Gurexl 9602-27

Gurexl LED Night Stand Model 9602-27 User Manual

Your comprehensive guide to assembly, operation, and maintenance.

1. Introduction

Thank you for choosing the Gurexl LED Night Stand Model 9602-27. This modern bedside table is designed to enhance your bedroom with its versatile features, including a secure storage compartment, integrated charging station, and intelligent LED lighting. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. Safety Information

Important Safety Instructions: Read and follow all instructions carefully.

- **Gun Storage Safety:** The concealed top compartment is designed for secure storage. Always ensure the compartment is locked when not in use, especially in households with children. Keep keys in a secure location away from the nightstand.
- **Electrical Safety:** This nightstand includes an integrated charging station and LED lighting. Ensure all electrical connections are secure and follow local electrical codes. Do not overload the charging ports. Disconnect power before cleaning or maintenance.
- **Assembly Safety:** Assemble the unit on a soft, clean surface to prevent scratches. Keep small parts away from children during assembly.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 15 kilograms (33 lbs) for the tabletop.

3. Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Gurexl LED Night Stand components (panels, drawers, hardware)
- LED light strip and control unit
- Integrated charging station (USB and Type-C ports)
- Lockable compartment mechanism and 2 keys

- Installation Tool (screwdriver)
- Assembly Instructions Manual

4. Assembly Instructions

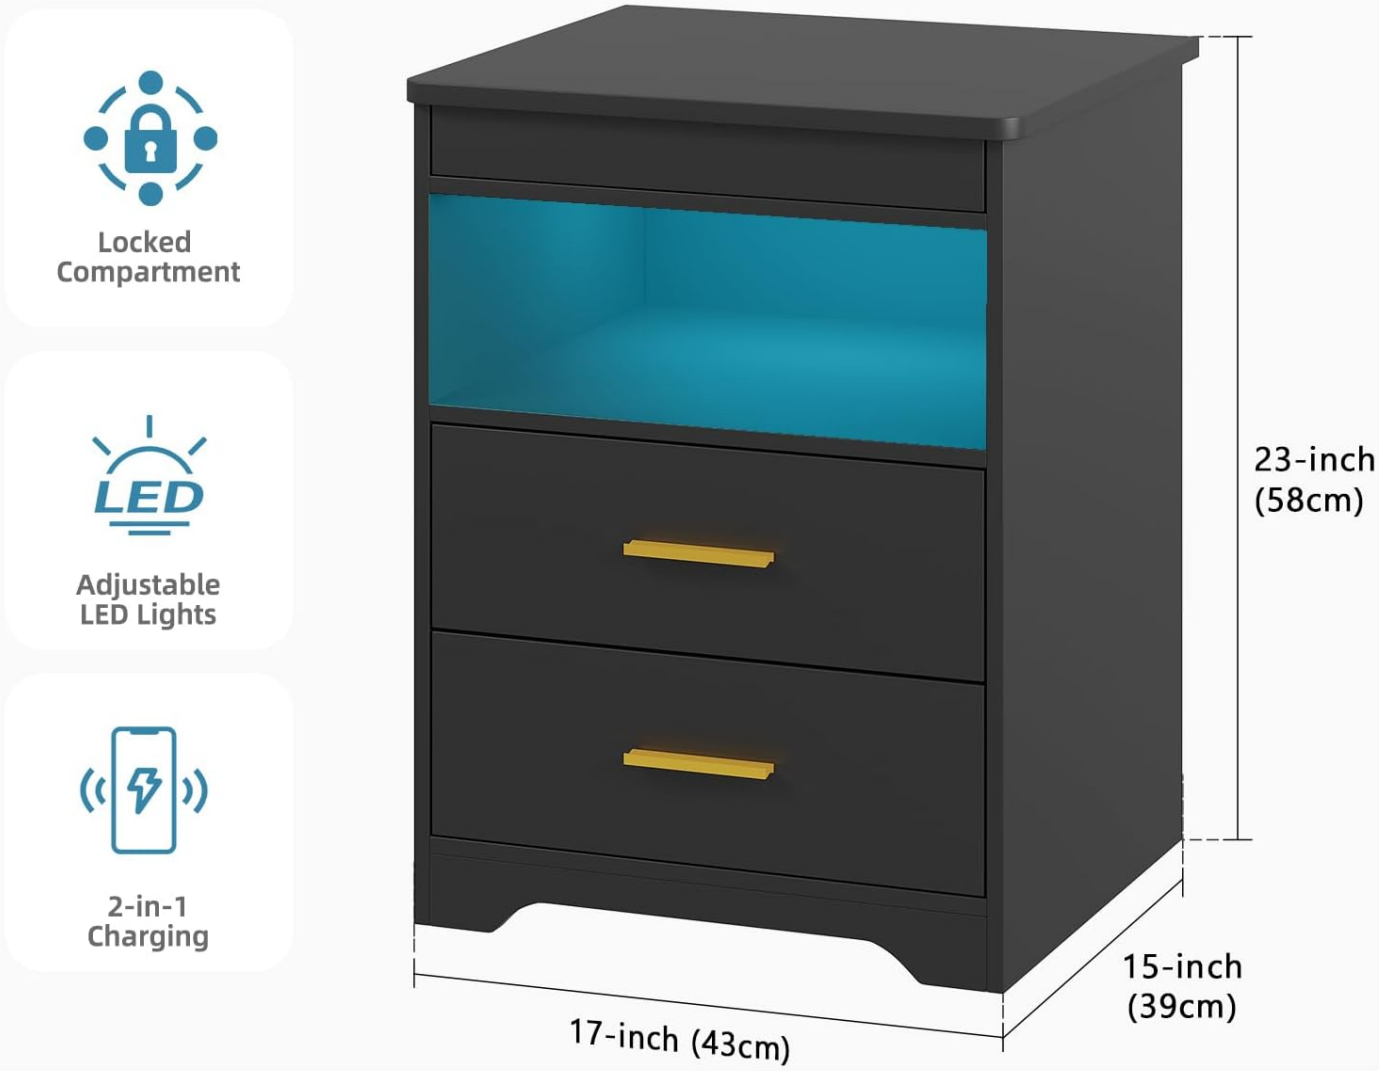

Assembly is designed to be straightforward and typically requires one person. All necessary tools are included.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface. Refer to the included parts list and diagrams to identify each piece. Each component is labeled for easy identification.
2. **Assemble the Frame:** Follow the step-by-step diagrams in the separate assembly guide to construct the main frame of the nightstand using the provided screws and locking nuts.
3. **Install Drawers:** Assemble the two sliding drawers according to the instructions. Ensure the drawer slides are correctly oriented for smooth operation.
4. **Integrate Charging Station:** Secure the charging station module into its designated slot on the side of the nightstand. Connect the power cable as instructed.
5. **Install LED Lighting:** Attach the LED light strip to the designated area within the open compartment. Connect the LED control unit and power cable.
6. **Secure Lockable Compartment:** Install the top concealed compartment and its locking mechanism. Test the lock with the provided keys to ensure it functions correctly.
7. **Final Checks:** Once assembled, ensure all connections are tight and the nightstand is stable.

This image displays the Gurexl LED Night Stand in a bedroom setting, showcasing its illuminated open shelf, charging capabilities for a tablet and smartphone, and the top compartment with items. The nightstand features a black finish with gold handles.

