4. MAINTENANCE AND CARE

- **Cleaning:** Wipe the car gently with a soft, damp cloth to remove dust and dirt. Avoid harsh chemicals or abrasive materials, which can damage the paint finish.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation. Keeping it in its original packaging or a display case can help preserve its condition.
- **Handling:** Handle the car with care to avoid bending axles, scratching paint, or breaking small parts.
