Auxmir BM-2219

Auxmir Portable Travel Makeup Mirror User Manual

Model: BM-2219 | Brand: Auxmir

Introduction

Welcome to your new Auxmir Portable Travel Makeup Mirror. This manual provides essential information for setup, operation, and maintenance to ensure optimal performance and longevity of your device. Please read this manual thoroughly before using the product.

Key Features

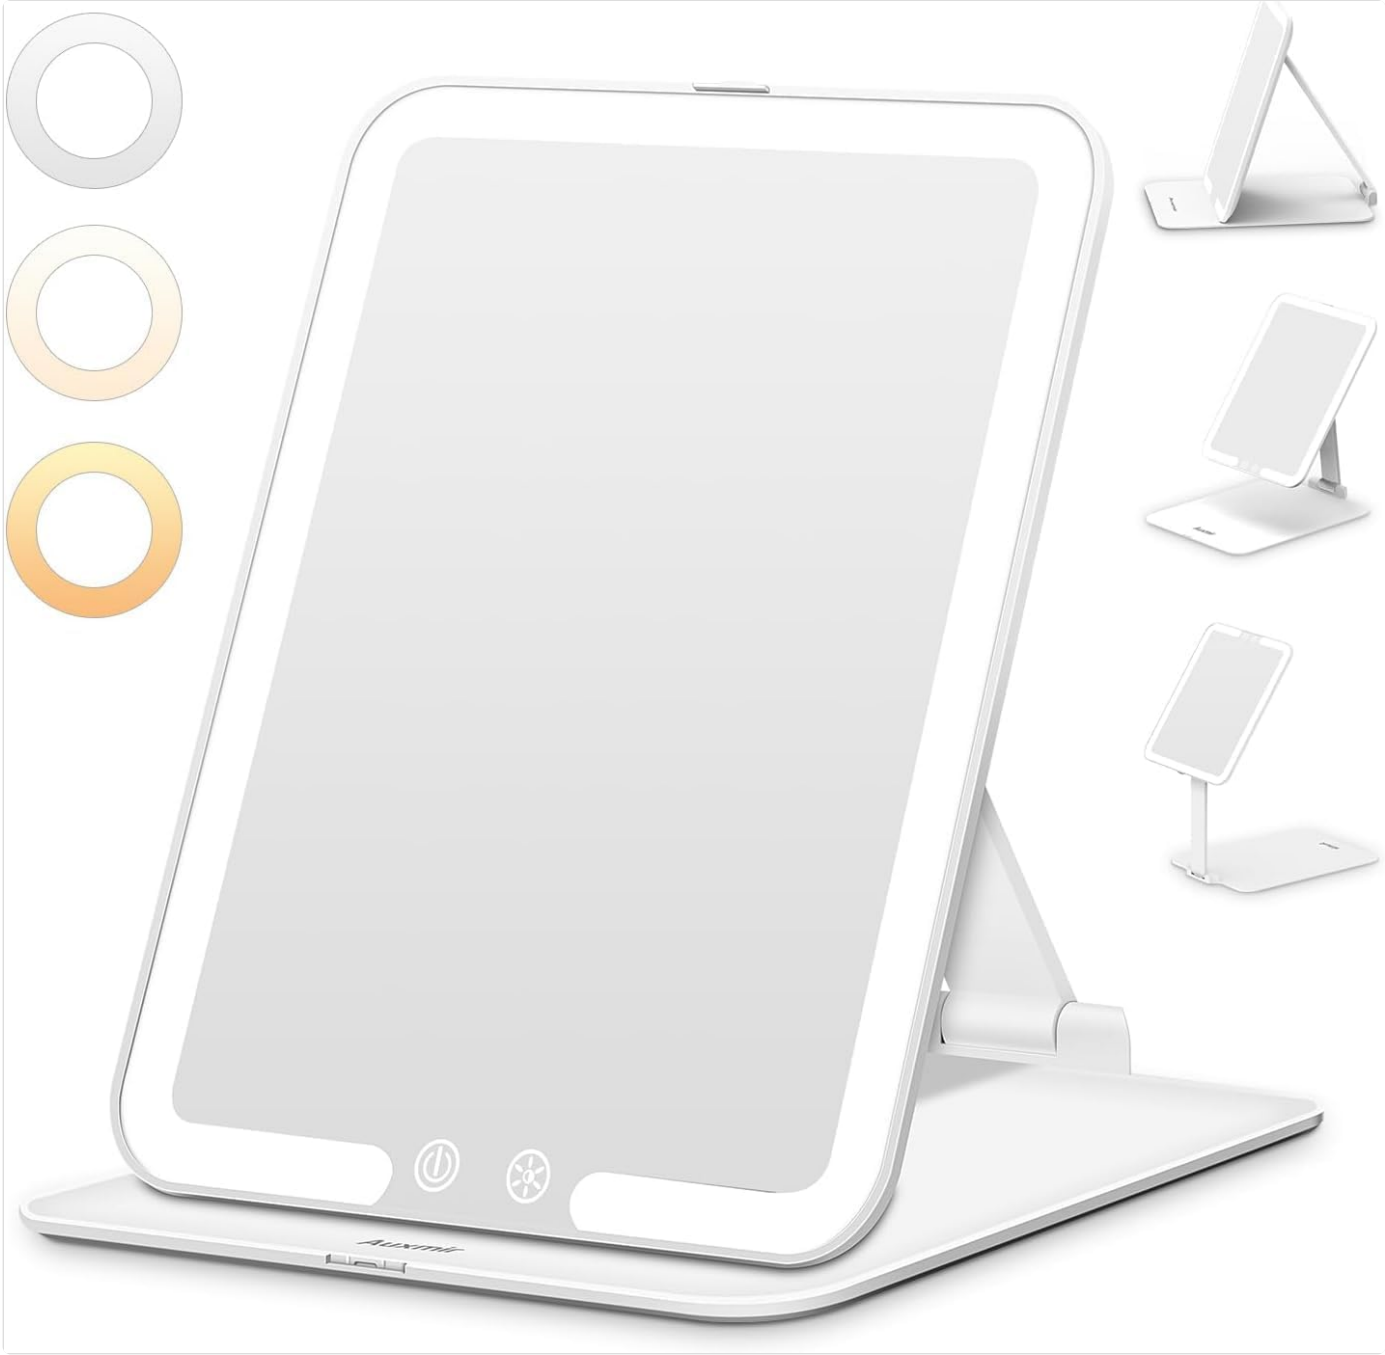

- **Portable and Foldable Design:** Lightweight and compact for easy travel and storage.
- **Adjustable LED Lighting:** Equipped with 72 high-quality LED pieces.
- **3 Light Colors:** Natural (4500K-5000K), Warm (3000K-3500K), and Cool (6000K-6500K) for various makeup needs.
- **Stepless Dimming:** Brightness adjustable from 1% to 100%.
- **Dual Touch Buttons:** Sensitive touch controls for power, brightness, and color temperature.
- **Hall Sensor Design:** Automatic light activation when unfolded beyond 30 degrees, and automatic shut-off when folded below 30 degrees.
- **Built-in Rechargeable Battery:** 1500mAh lithium battery for cordless use.
- **USB Type-C Charging:** Convenient and universal charging.
- **Automatic Shut-off:** Light turns off automatically after 30 minutes of inactivity to save energy.
- **High-Definition Mirror:** Provides clear reflection for precise makeup application.

Package Contents

- Auxmir Portable Travel Makeup Mirror (Model BM-2219)
- USB Type-C Charging Cable
- User Manual

Setup

1. Unpack the mirror and all accessories from the packaging.
2. Place the mirror on a stable, flat surface. Unfold the mirror to your desired viewing angle. The Hall sensor will automatically turn on the light when the mirror is unfolded to an angle greater than 30 degrees from its base.

The mirror features a foldable stand that allows for various viewing angles. Unfold the mirror to an angle greater than 30 degrees for automatic light activation.

Operating Instructions

Power On/Off and Brightness Adjustment

Locate the two touch buttons on the bottom center of the mirror surface.

