2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- The product does not contain hazardous materials beyond legal limits.
- Assembly must be performed correctly by a competent person, following the provided instructions.
- If required, secure the furniture to a wall capable of supporting its weight. Wall plugs are not included.
- Keep plastic bags and small components away from children to prevent choking or ingestion hazards.
- Distribute weight evenly within the furniture and do not exceed the indicated load limit.
- Avoid direct contact with liquids and/or heat sources. Place the desk in a cool, dry environment.
- Do not use the desk for purposes other than its intended design.

3. SETUP AND ASSEMBLY

Assembly of the Composad DISEGNO desk is required. All necessary tools for assembly are included in the package. Due to the desk's weight (approximately 58 kg), it is recommended to have two people for assembly and handling.

3.1 Unpacking

Carefully unpack all components from the packaging. Verify that all parts listed in the included assembly guide are present and undamaged. Keep packaging materials for disposal according to local regulations.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your Composad DISEGNO desk.

- **Cleaning:** Clean the desk surface and legs with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent moisture damage.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks and protective pads for electronics that generate heat.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.
