Todeco LED Gaming Desk 140 x 60cm Instruction Manual

Model: Ninja (Model 1)

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your Todeco LED Gaming Desk (140 x 60cm). Please read these instructions carefully before assembly and use to ensure proper function and longevity of your product. Keep this manual for future reference.

SETUP AND ASSEMBLY

The Todeco LED Gaming Desk requires assembly. For optimal safety and ease, it is recommended that **two people** perform the assembly. A screwdriver is the recommended tool for assembly, but it is not included in the package.

Assembly Steps:

1. Unpack all components and verify against the parts list (not provided in this manual, refer to your product packaging).
2. Assemble the Y-shaped steel alloy frame according to the provided diagrams. Ensure all screws are tightened securely.
3. Attach the carbon fiber tabletop to the assembled frame.
4. Install the adjustable feet onto the desk legs. These feet allow for leveling the desk on uneven surfaces, ensuring stability.

5. Attach the headphone hook and cup holder to the desired locations on the desk.
6. Connect the LED lighting strip to a power source.

OPERATING INSTRUCTIONS

RGB LED Lighting:

The desk features integrated RGB LED lighting with over 40 dynamic lighting modes. Use the included remote control to manage the lighting effects.

- **Power On/Off:** Use the designated button on the remote.
- **Mode Selection:** Cycle through over 40 dynamic modes, including single-color and multi-color shows.
- **Brightness Control:** Adjust the intensity of the lights.
- **Speed Control:** Modify the speed of dynamic lighting effects.
- **Color Selection:** Choose your preferred static color.

The LED lighting system includes a memory function that retains the last used mode when the desk is powered on again.

Accessories:

- **Headphone Hook:** Use the external hook to store your headphones, keeping them within reach and off the desk surface.
- **Cup Holder:** The integrated cup holder provides a secure place for your beverage, reducing the risk of spills.
- **Cable Management Holes:** The desk features dual openings for organized cable routing, helping to keep your workspace tidy.
- **Large Mouse Pad:** A large mouse pad is included to provide an expansive surface for unrestricted mouse movement during use.

