AMERLIFE TV Stand117A

AMERLIFE 70" Modern Fireplace TV Stand with 36" Electric Fireplace User Manual

Model: TV Stand117A

INTRODUCTION

Thank you for purchasing the AMERLIFE 70" Modern Fireplace TV Stand with a 36" Electric Fireplace. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before use and retain this manual for future reference.

The AMERLIFE 70" Modern Fireplace TV Stand with its integrated electric fireplace.

SAFETY INFORMATION

- **Always unplug the fireplace when not in use.**
- Keep flammable materials at least 3 feet away from the fireplace.
- Do not operate the fireplace if it appears damaged or if the automatic shut-off system fails to engage.
- Keep the fireplace out of reach of children and pets.
- Ensure proper ventilation around the unit.
- Do not overload the TV stand; maximum weight capacity is 250 lbs.

SETUP AND ASSEMBLY

The AMERLIFE TV Stand is designed for easy assembly. Follow the included instructions and hardware. Assembly

typically takes 1 person approximately 1 hour.

Key Assembly Features:

- **U-shaped bracket design:** Provides stable support for TVs up to 80 inches.
- **Adjustable shelves:** The two enclosed storage spaces feature adjustable shelves to accommodate various item heights.

Adjustable shelving within the storage compartments.

MAINTENANCE

To maintain the appearance and functionality of your AMERLIFE TV Stand and Electric Fireplace, follow these simple guidelines:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the high-gloss finish or fireplace components.
- **Dusting:** Regularly dust the unit to prevent buildup, especially around the fireplace vents.
- **Inspection:** Periodically check all connections and hardware to ensure they remain secure.

