNA bassinet configured as a standalone crib in a child's room.

5.2. Using as a Co-Sleeper Bassinet

To use the LUNA as a co-sleeper, lower the side wall.

1. **Lowering the Side Wall:** Unzip or unlatch the side wall mechanism. Gently lower the side wall.

Image 5.2: A hand demonstrating the mechanism for lowering the side wall of the bassinet.

2. **Positioning:** Place the bassinet next to your adult bed. Adjust the bassinet height so that the top of the lowered side wall is level with or slightly below your mattress.
3. **Securing to Adult Bed:** Use the provided adjustable fastening straps to securely attach the bassinet frame to your adult bed frame. Ensure there is no gap between the bassinet mattress and your adult mattress.

5.3. Using as a Travel Cot

The LUNA bassinet can be quickly folded for transport. Follow the reverse of the assembly instructions to disassemble and fold the bassinet. Ensure all components are packed securely for travel.

6. MAINTENANCE

- **Cleaning Fabric:** The fabric components should be hand washed only. Do not machine wash, bleach, tumble dry, or iron.
- **Cleaning Frame:** Wipe the frame and plastic parts with a damp cloth and mild soap. Dry thoroughly.
- **Mattress Care:** The mattress cover can be removed and hand washed. Ensure the mattress is completely dry before reinserting into the bassinet.

- **Regular Inspection:** Periodically check all parts for wear, damage, or loose fasteners. Replace any damaged parts immediately.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your Moby-System LUNA bassinet.

- **Bassinet feels unstable:** Ensure all frame connections are securely locked and that the bassinet is placed on a flat, level surface. If wheels are attached, ensure their locking mechanisms are engaged.
- **Side wall not lowering/raising smoothly:** Check for any obstructions in the mechanism. Ensure zippers or latches are fully disengaged before attempting to adjust. Do not force the mechanism.
- **Difficulty attaching to adult bed:** Verify that the bassinet height is correctly adjusted to your adult mattress. Ensure the fastening straps are routed correctly and pulled taut to eliminate any gaps.

8. SPECIFICATIONS
