

LIGE ASD-ST2-A

LIGE Smart Watch User Manual

Model: ASD-ST2-A

1. INTRODUCTION

Welcome to the user manual for your new LIGE Smart Watch. This guide provides comprehensive instructions on how to set up, operate, and maintain your device, ensuring you get the most out of its advanced features. Your LIGE Smart Watch is designed to enhance your daily life with smart notifications, health monitoring, and convenient communication capabilities.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- LIGE Smart Watch
- Charger Cable
- Link Remover (for metal strap adjustment)
- TPU Strap
- User Manual

3. GETTING STARTED

3.1. Charging Your Smart Watch

Before first use, fully charge your smartwatch. Use the provided magnetic charging cable. Align the magnetic pins of the cable with the charging contacts on the back of the watch. The watch screen will indicate charging status.

Charging input: 5.0V, 1A or below 1A.

3.2. App Installation and Pairing

To unlock the full potential of your LIGE Smart Watch, download and install the **FitCloudPro** application on your smartphone.

1. Scan the QR code in the manual or search for "FitCloudPro" in your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Install the application.
3. Ensure your phone's Bluetooth is enabled.
4. Open the FitCloudPro app, register an account if prompted, and follow the on-screen instructions to add your device. The app will guide you through the pairing process.
5. Confirm the pairing request on both your phone and the watch.

System Requirements: Compatible with Android 5.0 and above, and iOS 9.0 and above, with Bluetooth 4.0 support.

5. CARE AND MAINTENANCE

5.1. Waterproofing

Your LIGE Smart Watch has an IP67 waterproof rating. This means it is resistant to splashes, rain, and brief immersion in water. It can meet daily waterproof requirements.

Important: Do not soak the watch in water for a long time, use it in hot water, or during swimming/showering, as this may damage the device.

5.2. Cleaning

To keep your watch in optimal condition, wipe it regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

6. TROUBLESHOOTING

If you encounter any issues with your LIGE Smart Watch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger and wait a few minutes.
- **Cannot pair with phone:**
 - Ensure Bluetooth is enabled on your phone.
 - Make sure the watch is within the Bluetooth range of your phone.
 - Restart both your phone and the watch.
 - Check if the FitCloudPro app has necessary permissions enabled on your phone.
- **Notifications not received:**
 - Ensure the watch is successfully paired and connected to the app.
 - Check notification settings within the FitCloudPro app for specific applications.
 - Disable 'Do Not Disturb' mode on the watch if it's active.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch. Remember that data is for reference only.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and ensure background app usage is optimized on your phone.

If problems persist, please contact customer support for assistance.