PRODUCT DIMENSION

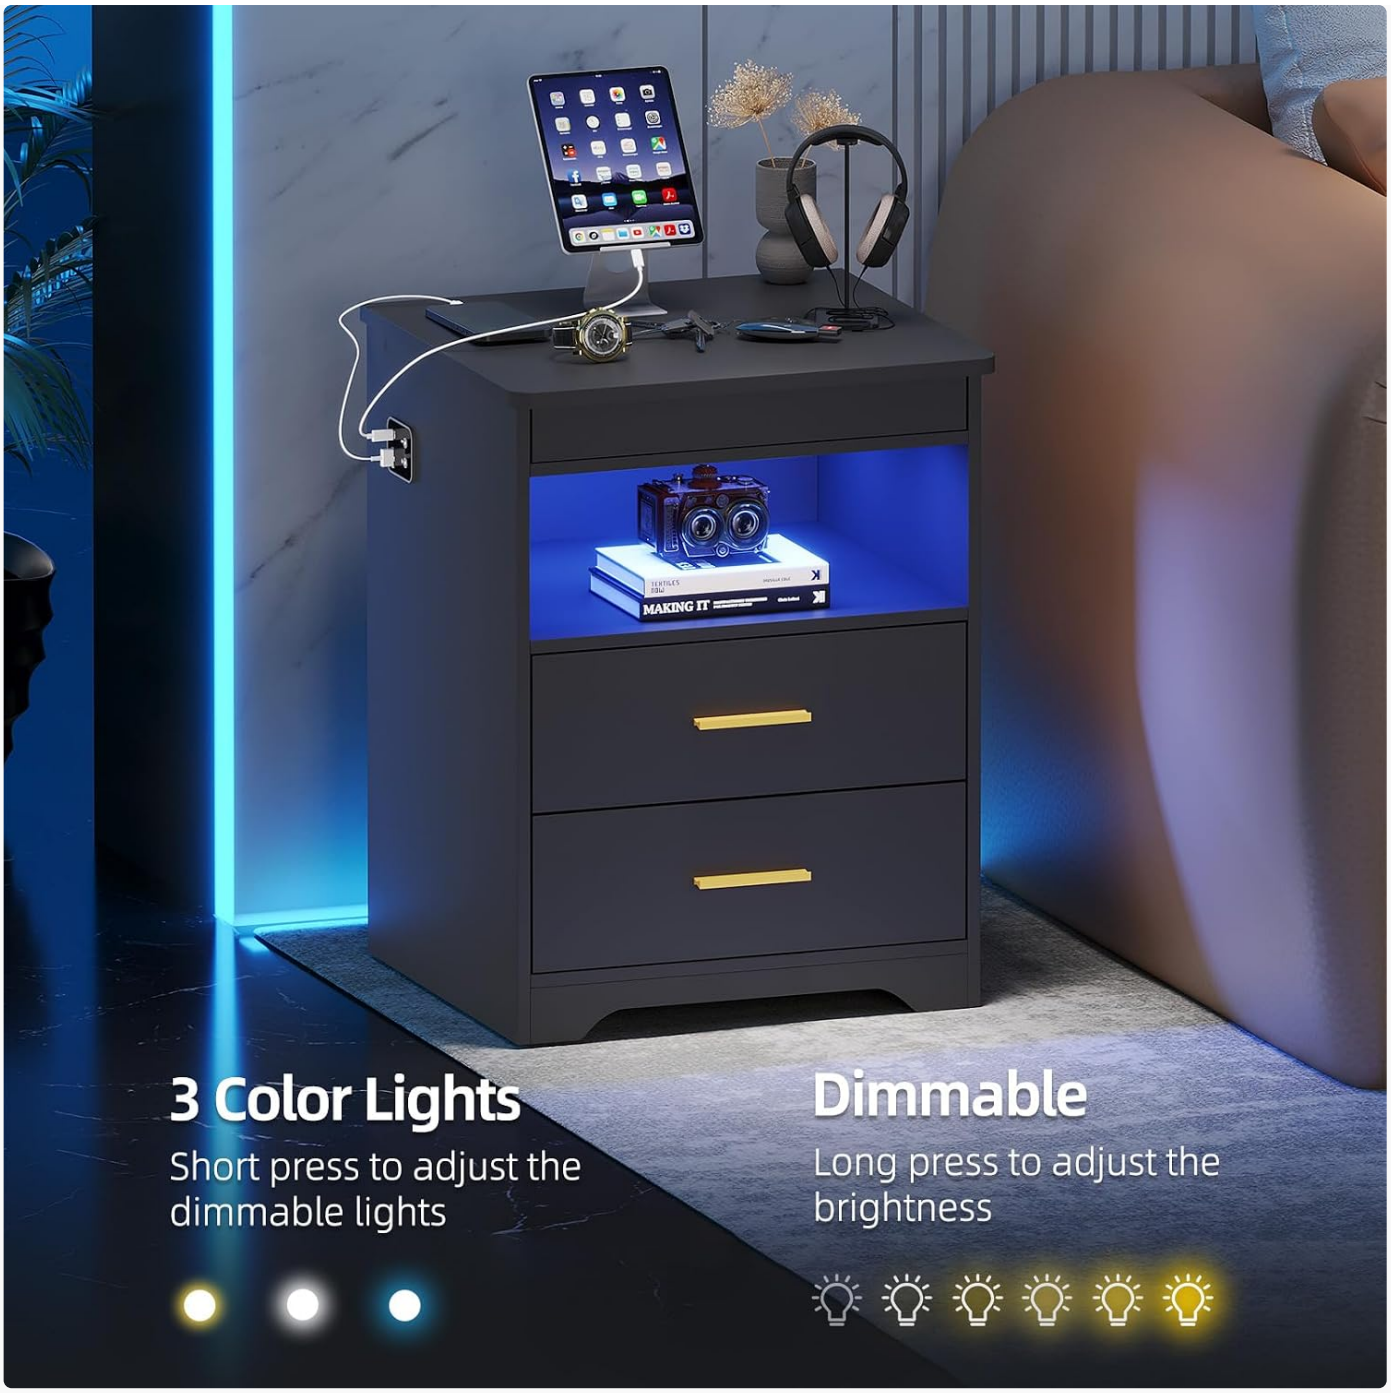

This diagram illustrates the key dimensions of the Gurexl LED Night Stand: 23 inches (58cm) in height, 17 inches (43cm) in width, and 15 inches (39cm) in depth. It also highlights features like the locked compartment, adjustable LED lights, and 2-in-1 charging.

5. Operating Instructions

5.1. LED Lighting System

- **Power On/Off:** Connect the nightstand to a power outlet. The LED lights will be in standby mode.
- **Color Selection:** Short press the control button (usually located near the light strip or charging panel) to cycle through the three available colors: white, cool blue, and warm yellow.
- **Brightness Adjustment:** Long press the control button to adjust the brightness level of the selected color. Release the button when the desired brightness is reached.
- **Human Body Sensor:** The integrated human body sensor automatically activates the LED light when a person is detected within approximately 1-2 meters of the nightstand. The light will turn off after a period of inactivity.

This image shows the nightstand with its LED lighting set to three different colors: warm light, white light, and blue light. It indicates that a short press adjusts the color and a long press adjusts the brightness.

This image depicts the nightstand with its motion sensor feature, showing a dog approaching and the LED light activating. The graphic indicates that the light automatically illuminates when a person is within 1-2 meters.

