Troubleshooting

If you encounter any issues with your Catry Bradbury Cat Tree, consider the following:

- **Stability Issues:** Ensure all screws and connections are securely tightened. Verify that the cat tree is placed on a flat, stable surface.
- **Loose Components:** Periodically check all parts for looseness. Tighten any screws or re-attach any components that may have come loose during use.
- **Lack of Cat Interest:** Try placing catnip on the tree, especially in the condo or beds, to encourage your cat to explore. Place favorite toys on different levels.
