## Reemix BH3305T1

# Reemix Electric Citrus Juicer BH3305T1 User Manual

Model: BH3305T1

## 1. INTRODUCTION

---

Thank you for purchasing the Reemix Electric Citrus Juicer. This manual provides essential information for the safe and efficient operation, maintenance, and care of your new appliance. Please read these instructions thoroughly before first use and retain them for future reference.

The Reemix Electric Citrus Juicer is designed for extracting juice from various citrus fruits, including oranges, lemons, limes, and grapefruits. Its robust zinc alloy construction ensures durability and a sleek appearance suitable for any kitchen.

## **2. IMPORTANT SAFETY INSTRUCTIONS**

---

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and/or injury to persons, including the following:

- Read all instructions.
- To protect against risk of electrical shock, do not immerse the motor base in water or other liquid.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Avoid contact with moving parts.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been dropped or damaged in any manner. Contact customer service for examination, repair, or electrical or mechanical adjustment.
- The use of attachments not recommended or sold by the manufacturer may cause fire, electric shock, or injury.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter or touch hot surfaces.

- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Always ensure the appliance is properly assembled before operation.
- Do not use appliance for other than intended use.

### 3. PRODUCT COMPONENTS

---

Familiarize yourself with the parts of your Reemix Electric Citrus Juicer:

*Image 2: Exploded view of the juicer components.*

1. **Press Arm:** Used to apply pressure to the fruit for juicing.
2. **Large Juicing Cone:** For larger citrus fruits like oranges and grapefruits.
3. **Small Juicing Cone:** For smaller citrus fruits like lemons and limes.
4. **Stainless Steel Filter:** Separates pulp and seeds from the juice.
5. **Juice Collector:** Gathers the extracted juice.
6. **Anti-Drip Spout:** Controls the flow of juice and prevents drips.
7. **Motor Base:** Houses the motor and provides stability.

### 4. SETUP AND ASSEMBLY

---

Before first use, wash all detachable parts (juicing cones, filter, juice collector) in warm, soapy water, then rinse and dry thoroughly. Wipe the motor base with a damp cloth.

#### **Assembly Steps:**

1. Place the motor base on a stable, flat surface.
2. Position the juice collector onto the motor base, ensuring it is securely seated.
3. Insert the stainless steel filter into the juice collector.
4. Select the appropriate juicing cone (large for oranges/grapefruits, small for lemons/limes) and place it onto the rotating shaft in the center of the filter.
5. Ensure the anti-drip spout is in the closed position (pushed up) if you wish to collect juice before dispensing.

### 5. OPERATING INSTRUCTIONS

---

Follow these steps for efficient juicing:

1. **Prepare the Fruit:** Cut your citrus fruit in half.
2. **Place the Fruit:** Place one half of the fruit, cut-side down, onto the juicing cone.
3. **Press to Juice:** Lower the press arm and apply gentle, steady pressure. The motor will activate automatically, rotating the cone to extract juice. Continue until all juice is extracted.
4. **Dispense Juice:** Once juicing is complete, push the anti-drip spout down to release the juice into a glass or container.

## 6. MAINTENANCE AND CLEANING

---

Proper cleaning ensures the longevity and hygiene of your juicer.

### Cleaning Steps:

1. **Unplug the Appliance:** Always unplug the juicer from the power outlet before cleaning.
2. **Disassemble:** Remove the press arm, juicing cone, stainless steel filter, and juice collector from the motor base.
3. **Wash Detachable Parts:** Wash all detachable parts (juicing cones, filter, juice collector) in warm, soapy water. These parts are also dishwasher safe for convenience.
4. **Clean Motor Base:** Wipe the motor base with a damp cloth. Do not immerse the motor base in water or any other liquid.
5. **Dry and Reassemble:** Ensure all parts are completely dry before reassembling or storing the juicer.

## 7. TROUBLESHOOTING

---

If you encounter issues with your juicer, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Juicer does not turn on.	Not plugged in; power outage; press arm not fully lowered.	Ensure the juicer is securely plugged into a working outlet. Check circuit breaker. Lower the press arm completely to activate the motor.
Low juice yield.	Insufficient pressure; fruit not ripe; incorrect cone size.	Apply firm, steady pressure on the press arm. Use ripe citrus fruits. Ensure the correct juicing cone is used for the fruit size.
Juice leaks from the spout.	Anti-drip spout open; juice collector not seated correctly.	Ensure the anti-drip spout is pushed up to the closed position. Re-seat the juice collector firmly onto the motor base.
Excessive pulp in juice.	Filter clogged or not properly installed.	Clean the stainless steel filter thoroughly. Ensure the filter is correctly placed in the juice collector.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	Reemix
Model Name	BH3305T1
Material	Zinc Alloy Die Casting
Color	Zine Alloy Die Casting
Product Dimensions	6.3"D x 7.09"W x 13.7"H
Item Weight	5.86 pounds
Maximum Power	100 Watts
Voltage	120 Volts
Special Feature	Overheat Protection, Portable, Powerful Motor
Product Care Instructions	Hand Wash Only (Detachable parts are dishwasher safe)

## 9. WARRANTY AND SUPPORT

---

Reemix is committed to providing high-quality products and customer satisfaction. If you receive a defective item or are not satisfied with your product, please contact Reemix customer service. We will endeavor to assist you and provide the best possible solution.

For support, please refer to the contact information provided with your purchase or visit the official Reemix website.