5.2. Charging Station

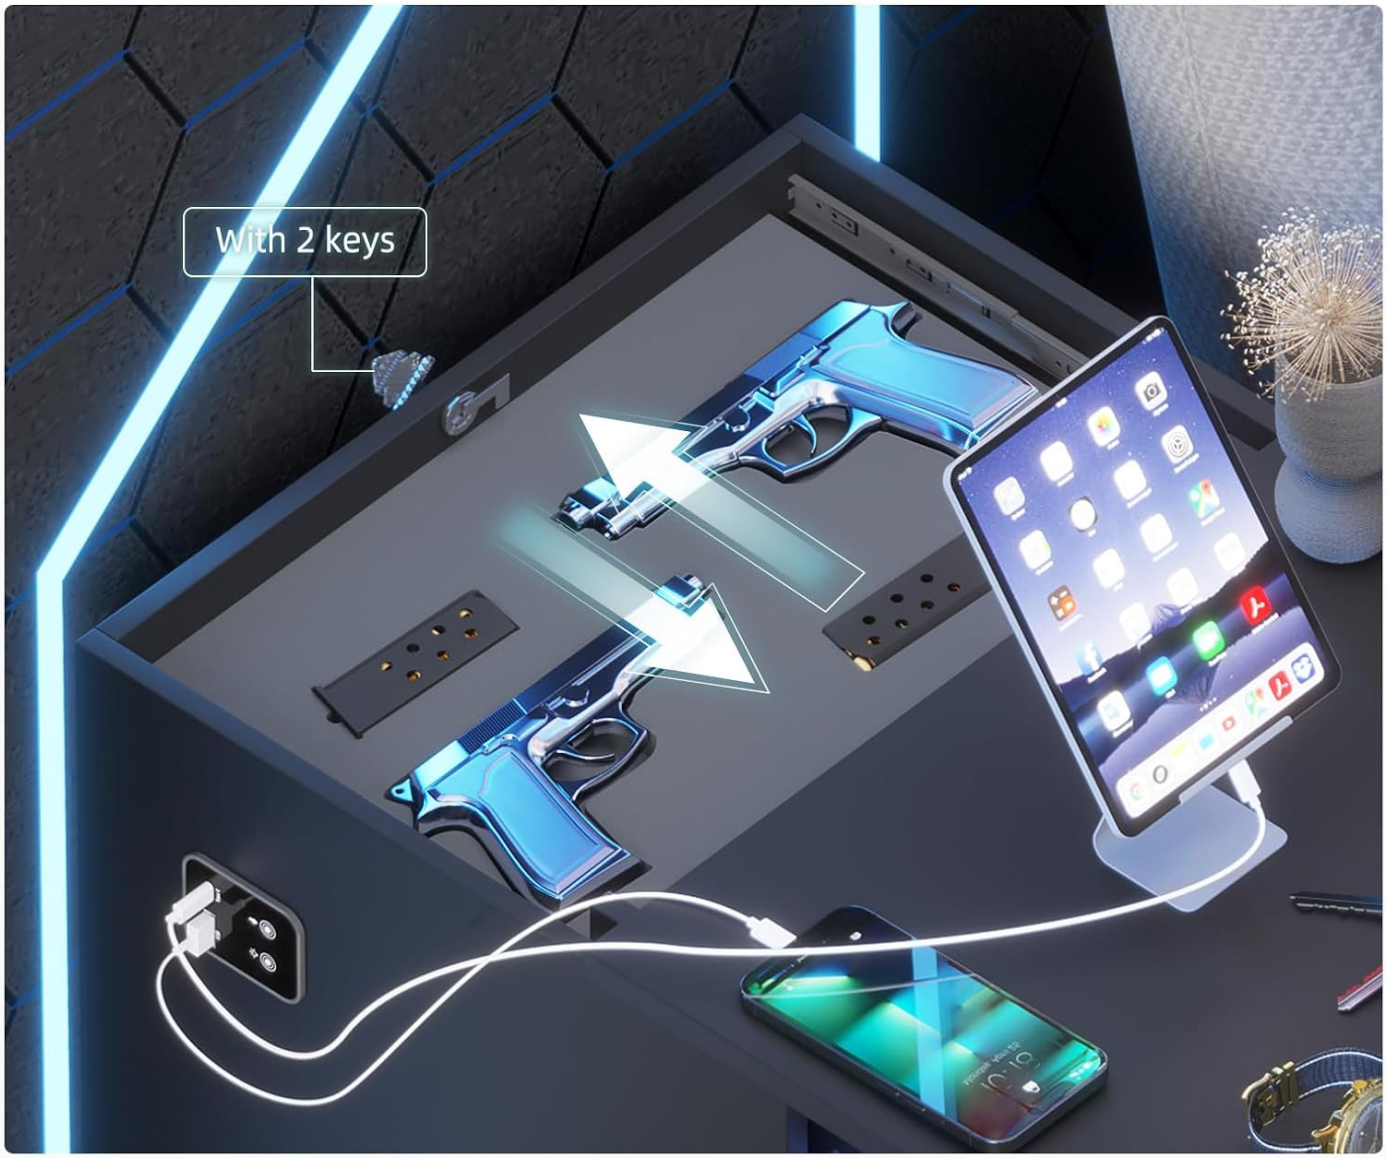

- **USB and Type-C Ports:** The nightstand is equipped with both USB (5V/2.1A) and Type-C (5V/2.1A) charging ports.
- **Connecting Devices:** Plug your compatible electronic devices (smartphones, tablets, smartwatches, etc.) into the appropriate charging port using their respective cables.
- **Charging Indication:** Your device's screen will indicate when it is charging.

This image highlights the integrated charging station on the side of the nightstand, featuring both a Type-C (5V/2.1A) and a USB port (5V/2.1A) for convenient device charging.

5.3. Lockable Concealed Compartment

- **Accessing the Compartment:** The top panel of the nightstand slides open to reveal a hidden storage area.
- **Locking/Unlocking:** Use one of the provided keys to lock or unlock the compartment. Insert the key into the concealed lock mechanism and turn. Ensure the compartment is fully closed before locking.
- **Secure Storage:** This compartment is ideal for storing valuables or personal defense items securely.

This image focuses on the hidden, lockable top compartment of the nightstand, designed for secure storage. It shows two keys and illustrates how the compartment slides open to reveal storage space, including a section for firearms.

5.4. Storage Drawers and Open Compartment

- **Sliding Drawers:** The two lower drawers provide enclosed storage for various items. Pull the gold handles to open and push to close.
- **Open Compartment:** The open shelf above the drawers is suitable for displaying decorative items or storing frequently accessed books and electronics.