- **To Power On/Off:** Briefly touch the **left button** (power icon).
- **To Adjust Brightness:** While the light is on, press and hold the **left button** to cycle through brightness levels (1% to 100%). Release the button when the desired brightness is achieved.

Adjust the brightness seamlessly from 1% to 100% by long-pressing the left touch button, allowing for customized lighting for perfect clarity.

Light Color Adjustment

Briefly touch the **right button** (light mode icon) to switch between the three light color temperatures:

- **Warm Light (3000K-3500K):** Ideal for evening makeup, dating, or dinner settings.
- **Natural Light (4500K-5000K):** Suitable for daily skincare, general makeup, or outdoor settings.
- **Cool Light (6000K-6500K):** Best for formal occasions, office makeup, or detailed work.

The mirror offers three distinct light color temperatures to suit various makeup needs and environments.

Automatic Sensor Function

The mirror is equipped with a Hall sensor for intelligent operation:

- When the mirror surface is unfolded to an angle **greater than 30 degrees** from its base, the light will automatically turn on.
- When folded to an angle **less than 30 degrees**, the light will automatically turn off.

The Hall sensor simplifies operation by automatically activating or deactivating the light based on the mirror's angle.

Energy Saving Feature

To conserve battery life, the mirror's light will automatically turn off after 30 minutes of continuous inactivity.

The mirror's flexible design allows for personalized viewing angles and heights, making it suitable for various uses, from fully extended for tabletop use to folded compactly for travel.

Charging

The mirror is equipped with a built-in 1500mAh lithium battery for convenient cordless use.

- Connect the provided USB Type-C charging cable to the charging port located on the back of the mirror.
- Plug the other end of the USB cable into a compatible USB power source, such as a wall adapter, power bank, or laptop.
- A full charge typically takes approximately **120 minutes (2 hours)**.
- Once fully charged, the mirror can operate for up to **720 minutes (12 hours)** on the lowest light setting.

The mirror is equipped with a USB Type-C port for convenient charging. A full charge takes about 2 hours, providing up to 12 hours of use on the lowest brightness setting.

Maintenance

Cleaning

- To clean the mirror surface, gently wipe with a soft, lint-free cloth.
- For stubborn marks, slightly dampen the cloth with water or a mild, non-abrasive glass cleaner. Avoid harsh chemicals or abrasive materials.
- Ensure the mirror is completely dry before folding or storing.

Storage

- When not in use, fold the mirror flat to protect the mirror surface and conserve battery life.
- Store the mirror in a cool, dry place away from direct sunlight and extreme temperatures.

Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on.	Battery is low or depleted.	Charge the mirror using the provided USB Type-C cable.
Light does not turn on automatically when unfolded.	Mirror not unfolded past 30 degrees.	Ensure the mirror is unfolded to an angle greater than 30 degrees.
Light flickers or is dim.	Low battery.	Recharge the mirror.
Touch buttons are unresponsive.	Mirror surface is wet or dirty.	Clean and dry the touch button area.
Light turns off unexpectedly.	Automatic shut-off activated (30 min inactivity).	Briefly touch the power button to turn it back on.
Light turns off unexpectedly.	Mirror folded to less than 30 degrees.	Unfold the mirror to an angle greater than 30 degrees.

Specifications

Feature	Detail
Model Number	BM-2219
Dimensions (Folded)	21L x 15.5W x 0.6H cm (approx. 8.3L x 6.1W x 0.2H inches)
Weight	381 grams (approx. 0.84 lbs)
LED Quantity	72 pieces
Battery Capacity	1500mAh Lithium Battery
Charging Port	USB Type-C
Light Colors	Warm (3000K-3500K), Natural (4500K-5000K), Cool (6000K-6500K)
Special Features	Rechargeable, Adjustable Brightness, LED Lights, Tabletop, Portable, Travel, Illuminated, Hall Sensor
Material	Acrylonitrile Butadiene Styrene (ABS)
Country of Origin	China

The mirror's compact dimensions when folded (21cm x 15.5cm x 0.6cm) make it highly portable and easy to store, fitting conveniently into bags or luggage.

Weighing only 381 grams, this lightweight mirror is designed for easy portability, making it ideal for on-the-go use and travel.
