WENKO Ferla Freestanding Toilet Set Instruction Manual

INTRODUCTION

Thank you for choosing the WENKO Ferla Freestanding Toilet Set. This 2-in-1 unit provides a convenient and hygienic solution for storing your toilet paper and toilet brush. Crafted from glossy stainless steel, it is designed for durability and ease of use in various bathroom environments, especially those with limited space. This manual provides essential information for the proper setup, operation, and maintenance of your product.

SAFETY INSTRUCTIONS

- Ensure the unit is placed on a stable, flat surface to prevent tipping.
- Keep the toilet brush out of reach of children.
- Do not use abrasive cleaners or harsh chemicals on the stainless steel surface, as this may damage the finish.
- Handle the toilet brush with care to avoid splashing.
- Dispose of worn-out brush heads responsibly according to local regulations.

PACKAGE CONTENTS

Please check the package to ensure all components are present:

- 1 x WENKO Ferla Freestanding Toilet Set (includes toilet paper holder and toilet brush holder)
- 1 x Toilet Brush with black, replaceable head
- 1 x Round Stainless Steel Base Plate

SETUP AND PLACEMENT

The WENKO Ferla Freestanding Toilet Set is designed for easy setup and requires minimal assembly. Simply place the unit in your desired location.

1. Unpack all components from the packaging.
2. Ensure the round stainless steel base plate is securely attached to the main stand.
3. Place the toilet brush into its designated holder. The integrated black silicone cover on the brush handle ensures

hygienic closure.

4. Position the entire unit on a flat, stable surface in your bathroom or toilet area. The compact design allows for placement even in small spaces.

OPERATING INSTRUCTIONS

Using the Toilet Paper Holder

To use the toilet paper holder, simply slide a standard roll of toilet paper onto the horizontal arm at the top of the stand. The design ensures easy access and replacement of rolls.

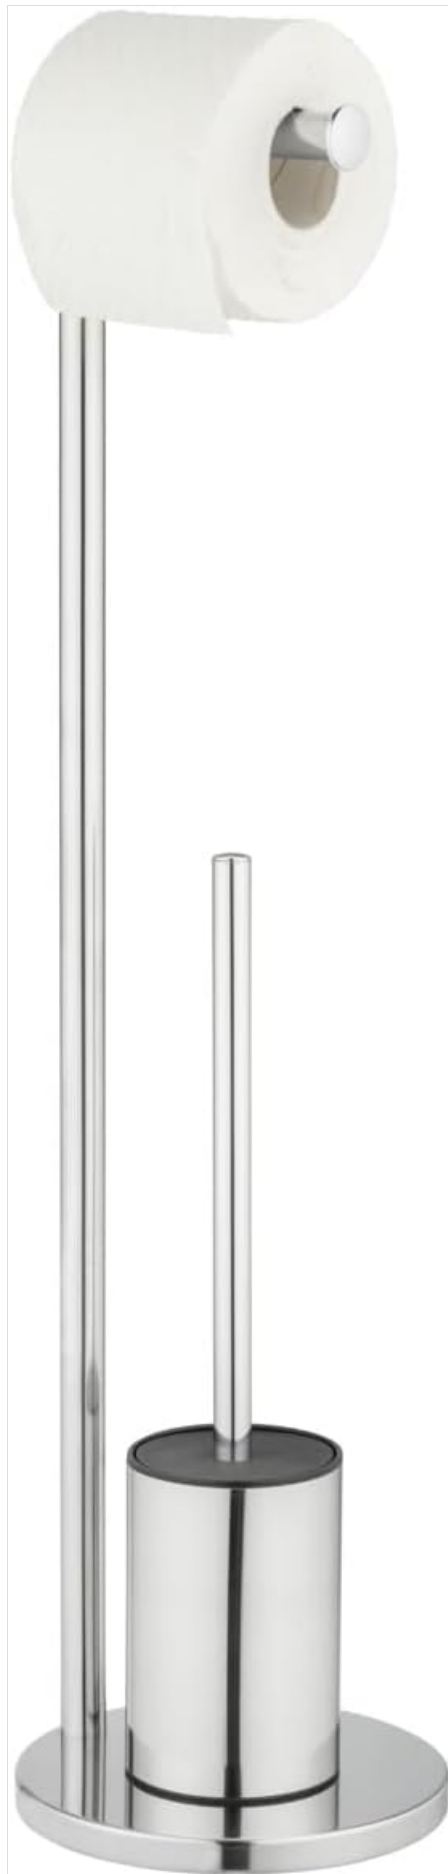

Figure 2: The WENKO Ferla Freestanding Toilet Set with a roll of toilet paper in place. This demonstrates how the toilet paper holder functions and its integrated design.

Using the Toilet Brush

The toilet brush is stored vertically within its holder. To use, simply lift the brush by its handle. The sturdy bristles are designed for thorough cleaning. After use, return the brush to its holder; the integrated black silicone cover will hygienically seal the container.

MAINTENANCE AND CLEANING

Cleaning the Stainless Steel Unit

- Wipe the glossy stainless steel surfaces regularly with a soft, damp cloth.
- For stubborn marks, use a mild, non-abrasive stainless steel cleaner. Always follow the cleaner's instructions.
- Dry thoroughly with a clean, soft cloth to prevent water spots and maintain the shine.
- **Do not** use abrasive sponges, scouring pads, or harsh chemical cleaners, as these can scratch or damage the finish.

Replacing the Toilet Brush Head

The black toilet brush head is replaceable for sustained hygiene and environmental friendliness. When the brush head becomes worn or soiled, it can be easily unscrewed from the handle and replaced with a new WENKO compatible brush head (Ø 8 cm).

1. Carefully unscrew the old brush head from the brush handle.
2. Dispose of the old brush head hygienically.
3. Screw a new, compatible WENKO brush head (Ø 8 cm) onto the handle until secure.

TROUBLESHOOTING

- **Unit feels unstable:** Ensure the unit is placed on a completely flat and even surface. Check that the base plate is firmly attached.
- **Brush head not cleaning effectively:** The brush head may be worn. Consider replacing it with a new WENKO compatible brush head.
- **Water spots on stainless steel:** This is common with glossy finishes. Ensure you dry the unit thoroughly after cleaning to prevent water spots.

SPECIFICATIONS
