YAUKOMEL Rattan Nightstand Instruction Manual

Model: CTG59Y | Brand: YAUKOMEL

PRODUCT OVERVIEW

The YAUKOMEL Rattan Nightstand is a versatile and stylish furniture piece designed to enhance your living space. Featuring natural rattan drawer fronts and sturdy construction, it offers both aesthetic appeal and practical storage solutions. This manual provides essential information for assembly, usage, maintenance, and support.

Key Features:

- **Natural Rattan Style:** Handcrafted drawer door surface from natural rattan, offering a beautiful and practical design that promotes air circulation.
- **Large Storage Space:** Two spacious drawers and a wide desktop provide ample storage for various items, from books to coffee essentials.
- **Robust Structure:** Professionally tested for stability and firmness, featuring high-quality beech legs for long-lasting durability.
- **Easy Assembly:** Designed for straightforward assembly with clear instructions and included tools.

SETUP AND ASSEMBLY

Your YAUKOMEL Rattan Nightstand is designed for easy assembly. Please follow the detailed steps provided in the included instruction manual. It is recommended that two people assemble the unit for optimal ease and safety.

Included Components:

- 1 x Side-Table components
- 1 x Allen Key
- 1 x Instructions manual
- 1 x Accessory Kit (screws, fasteners, etc.)

Image: Product dimensions and a view of the drawer components, aiding in assembly.

Ensure all parts are present before beginning assembly. Use only the provided tools and accessories. Do not overtighten screws to prevent damage to the engineered wood components.

OPERATING AND USAGE

The YAUKOMEL Rattan Nightstand is designed for versatile use in various rooms, including bedrooms and living rooms. Its two drawers provide concealed storage, while the top surface is ideal for displaying decorative items,

lamps, or keeping frequently used items within reach.

Weight Capacity:

The maximum weight recommendation for this nightstand is 80 pounds (approximately 36 kg). Do not exceed this limit to ensure the stability and longevity of the product.

Drawer Operation:

The drawers are designed to slide smoothly. While they do not feature traditional metal tracks, they are built to function effectively. Exercise care when opening and closing drawers to prevent them from coming off their runners, especially when heavily loaded.

MAINTENANCE

To maintain the appearance and durability of your YAUKOMEL Rattan Nightstand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the engineered wood and rattan.
- **Stain Resistance:** The material is stain-resistant, making it easy to clean up spills. Address spills promptly to prevent potential long-term marks.
- **Sunlight Exposure:** While durable, prolonged direct sunlight exposure may cause slight fading over time. Position the nightstand away from direct, intense sunlight if possible.
- **Rattan Care:** The natural rattan can be gently dusted with a soft brush or cloth. Avoid excessive moisture.

TROUBLESHOOTING

If you encounter any issues with your nightstand, please refer to the following common solutions:

Problem: Drawers feel loose or come off runners.

Solution: Ensure the nightstand is placed on a level surface. Verify that all assembly screws for the drawer runners and the main frame are securely tightened. While the drawers do not have metal tracks, they are designed to fit snugly. If the issue persists, gently guide the drawer back onto its designated runners. Avoid pulling drawers out with excessive force.

Problem: Unit feels unstable or wobbly.

Solution: Check that all leg attachments and frame connections are tightened. Ensure the nightstand is on a flat, even floor. If necessary, use furniture pads or shims under the legs to stabilize the unit.

Problem: Difficulty during assembly.

Solution: Re-read the assembly instructions carefully, paying close attention to diagrams. Ensure you are using the correct screws for each step. If a screw feels difficult to insert, do not force it, as this can strip the wood. Sometimes, a slight adjustment in alignment can resolve the issue. Remember, two people are recommended for assembly.

SPECIFICATIONS

Attribute	Detail
Brand	YAUKOMEL
Model Number	End Table (CTG59Y)
Product Dimensions	11.8"D x 16"W x 22.9"H
Maximum Weight Recommendation	80 Pounds
Color	Rattan - Natural

Material Type	Engineered Wood
Frame Material Type	Engineered Wood
Top Material Type	Engineered Wood
Base Material	Beech