This image shows the nightstand with both lower drawers pulled out and the top concealed compartment slid open, revealing storage space for various items and demonstrating the unit's organizational capacity.

6. Maintenance

- **Cleaning:** Wipe the nightstand surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Electrical Components:** Ensure the charging ports and LED lights are free from dust and debris. Do not attempt to repair electrical components yourself.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

7. Troubleshooting

- **LED Lights Not Working:**
  - Ensure the nightstand is properly plugged into a working power outlet.
  - Check that the LED control unit is securely connected.
  - If the motion sensor is active, ensure there is movement within its detection range (1-2 meters).
- **Charging Ports Not Functioning:**
  - Verify the nightstand is connected to power.
  - Try a different charging cable and device to rule out cable or device issues.
  - Ensure the charging station module is fully seated in its slot.
  - Note: Some devices may charge slower depending on their power requirements and the port's output (5V/2.1A).
- **Drawers Stick or Do Not Slide Smoothly:**
  - Check for any obstructions in the drawer slides.
  - Ensure the drawer slides are correctly installed and aligned.
  - Apply a small amount of silicone lubricant to the slides if needed.
- **Concealed Compartment Not Locking/Unlocking:**
  - Ensure the compartment is fully closed before attempting to lock.
  - Check that the key is fully inserted and turned correctly.
  - Avoid forcing the lock mechanism.

8. Specifications

Feature	Detail
Brand	Gurexl
Model Number	9602-27
Product Dimensions (D x W x H)	16" x 17" x 23" (40.6cm x 43.2cm x 58.4cm)
Item Weight	35 Pounds (15.8 kg)
