## 1. PRODUCT OVERVIEW

---

The Komokeru Universal Pan Lid is a versatile kitchen accessory designed to fit various cookware sizes, ranging from 8.2 to 12.5 inches in diameter. Constructed from high-quality stainless steel with a transparent, heat-resistant glass insert, this lid allows for easy monitoring of cooking progress without lifting. It features a steam vent to prevent boil-overs and a heat-resistant knob for safe handling. Its compact design facilitates easy storage.

## 2. SETUP INSTRUCTIONS

The Komokeru Universal Pan Lid requires minimal assembly. The heat-resistant knob needs to be attached to the glass insert using the provided screw and washers.

1. Place the plastic washer on the screw.
2. Insert the screw through the hole in the center of the glass insert from the underside of the lid.
3. Place the rubber washer and then the steel washer onto the screw from the top side of the lid.
4. Align the knob with the screw and turn clockwise to tighten until secure. Do not overtighten.

Ensure all components are securely fastened before first use.

### 3. OPERATING INSTRUCTIONS

The universal design of this lid allows it to fit snugly on various pots and pans within its specified diameter range (8.2 to 12.5 inches). The tiered stainless steel rim ensures a good seal on different cookware sizes.

- **Monitoring Cooking:** The transparent glass insert allows you to observe your food as it cooks without lifting the lid, helping to maintain consistent cooking temperatures and reduce cooking time.
- **Steam Release:** The integrated steam vent prevents excessive pressure buildup and boil-overs, ensuring a cleaner cooking experience.
- **Safe Handling:** The heat-resistant knob remains cool to the touch during cooking, allowing for safe and easy removal of the lid without the need for oven mitts.

## 5. TROUBLESHOOTING

- **Lid wobbles or feels loose:** Ensure the knob is securely tightened. Periodically check the screw on the underside of the lid and tighten if necessary.
- **Steam not escaping properly:** Verify that the steam vent is clear of any food debris or blockages.
- **Lid does not fit:** Confirm that your cookware's diameter is within the specified range of 8.2 to 12.5 inches. Note that the lid is not suitable for cookware with high or raised handles that prevent a proper seal.
