

LOZ 1660

LOZ Mini Blocks 1660 Succulent Plant Building Kit Instruction Manual

1. PRODUCT OVERVIEW

The LOZ Mini Blocks 1660 is a building kit designed to create a detailed succulent plant model. This kit contains 389 mini building blocks, allowing for the construction of a decorative botanical garden display. It is suitable for both adults and children aged 6 years and older.

What's Included:

- 389 high-quality ABS plastic mini building blocks.
- Instruction manual for assembly.
- Components to build a potted succulent arrangement, including various plant types, a decorative bee, and a "Botanical Garden" sign.

2. SAFETY INFORMATION

- **Small Parts Warning:** This kit contains small parts which may pose a choking hazard for children under 3 years old. Adult supervision is recommended for younger builders.
- Keep all packaging materials away from children to prevent suffocation.
- Do not ingest any parts of the building kit.
- Ensure hands are clean before handling blocks to maintain product quality.

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual guide provided in the included instruction booklet. The blocks are made from high-quality ABS plastic, ensuring a smooth assembly experience.

General Assembly Tips:

1. **Organize Parts:** Before starting, sort the blocks by color or type to simplify the building process.
2. **Follow Steps Carefully:** Each step in the instruction booklet is designed to be followed sequentially.

Do not skip steps.

3. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
4. **Refer to Images:** Use the images in this manual and the included booklet as visual aids for correct placement.

4. DISPLAY AND CARE

Once assembled, your LOZ Mini Blocks succulent plant model can be displayed as a decorative item in various settings.

Placement Recommendations:

- Desks and office spaces.
- Shelves and bookcases.
- Living rooms or bedrooms as a natural accent.

Maintenance:

- To clean the model, gently wipe with a dry, soft cloth.
- For stubborn dust, a slightly damp cloth can be used, followed by immediate drying.
- Avoid using harsh chemical cleaners, as these may damage the plastic or fade colors.
- Keep the model away from prolonged direct sunlight to prevent potential color degradation.

5. TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces are missing from your kit, please contact LOZ customer support with your product model number (1660) and details of the missing parts.
- **Blocks Not Fitting:** Ensure you are using the correct blocks for each step as indicated in the instruction manual. Apply gentle, even pressure when connecting blocks. Avoid forcing pieces together, as this may cause damage.
- **Model Instability:** Double-check all connections to ensure blocks are fully seated. Refer to the instruction manual to confirm correct assembly sequence.
