vidaXL Double Sun Lounger Instruction Manual

Model: 364150

1. INTRODUCTION

Thank you for choosing the vidaXL Double Sun Lounger. This manual provides essential information for the safe assembly, operation, and maintenance of your new sun lounger. Please read these instructions carefully before use and retain them for future reference.

This double sun lounger is designed for outdoor relaxation, featuring a durable and lightweight polypropylene construction with a faux wood texture. Its adjustable backrests allow for personalized comfort.

2. SAFETY INFORMATION

WARNING: This product can expose you to chemicals, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov. Always follow assembly and usage instructions for safe operation.

- Ensure all parts are securely fastened before use.
- Do not exceed the maximum weight recommendation of 300 kilograms.
- Keep children and pets away during assembly.
- Place the lounger on a stable, level surface.

3. PACKAGE CONTENTS

The delivery includes the sun lounger components. Cushions are not included with this product.

Please verify that all components are present and undamaged before proceeding with assembly. If any parts are missing or damaged, contact customer support.

4. SETUP AND ASSEMBLY

Assembly of the vidaXL Double Sun Lounger is required. Please follow the detailed assembly instructions provided in the separate assembly guide included with your product. Ensure you have all necessary tools before beginning.

Key dimensions for placement and assembly are provided below:

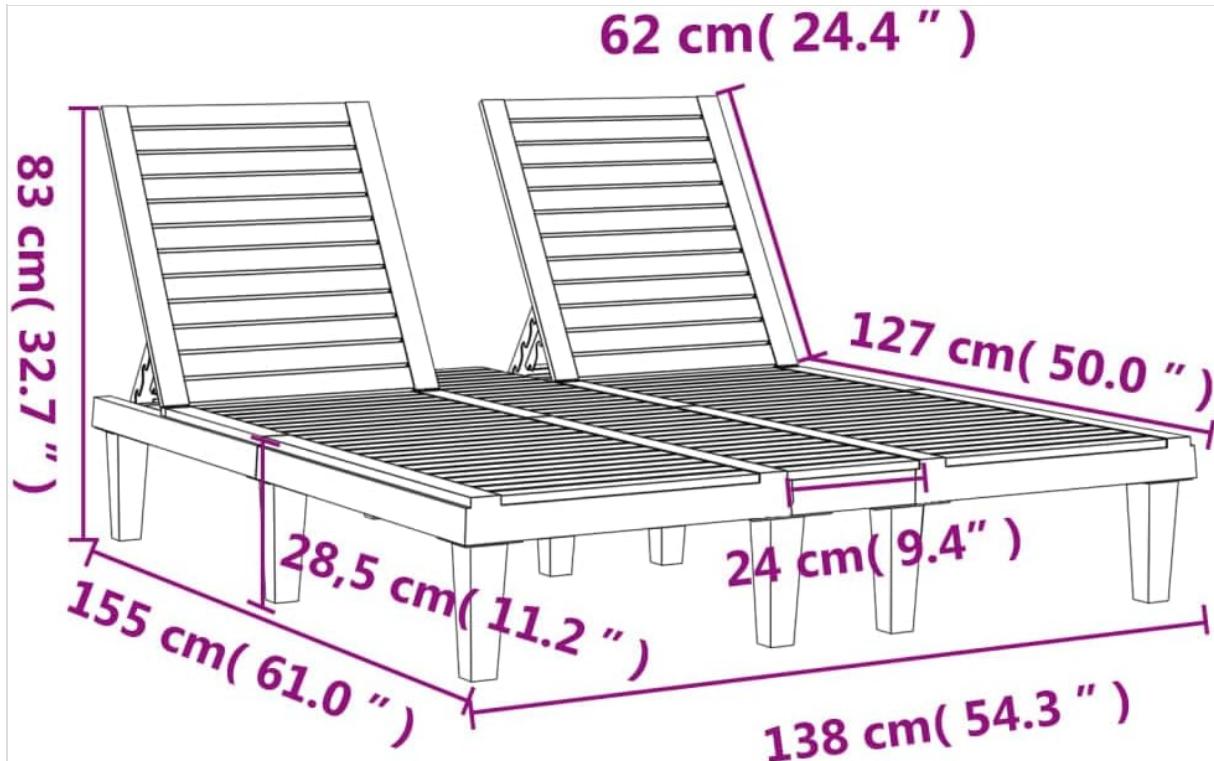

Image 4.1: Dimensional overview of the sun lounger. Overall dimensions are approximately 61.0" (155 cm) W x 54.3" (138 cm) D x 32.7" (83 cm) H.

During assembly, pay attention to the leg and frame connections to ensure stability.

Image 4.2: Detail of the lounger's leg and frame structure, illustrating connection points for assembly.

5. OPERATING INSTRUCTIONS

The vidaXL Double Sun Lounger features 5 adjustable backrest settings for customized comfort. To adjust the backrest:

1. Gently lift the backrest to disengage it from its current position.
2. Move the backrest to the desired angle.
3. Ensure the backrest securely locks into one of the 5 available notches before applying weight.

Image 5.1: Illustration of the backrest adjustment mechanism, showing how to change reclining positions. Each side of the double lounger can be adjusted independently, allowing two users to select their preferred reclining angle.

Image 5.2: Side view of the lounger demonstrating one backrest in a raised position.

6. MAINTENANCE

To ensure the longevity and appearance of your sun lounger, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** While the polypropylene material is weather-resistant, storing the lounger in a sheltered area during extreme weather conditions or off-season can extend its lifespan.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

7. TROUBLESHOOTING

If you encounter any issues with your sun lounger, consider the following common solutions:

- **Instability:** Ensure the lounger is placed on a flat, even surface. Check all assembly connections and tighten any loose bolts.
- **Backrest not adjusting smoothly:** Inspect the adjustment mechanism for any obstructions. Ensure the backrest is fully lifted before attempting to change positions.
- **Discoloration/Fading:** While UV resistant, prolonged exposure to direct sunlight can cause slight fading over time. Consider using a cover when not in use for extended periods.

For issues not resolved by these steps, please contact vidaXL customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	vidaXL
Model Name	Sun Lounger Black Polypropylene Double Multi-Position Backrest vidaXL
Item Model Number	364150
Color	Black
Material	Polypropylene
