SEDETA 2968_1

SEDETA Gaming Desk 70.8" Instruction Manual

Model: 2968_1

1. INTRODUCTION

The SEDETA Gaming Desk 70.8" is designed to provide a comprehensive and ergonomic gaming and working environment. This multifunctional desk features integrated LED lights, power outlets, a monitor stand, and ample storage solutions including three-tier shelves, a cup holder, a headphone hook, and a CPU holder. Its spacious design can accommodate multiple monitors and gaming equipment, making it suitable for various uses from intense gaming sessions to productive work or study. The desk is constructed from P2 grade environmental solid particle wood, offering high resistance to scratches and friction, and is waterproof for easy maintenance.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Assemble the desk on a soft, clean surface to prevent scratches or damage.
- Do not overtighten screws during assembly, as this may damage the material. Tighten all screws securely once assembly is complete.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not exceed the desk's weight limit of 55 pounds on the desktop or shelves to prevent structural damage or injury.
- Ensure power outlets are properly grounded and used according to electrical safety standards. Do not overload the power outlets.
- Keep liquids away from electrical components and power outlets to prevent electric shock.
- Regularly inspect the desk for loose connections or damage. Tighten screws as needed.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are included in your package:

- Desktop Panels (Main, Monitor Stand, Side Shelves)
- Metal Frame Components (Legs, Support Bars, Cross Braces)
- Hardware Pack (Screws, Bolts, Nuts, Allen Key)
- LED Light Strip with Controller
- Power Outlet Unit (2 AC Outlets, 2 USB Ports)
- Cup Holder Insert
- Headphone Hook
- CPU Holder/Stand
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your SEDETA Gaming Desk. It is recommended to have a second person assist with assembly for easier handling of larger components.

1. **Prepare the Workspace:** Clear a spacious area and lay out all components and hardware. Refer to the parts list in Section 3 to identify each piece.
2. **Assemble the Main Frame:** Begin by connecting the main metal frame components using the provided bolts. Ensure all connections are finger-tightened first to allow for adjustments.
3. **Attach Side Shelves:** Secure the three-tier storage shelves to the main frame. These shelves are designed to hold gaming consoles, accessories, and a CPU tower.
4. **Install Desktop Panels:** Carefully place the main desktop panel onto the assembled frame. Then, attach the monitor stand panel and the side desk panel (with cup holder cutout).
5. **Secure Accessories:** Install the headphone hook underneath the desk. Insert the plastic cup holder into its designated cutout.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts using the provided Allen key or an electric drill (use caution to avoid overtightening).
7. **Install Power Outlet:** Securely mount the power outlet unit into the designated slot on the desktop.
8. **Attach LED Lights:** Adhere the LED light strip to the underside of the monitor stand or main desktop, following the adhesive instructions. Connect the LED light controller.

5. SETUP

5.1 LED Lights Setup

The SEDETA Gaming Desk comes with an RGB LED light strip to enhance your gaming atmosphere. The lights can be controlled via a mobile application or a physical key control.

- **Connection:** Ensure the LED light strip is securely attached and connected to its power source and controller.
- **App Control:** Download the designated mobile application (refer to the LED light manual for app name) to access over 60,000 colors and 29 flashing modes. The app also supports music sync function, where the light color changes with the rhythm of sound and music, and a timer function.
- **Key Control:** Use the inline key control to cycle through basic colors and modes if app control is not desired.

Spacious Gaming Area

Figure 4: Illustration of the LED light features, including APP control, built-in mic for music sync, and timing function.

5.2 Power Outlets Setup

The desk includes a built-in charging station with 2 AC outlets and 2 USB ports for convenient power access.

- **Connection:** Plug the desk's power cord (5.3-foot) into a standard wall outlet.
- **Usage:** Use the AC outlets for devices requiring standard power and the USB ports (5V/2A) for charging mobile devices such as cell phones, tablets, or Bluetooth speakers.

Figure 5: Close-up view of the integrated power outlets and USB ports, demonstrating their use for charging devices.

6. OPERATING THE LED LIGHTS

The LED lights offer various modes and customization options to suit your preference.

- **Color Selection:** Use the mobile app to select from over 60,000 colors to match your setup or mood.
- **Flashing Modes:** Choose from 29 different flashing modes for dynamic lighting effects.
- **Music Sync:** Activate the music sync function via the app. The built-in sensitivity adjustable mic will detect sound and music, changing the LED light colors in rhythm.
- **Timer Function:** Set a timer for the LED lights to automatically turn on or off, providing convenience and energy saving.

7. MAINTENANCE

To ensure the longevity and appearance of your SEDETA Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** The desktop is waterproof and scratch-proof. Wipe surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust all surfaces, including shelves and metal frames, to prevent buildup.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.
- **Cable Management:** Keep cables organized and untangled to prevent damage and maintain a tidy workspace.
- **Avoid Excessive Weight:** Do not place excessively heavy items on the desk or shelves beyond the recommended weight limit to prevent warping or damage.

8. TROUBLESHOOTING

This section addresses common issues you might encounter with your gaming desk.

- **Desk Wobbles:**
 - Ensure all assembly bolts are fully tightened.
 - Check if the desk is placed on an even surface. Adjust the foot levelers if necessary.
- **LED Lights Not Working:**
 - Verify that the LED light strip is properly connected to its controller and power source.
 - Check if the power outlet is functioning correctly.
 - Ensure the light strip is not damaged.
- **Power Outlets Not Functioning:**
 - Confirm the desk's main power cord is securely plugged into a live wall outlet.
 - Test the wall outlet with another device to ensure it is working.
 - Avoid overloading the outlets with too many high-power devices.

9. SPECIFICATIONS

Feature	Detail
Brand	SEDETA
Model Number	2968_1
Product Dimensions	21.6"D x 70.8"W x 35.2"H
Color	Black
Base Material	Engineered Wood
Finish Type	Laminated
Special Features	Monitor Stand, Built-In USB Outlet, LED Lights, Storage Shelves, Cup Holder, Headphone Hook, CPU Holder
Item Weight	55 Pounds
Weight Limit	55 pounds

Number of Shelves	3
