4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow these steps carefully. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify all components against the package contents list.
2. **Attach Side Frames:** Connect the horizontal support bars to the pre-drilled holes on the side rocking frames using the provided screws and Allen wrench. Do not fully tighten screws yet.
3. **Install Seat and Backrest Slats:** Secure the bamboo seat and backrest slats to the assembled frame. Ensure they are properly aligned before proceeding.
4. **Attach Armrests:** Fasten the armrests to the top of the side frames.
5. **Final Tightening:** Once all components are loosely assembled, gently rock the chair to ensure it sits evenly. Then, systematically tighten all screws and bolts until secure. Do not overtighten.

5. OPERATING INSTRUCTIONS (USAGE)

The Matalde Rocking Chair is designed for relaxation and comfort. It can be used in various settings:

- **Indoor Use:** Place the rocking chair in your living room, bedroom, or sunroom for a comfortable seating option.
- **Outdoor Use:** The bamboo material is UV and weather resistant, making it suitable for use on patios, gardens, or balconies.
- **Relaxation:** Gently rock back and forth for a soothing experience. The included cushion provides enhanced comfort for extended periods of lounging.

Ensure the chair is placed on a stable, level surface before use to prevent accidental tipping.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your rocking chair:

- **Cleaning the Bamboo Frame:** Wipe the bamboo frame with a damp cloth and mild soap solution. Dry thoroughly with a clean cloth. Avoid abrasive cleaners or harsh chemicals.
- **Cushion Care:** The cushion is made of 100% polyester and is treated to be waterproof. For general cleaning, wipe with a damp cloth. For deeper cleaning, hand wash with mild soap and water, then air dry completely. Do not machine wash or tumble dry.
- **Weather Protection:** While the bamboo is UV and weather resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, direct intense sunlight) may affect its longevity. Consider covering the chair or storing it indoors during harsh weather.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
