## SAFETY INFORMATION

---

- Ensure all parts are securely fastened before each use.
- Do not exceed the maximum weight capacity of 400 pounds.
- Keep hands and fingers clear of moving parts, especially when adjusting the backrest.
- Place the chair on a stable, level surface to prevent tipping.
- Do not allow children to play on or around the chair unsupervised.
- Avoid exposing the chair to extreme weather conditions for prolonged periods to ensure longevity.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. The package should contain:

- Chaise Lounge Frame (Aluminum)
- Textilene Fabric Seat and Backrest
- Wheels (pre-attached or requiring minimal attachment)
- Assembly Hardware (bolts, nuts, washers, tools if included)

## SETUP AND ASSEMBLY

The Ciokea Chaise Lounge Chair is designed for convenient and quick assembly, typically taking around 10 minutes with minimal parts.

## Assembly Steps:

1. **Step 1: Unpack Components** - Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Step 2: Attach Legs/Base** - Secure the main frame components together using the provided hardware. Ensure all bolts are finger-tight before fully tightening.
3. **Step 3: Secure Fabric** - Attach the textilene fabric to the frame according to the instructions. This typically involves sliding it into grooves or securing it with clips/screws.
4. **Step 4: Final Tightening** - Once all parts are in place, fully tighten all bolts with the provided tool. Do not overtighten.

## MAINTENANCE

Proper care will extend the life and appearance of your lounge chair.

- **Cleaning the Fabric:** The textilene fabric is designed for easy maintenance. Simply wipe down with a damp cloth

and mild soap if necessary. Rinse thoroughly with clean water and allow to air dry completely before storage.

- **Cleaning the Frame:** The aluminum frame can be cleaned with a soft cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Seasonal Storage:** During off-seasons or prolonged periods of non-use, it is recommended to store the chair in a dry, covered area to protect it from extreme weather and prolong its lifespan.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Tighten as needed.