Ergonomic Design

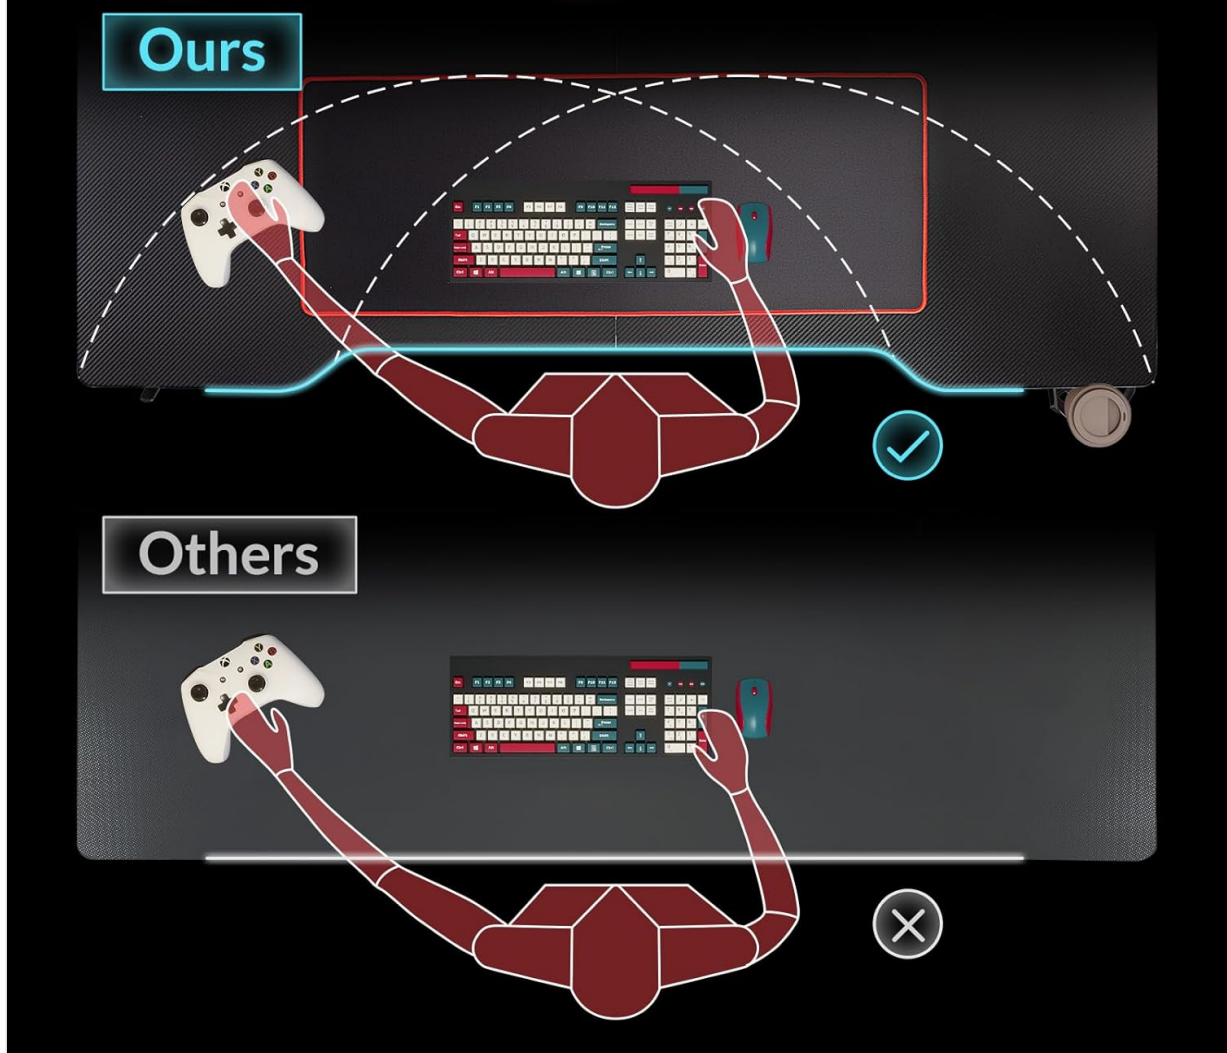

Image: Close-ups of the practical accessories: cup holder, headphone hook, cable management hole, and the large mousepad.

Ergonomic Design:

The desk's curved shape is designed to prevent contact with the stomach, offering a better fit for arms and smoother operation. This design aims to reduce fatigue during extended use. The rounded corners are crafted to prevent discomfort or scratches.

MAINTENANCE

To maintain the appearance and functionality of your Todeco LED Gaming Desk, follow these care instructions:

- **Cleaning:** Wipe the desk surface with a soft cloth dampened with mild soapy water. Dry thoroughly immediately after cleaning to prevent water damage and rust.
- **Surface Protection:** The carbon fiber surface is scratch-resistant and waterproof. However, avoid scratching the surface with hard or sharp objects to preserve its finish.
- **LED Care:** Ensure the LED strip and its connections remain dry. Avoid direct contact with liquids.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Adjust the leveling feet as needed to maintain desk stability.

TROUBLESHOOTING

If you encounter any issues with your Todeco LED Gaming Desk, refer to the following common problems and solutions:

- **LED Lights Not Working:**

- Check if the LED strip is properly connected to the power source.
- Ensure the remote control battery is functional. Replace if necessary.
- Verify that the power adapter is securely plugged into a working outlet.
- If only one side of the LED strip is not functioning, check its specific connection points.

- **Desk is Unstable/Wobbly:**

- Ensure all assembly screws are fully tightened.
- Adjust the leveling feet at the bottom of the desk legs to compensate for uneven floor surfaces.
- Verify that the Y-shaped frame is correctly assembled and secured.

- **Remote Control Not Responding:**

- Check and replace the remote control battery.
- Ensure there are no obstructions between the remote and the LED receiver.

SPECIFICATIONS

Feature	Detail
Product Dimensions (L x W x H)	140 x 60 x 72 cm
Item Weight	21 Kilograms
Brand	Todeco
Model Number	1
Model Name	Ninja
Shape	Rectangular (Ergonomically Curved)
