ASSEMBLY INSTRUCTIONS

The Armocity L Shaped Computer Desk is designed for straightforward assembly. It can be configured as a 47-inch L-shaped corner desk or a 75.6-inch long office desk. Follow the included detailed instructions for proper setup.

Step 1: Unpack and Identify Parts

Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part by comparing it with the parts list in the separate assembly guide.

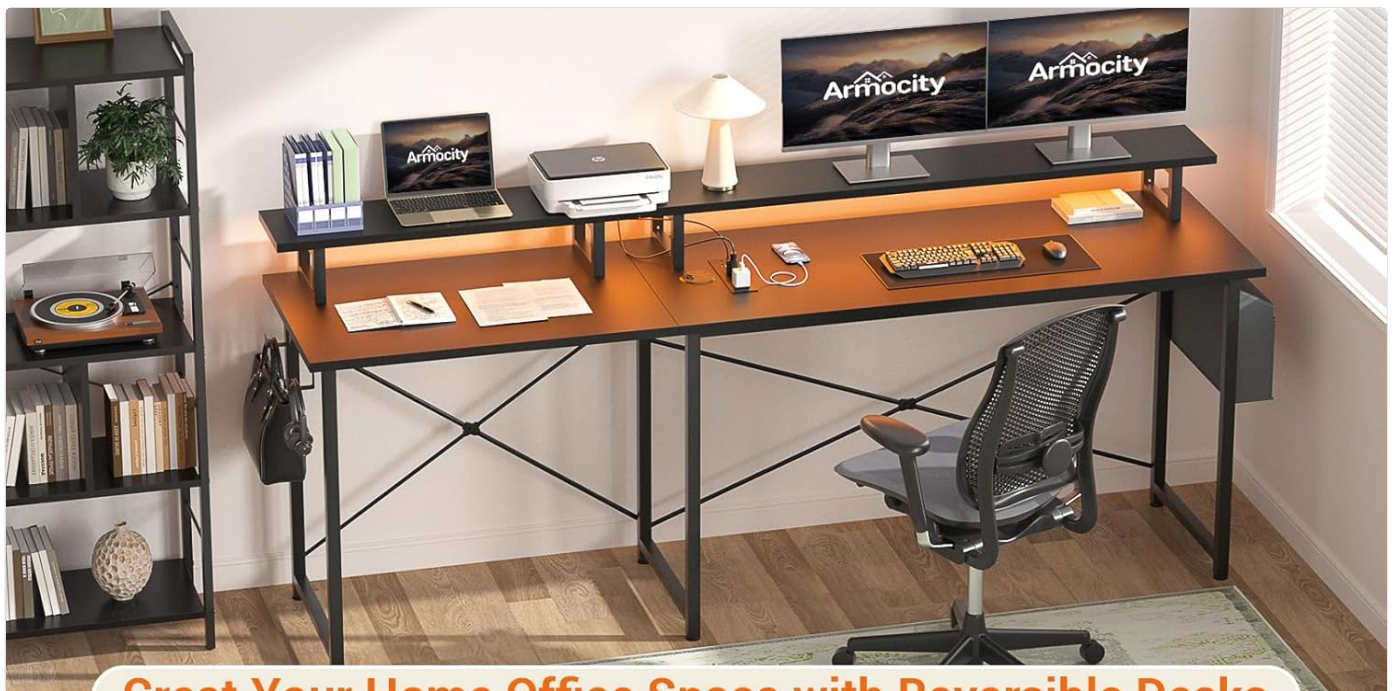

This diagram provides detailed measurements for both the L-shaped and straight configurations of the desk, including the monitor stand height and overall length.

Step 2: Assemble the Frame

Connect the metal frame components using the provided hardware. Ensure the 2 X-shaped cross bars are securely installed to enhance stability. Attach the 6 adjustable foot pads to the bottom of the desk legs to ensure a level surface and protect your floor.

Step 3: Attach Desk Panels

Secure the engineered wood desk panels to the assembled frame. Pay attention to the orientation for your desired L-shaped or straight configuration. The elevated monitor ledge can be positioned as needed.

This image illustrates the desk's versatile design, allowing it to be assembled as either an L-shaped corner desk or a long straight desk to fit various room layouts.

Step 4: Install Power Outlets and LED Lights

Integrate the power outlet unit and USB connectors into the designated area on the desktop. Attach the smart LED light strip underneath the elevated monitor stand.

Step 5: Add Accessories

Attach the side storage bag and hanger hooks to either the left or right side of the desk, according to your preference. These accessories provide convenient storage for notebooks, pens, headphones, or bags.

MAINTENANCE

To maintain the appearance and longevity of your desk, wipe surfaces with a damp cloth for general cleaning. For a thorough clean, use a dry cloth. Avoid harsh chemicals or abrasive cleaners.

TROUBLESHOOTING

LED Lights Not Working

- Ensure the desk's power cord is securely plugged into a functional wall outlet.
- Check the connection of the LED light strip to the power source.
- Verify the remote control batteries are functional and correctly inserted.
- Try pressing the "ON" button on the remote control.

Desk Wobbles

- Ensure all assembly screws are tightened securely.
- Adjust the 6 adjustable foot pads on the bottom of the legs to stabilize the desk on uneven floors.
- Verify the X-shaped cross bars are properly installed and tightened.
