## GAZHOME GAZHOME 50-inch TV Stand

# GAZHOME 50-inch TV Stand Instruction Manual

Model: GAZHOME 50-inch TV Stand (White)

## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your new GAZHOME 50-inch TV Stand. This unit is designed to accommodate televisions up to 55 inches and features a rustic farmhouse style with a classic wood grain top and X-shaped metal frame. It includes open storage with a two-tier shelf for media devices and accessories. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and longevity of your product.

## 2. SAFETY INFORMATION

**WARNING:** To prevent injury or damage, please observe the following safety guidelines:

- Exercise caution around sharp edges during handling and assembly.
- Ensure all components are properly assembled and tightened to prevent tip-over risks.
- Do not exceed the maximum weight capacity of **300 lbs (136 kg)** on the tabletop.
- Keep small parts away from children during assembly to avoid choking hazards.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. All necessary components and hardware for assembly are included in the package. If any parts are missing or damaged, please contact GAZHOME customer support.

**Image 3.1:** Front view of the assembled GAZHOME TV Stand, showcasing its open storage shelves and the X-shaped metal frame.

#### **4. ASSEMBLY INSTRUCTIONS**

---

The GAZHOME TV Stand is designed for straightforward assembly, typically completed in approximately 7 steps. While detailed instructions are not provided in this manual, a comprehensive guide is included with your product. It is recommended to follow the step-by-step instructions provided in the product packaging. Assembly can generally be completed by one person within 30-45 minutes.

Ensure all screws are securely fastened, but avoid over-tightening to prevent damage to the wood material.

