ASSEMBLY INSTRUCTIONS

The HIFIT Buffet Cabinet is designed for straightforward assembly. All necessary parts, instructions, and tools are included in the package. Follow the step-by-step instructions provided in the box for optimal results.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts list are present and undamaged.
2. **Identify Hardware:** Separate and identify all screws, dowels, and other hardware using the provided labels.
3. **Follow Illustrated Steps:** Refer to the detailed illustrations in the included instruction booklet. Each step is designed to be clear and easy to follow.
4. **Assemble Frame:** Begin by assembling the main frame of the cabinet, ensuring all connections are secure.
5. **Install Shelves:** Insert the adjustable shelves into the desired height positions. The shelves can be repositioned later if needed.

6. **Attach Drawers and Doors:** Install the three drawers and four cabinet doors. Ensure smooth operation and proper alignment.
7. **Secure Anti-Tipping Device:** For safety, attach the anti-tipping device to the cabinet and secure it to a wall according to the instructions.

Estimated assembly time: Approximately 30 minutes with clear instructions.

OPERATING AND USAGE

The HIFIT Buffet Cabinet is a versatile storage solution designed for various household needs. Its multi-purpose design allows it to function effectively in different rooms and for diverse storage requirements.

Key Features:

- **Spacious Tabletop:** Ideal for displaying decor, serving food, or holding small appliances like coffee machines.
- **Three Storage Drawers:** Perfect for organizing cutlery, small utensils, or other accessories.
- **Four Cabinet Doors with Adjustable Shelves:** Provides flexible storage for larger items such as wine bottles, seasoning cans, food, pots, and dishes. The shelves can be adjusted to accommodate items of varying heights.

ADJUSTABLE SHELF

Suitable for Different Height Storage Require

Image 3: The cabinet's three drawers are shown open, revealing organized storage for cutlery and other small items. The tabletop is also visible, highlighting its scratch-proof, easy-to-clean, and heat-resistant surface.

Image 4: The cabinet doors are open, displaying the adjustable shelves. Arrows indicate the upward and downward movement of the shelves, demonstrating their flexibility for storing various kitchenware like plates, bowls, and pots.

Recommended Uses:

- **Kitchen/Dining Room:** Functions as a buffet, sideboard, or cupboard for storing kitchen essentials and serving dishes.
- **Living Room:** Can be used as a coffee bar cabinet, accent cabinet, or TV stand.
- **Entryway/Hallway:** Serves as a console table for organizing entryway items.

Image 6: The HIFIT Buffet Cabinet used as an accent cabinet or TV stand in a living room, complementing the modern decor.

Image 7: The HIFIT Buffet Cabinet functioning as a console table in an entryway, providing storage and a surface for decorative items.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your HIFIT Buffet Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Heat Resistance:** While the desktop is heat-resistant, it is recommended to use coasters or trivets under hot items to provide additional protection.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Anti-Tipping Device:** Regularly inspect the anti-tipping device to confirm it is securely attached to both the cabinet and the wall.

TROUBLESHOOTING

If you encounter any issues with your HIFIT Buffet Cabinet, refer to the following common troubleshooting tips:

- **Wobbly Cabinet:**

- Ensure all screws and fasteners are tightened.
- Verify the cabinet is placed on a level surface. Adjust the feet if necessary.
- Confirm the anti-tipping device is properly installed and secured.

- **Drawers Not Sliding Smoothly:**

- Check if the drawer slides are correctly aligned and installed.
- Ensure no obstructions are in the drawer tracks.
- Lightly lubricate the slides with a silicone-based lubricant if needed.

- **Doors Not Closing Properly:**

- Inspect the hinges for proper installation and alignment. Adjust if necessary.
- Ensure the magnetic door catches are correctly positioned and functional.

- **Missing or Damaged Parts:**

- If you discover any missing or damaged parts upon unpacking, contact customer support immediately for assistance.
