SISESOL 71" H -2 Drawer

SISESOL 71-inch White Metal Storage Cabinet User Manual

Model: 71" H -2 Drawer | Brand: SISESOL

1. IMPORTANT SAFETY INFORMATION

Always use appropriate safety gear when assembling the cabinet. Be cautious when adjusting shelves to prevent injury from heavy components. Keep fingers away from door hinges to avoid pinching. Do not exceed the weight capacity of the shelves to prevent structural damage or injury. Always supervise children around the cabinet to prevent accidents.

2. PRODUCT OVERVIEW

The SISESOL 71-inch White Metal Storage Cabinet is designed for versatile storage in various settings, including home offices, kitchens, bathrooms, bedrooms, and living rooms. Constructed from heavy-duty cold-rolled steel plate, this cabinet is integrally formed for enhanced durability and stability. It features two upper doors with glass panels and two lower drawers, offering ample storage capacity.

Each shelf within the cabinet has a carrying capacity of up to 180 pounds, ensuring robust support for your items. The metal surface is treated with an environmentally friendly and harmless powder coating, making it easy to clean and resistant to scratches and rust. The cabinet includes locks for securing valuables and adjustable shelves to accommodate items of different sizes.

5. OPERATING INSTRUCTIONS

5.1. Using Adjustable Shelves

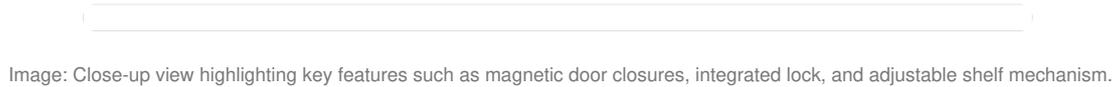

The cabinet features adjustable shelves to customize your storage space. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pins into the desired slots along the side rails. Ensure the pins are fully inserted and the shelf is level before placing items back.

5.2. Locking Mechanism

The cabinet doors and drawers are equipped with locks to secure your valuables. Insert the key into the lock and turn to lock or unlock. Always remove the key after locking to prevent unauthorized access.

5.3. Drawer Operation

The two lower drawers are designed for smooth operation and can accommodate letter, A4, and legal-sized hanging files. Pull the handle to open and push to close. Ensure drawers are fully closed to engage the lock.

6. MAINTENANCE

To maintain the appearance and longevity of your SISESOL storage cabinet, follow these guidelines:

- **Cleaning:** Wipe the metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder coating.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent buildup.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Weight Distribution:** Distribute weight evenly across shelves and within drawers to prevent warping or instability.

7. TROUBLESHOOTING

- **Doors/Drawers not closing properly:** Check for any obstructions. Ensure the cabinet is on a level surface. Adjust the levelers if needed.
- **Shelves are wobbly:** Ensure shelf pins are fully inserted into the designated holes and the shelf is properly seated.
- **Lock not working:** Ensure the key is fully inserted and turned correctly. Check for any debris in the lock mechanism.