# PRODUCT SPECIFICATIONS

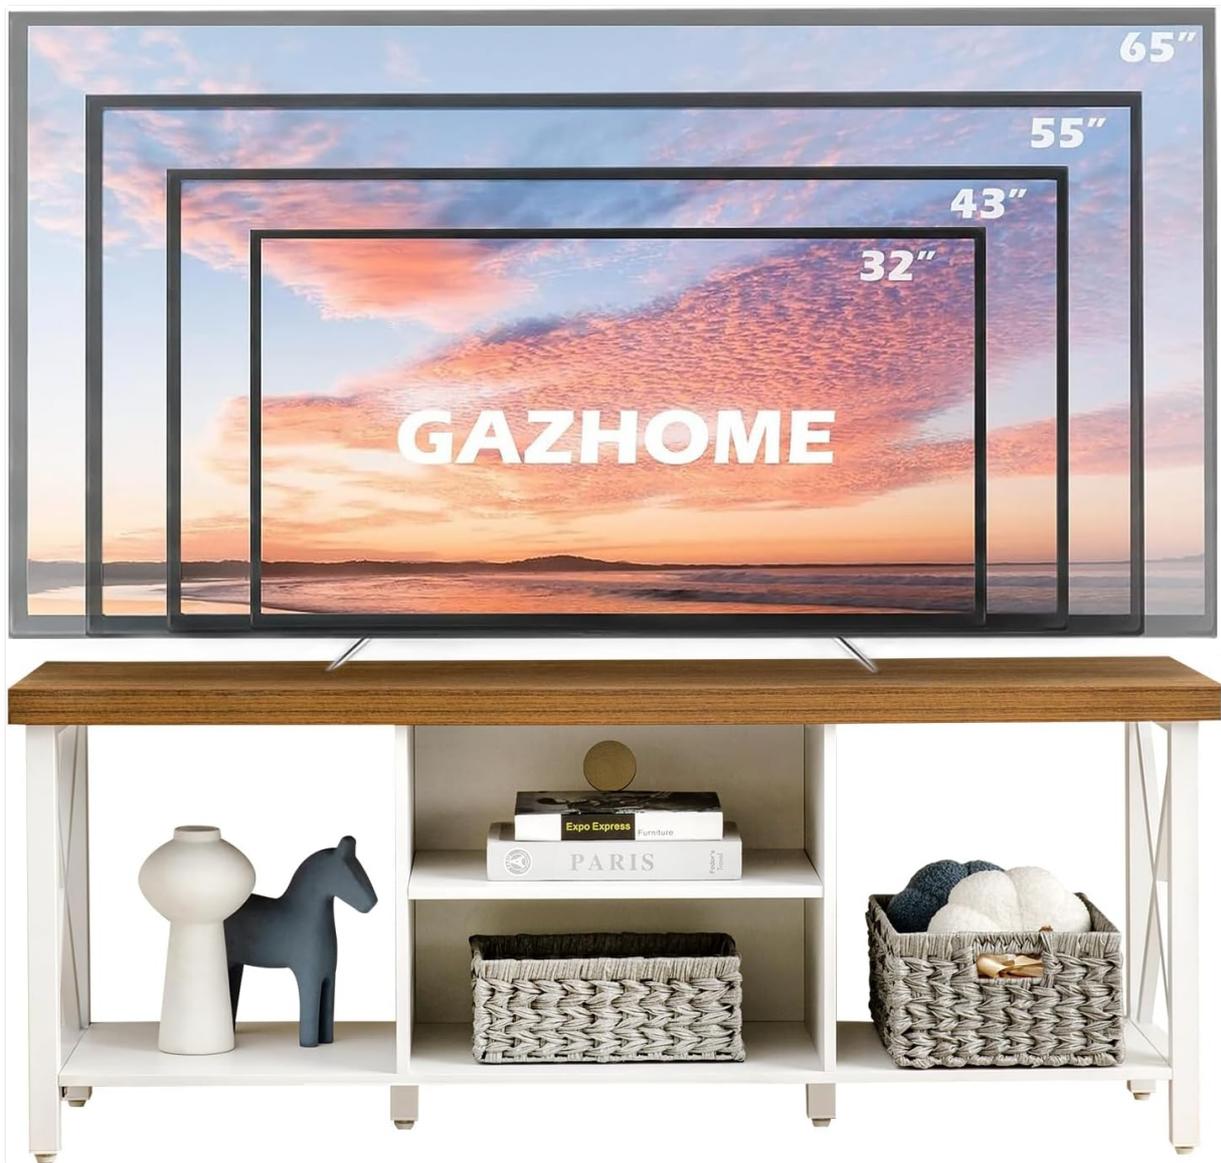

Weight Capacity of Tabletop:500 LBS

**Image 4.1:** Product specifications diagram, illustrating the overall dimensions of the TV stand and indicating a tabletop weight capacity of 500 lbs as shown in the diagram.

## 5. OPERATING INSTRUCTIONS

Once assembled, place your television securely on the top surface of the stand. This unit is suitable for TVs up to 55 inches. Utilize the two-tier open shelving for organized storage of media players, gaming consoles, remote controls, and other entertainment accessories. The adjustable shelves provide flexibility for various item sizes.

**Image 5.1:** Visual representation demonstrating the compatibility of the TV stand with various television sizes, up to 55 inches.

# Adjustable Shelves

3 gears for you to adjust

**Image 5.2:** Detail of the adjustable shelves, highlighting the three available height settings for customized storage.

## 6. MAINTENANCE

To maintain the appearance and longevity of your TV stand:

- Wipe surfaces with a damp cloth for general cleaning.
- Follow with a dry cloth to remove any moisture and prevent water spots.
- Avoid using harsh chemicals or abrasive cleaners, which may damage the finish.

**Image 6.1:** Detailed view of the wood grain finish, illustrating the texture and color of the tabletop.

## 7. TROUBLESHOOTING

If you encounter any issues during assembly or use, please consider the following:

- **Missing or Damaged Parts:** Refer to the package contents section and contact customer support if any items are missing or damaged upon arrival.
- **Assembly Difficulties:** Double-check the included assembly instructions. Ensure all parts are oriented correctly and screws are aligned with pre-drilled holes. Do not force components together.
- **Stability Issues:** Verify that all fasteners are tightened. Ensure the stand is placed on a level surface.
