Assembly Instructions

Follow these steps to assemble your Audrey II Piranha Plant model. The building blocks are organized into numbered bags to simplify the process. Refer to the included printed instruction manual for detailed diagrams.

1. **Step 1: Prepare the Base**
   Begin by assembling the base of the plant, which forms the pot. Use the pieces from the first numbered bag.

Safety Guidelines

To ensure a safe building experience, please observe the following guidelines:

- **Age Recommendation:** This kit is suitable for individuals aged 6 years and up. Younger children should have adult supervision due to small parts.
- **Choking Hazard:** The kit contains small parts which may pose a choking hazard. Keep away from children under 3 years of age.
- **Assembly Environment:** Assemble the model on a clean, flat, and well-lit surface to prevent loss of pieces.
- **Proper Handling:** Handle pieces carefully to avoid breakage. Do not force pieces together if they do not fit easily.

Care and Maintenance

To maintain the quality and appearance of your Audrey II Piranha Plant model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth and mild soap, then wipe dry. Avoid harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** While the model is sturdy, avoid excessive force or dropping it to prevent pieces from detaching.

Troubleshooting

If you encounter any issues during assembly or with the finished product, consider the following:

- **Missing Pieces:** Double-check all packaging and the assembly area. If a piece is genuinely missing, please contact customer support.
- **Difficulty Connecting Pieces:** Some pieces may require firm pressure to connect. Ensure correct orientation as per the instructions. If a piece is excessively tight, try gently wiggling it into place or ensuring no debris is obstructing the connection.
- **Loose Connections:** If parts feel loose, re-examine the connection points in the instruction manual to ensure all pieces are correctly seated.
