

## MONODEAL M115

# MONODEAL Trucker Bluetooth Headset M115 Instruction Manual

Model: M115 | Brand: MONODEAL

### INTRODUCTION

The MONODEAL Trucker Bluetooth Headset M115 is designed for clear communication and comfort, especially in professional environments like call centers, offices, and for remote work. Featuring advanced Bluetooth 5.2 technology, ENC noise cancellation, and multipoint connectivity, this headset ensures stable connections and crystal-clear conversations. Its lightweight and ergonomic design allows for extended wear without discomfort, making it ideal for long workdays or travel.

## KEY FEATURES

### Excellent Noise Reduction

The M115 Trucker Bluetooth Headset utilizes a QCC3040 chip, effectively eliminating up to 96% of environmental noise, such as background chatter, children playing, or dog barking. This ensures crystal-clear conversations, crucial for professional environments like call centers.

### Advanced Bluetooth V5.2

Equipped with Bluetooth 5.2 technology, the headset provides a stable and reliable connection, allowing you to move freely within your workspace. It's optimized for remote work, online courses, video conferences, and communication platforms like Skype and Zoom.

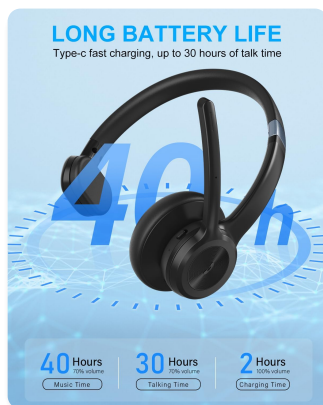

### Multipoint Connectivity

The MONODEAL Trucker Headset supports dual device connection, enabling seamless pairing with both your phone and laptop. This feature allows for automatic switching between devices, such as answering a TEAMS call on your laptop while on a phone call.

## Extremely Comfortable Design

Weighing only 101.6g, this headset features soft and breathable earplugs for lightweight and comfortable wear, even during prolonged use. The 270° rotatable microphone allows for wear on either side, and the adjustable headband accommodates various head shapes and sizes.

## Super Long Battery Life

The 300mAh battery provides up to 30 hours of talk time, 40 hours of music time, and 300 hours of standby time on a single 2-hour charge. This eliminates the need for frequent recharging, making it suitable for long-distance travel or extended work-from-home sessions.

## SETUP GUIDE

### Charging the Headset

Before initial use, fully charge your headset. Connect the provided Type-C charge cable to the headset's charging port and the other end to a USB power source. A full charge takes approximately 2 hours.

### Bluetooth Pairing

1. Ensure the headset is powered off.
2. Slide the power switch to the "On" position. The headset will enter pairing mode, indicated by a flashing blue light.
3. On your device (smartphone, tablet, or laptop), enable Bluetooth and search for available devices.

4. Select "M115" from the list of available devices.
5. Once connected, the headset will provide a voice prompt confirming successful pairing, and the blue light will stop flashing.

## OPERATING INSTRUCTIONS

### Headset Controls

The headset features intuitive controls for easy management of calls and audio:

- **Multi-Function Button (MFB):** Located on the earcup, this button is used to answer/end calls, play/pause music, and activate voice assistant.
- **Volume Up/Down:** Dedicated buttons on the earcup allow for easy adjustment of audio volume.
- **Mute Button:** A convenient mute button is located on the microphone boom for quick muting during calls. A voice notification will confirm "Mute On" or "Mute Off".
- **Power Switch:** Slide to turn the headset On or Off.

# ALL DAY COMFORT

## Microphone Adjustment

The microphone boom is 270° rotatable, allowing you to position it on either your left or right side for optimal comfort and voice pickup. Simply rotate the boom to your preferred side.

Figure 5: Illustration demonstrating the 270-degree rotation capability of the microphone boom for flexible use on either ear.

## MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your MONODEAL Trucker Bluetooth Headset M115, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid using abrasive cleaners or solvents.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge the headset regularly, even if not in use, to maintain battery health.
- **Handle with Care:** Do not drop, disassemble, or attempt to repair the headset yourself. This may void the warranty and cause damage.

## TROUBLESHOOTING

If you encounter issues with your headset, try the following troubleshooting steps:

- **No Power:** Ensure the headset is fully charged. Connect it to a power source using the provided Type-C cable.
- **Cannot Pair:**
  - Ensure the headset is in pairing mode (flashing blue light).
  - Make sure Bluetooth is enabled on your device and it is within range (10 meters).
  - Forget the device from your device's Bluetooth settings and attempt to re-pair.
  - Restart both the headset and your device.
- **Poor Audio Quality:**
  - Ensure the headset is within Bluetooth range and there are no obstructions.
  - Check the volume levels on both the headset and your connected device.
  - Verify that the headset is selected as the audio input/output device in your computer's sound settings.

- **Microphone Not Working:**

- Ensure the microphone is not muted (check the mute button on the boom).
- Confirm the headset microphone is selected as the input device in your communication software settings.

## PRODUCT SPECIFICATIONS

Model Name	M115
Connectivity Technology	Bluetooth Wireless 5.2
Wireless Communication Technology	Bluetooth
Battery Capacity	300mAh
Charging Time	2 Hours
Talk Time	Up to 30 Hours
Music Time	Up to 40 Hours
Standby Time	About 300 Hours
Bluetooth Range	10 Meters
Item Weight	101.6 Grams (3.58 ounces)
Product Dimensions	7.2 x 6.8 x 2.7 inches
Noise Control	Active Noise Cancellation (ENC)
Microphone Rotation	270°