TROUBLESHOOTING

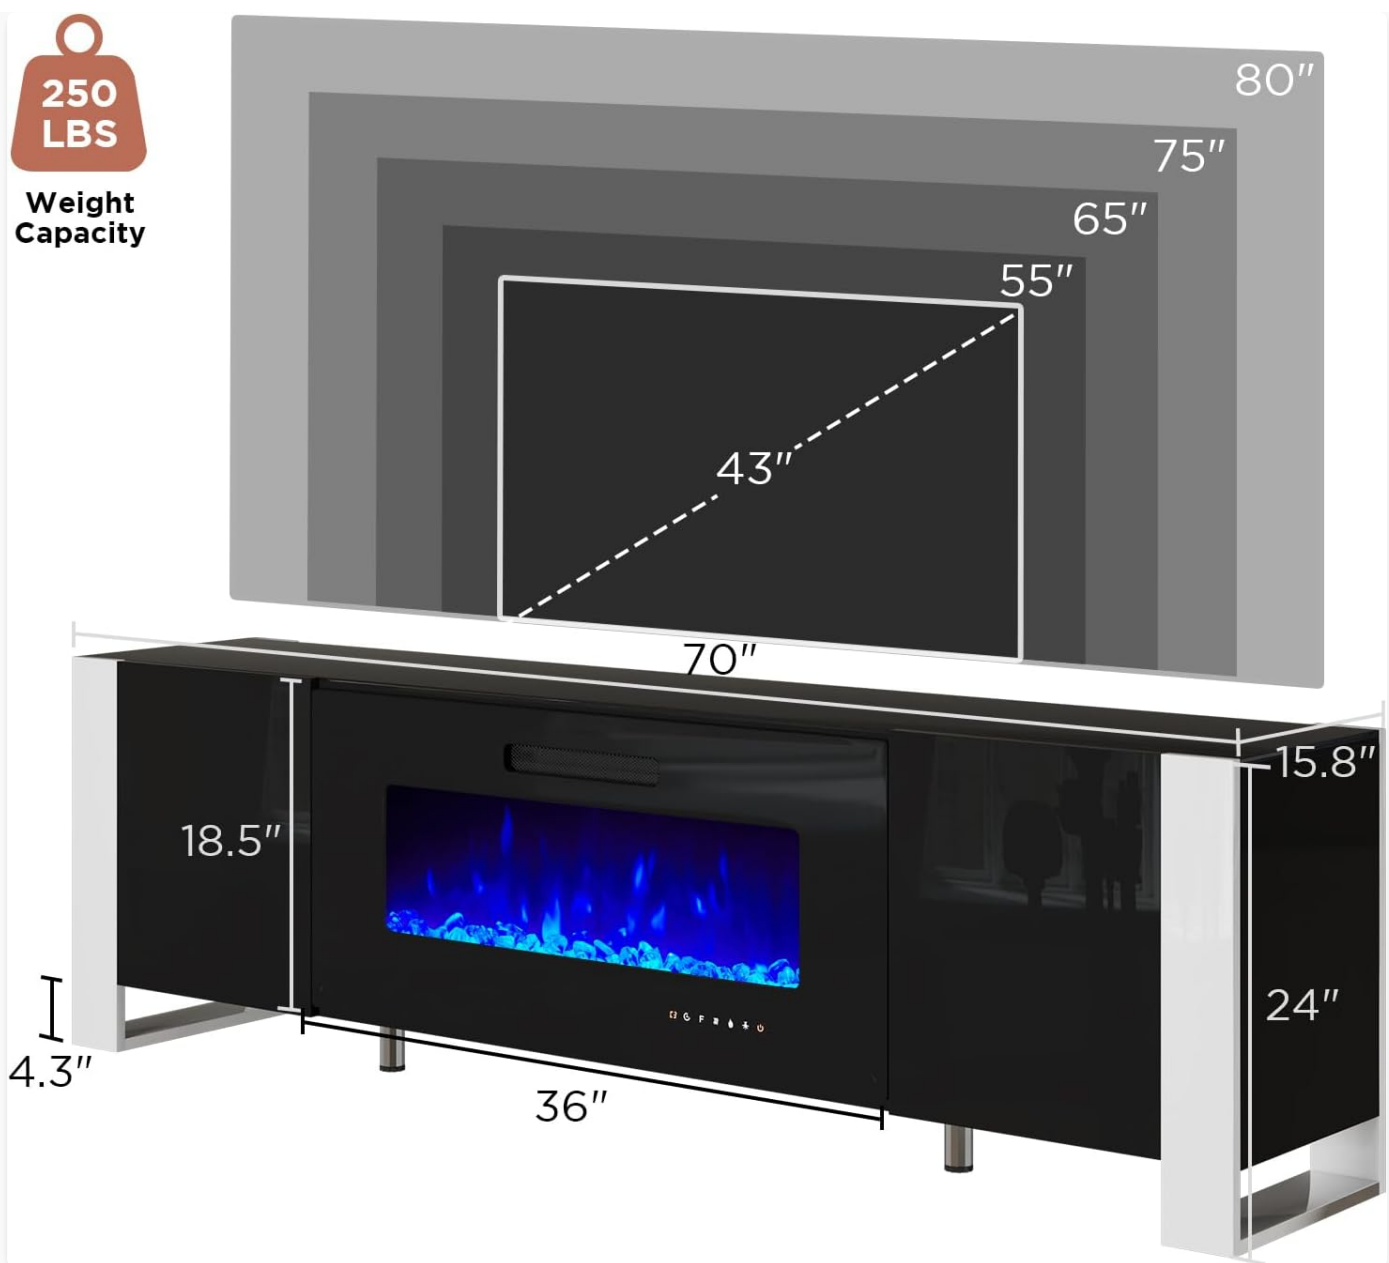

If you encounter any issues with your AMERLIFE Fireplace TV Stand, please refer to the following common solutions:

Problem	Possible Cause	Solution
Fireplace not turning on	Power cord unplugged, circuit breaker tripped, or unit is in overheat protection mode.	Ensure power cord is securely plugged in. Check your home's circuit breaker. If unit was recently in use, allow it to cool down before attempting to restart.
No heat output	Heat function is off, or temperature setting is too low.	Activate the heat function using the remote or touchscreen. Increase the temperature setting.
Flames not visible	Flame effect is off, or brightness is set to minimum.	Turn on the flame effect. Increase the flame brightness level.
Remote control not working	Dead batteries or obstruction between remote and unit.	Replace batteries in the remote. Ensure a clear line of sight to the fireplace's receiver.

For further assistance, please contact customer service.
