PRODUCT FEATURES

- **Quality Material:** The chairs feature high-quality textilene mesh material for breathability and comfort, especially in warm weather. This material is also easy to clean.

- **Sturdy and Durable Frame:** Constructed with a powder-coated alloy steel frame, ensuring strength, durability, and resistance to deformation and rainwater erosion for long service life.
- **Comfort-Oriented Design:** Curved backrests are designed to follow the natural curve of the spine, providing enhanced comfort. Curved armrests offer additional relaxation.
- **Tempered Glass Tabletop:** The coffee table features a sleek, modern tempered glass top that is embedded for safety and stability.
- **Easy to Move:** The curved back design of the chairs allows for convenient lifting and repositioning without scratching surfaces.
- **Non-slip Feet:** Equipped with non-slip feet to protect your floors and ensure stability.

SETUP AND ASSEMBLY

Assembly is required for this patio furniture set. For detailed step-by-step instructions, please refer to the official Installation Manual PDF provided by PAIQIAN. A link to this manual is typically available on the product's purchase page or can be requested from customer service.

Ensure all components are present before beginning assembly. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches. Two people may be required for certain assembly steps.

General Assembly Tips:

- Identify all parts and hardware using the provided parts list.
- Do not fully tighten screws until all components are loosely assembled.
- Ensure all connections are secure before use.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your PAIQIAN Patio Furniture Set, follow these simple maintenance guidelines:

- **Cleaning:** The mesh material and glass tabletop are easy to clean. Simply wipe down with a damp or dry cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The powder-coated steel frame is designed to resist rust and corrosion. Periodically inspect the frame for any signs of wear or damage. Clean the frame with a damp cloth and dry thoroughly.
- **Storage:** During prolonged periods of non-use or harsh weather conditions (e.g., heavy rain, snow, extreme heat), it is recommended to cover the furniture or store it indoors to protect it from the elements.
- **Glass Tabletop:** While tempered glass is durable, avoid placing extremely hot items directly on the surface without protection. Clean glass with a glass cleaner for streak-free shine.

TROUBLESHOOTING

Most issues with your patio furniture set can be resolved with simple adjustments. If you encounter any problems, please refer to the following common solutions:

- **Wobbly Chairs/Table:** Ensure all screws and bolts are securely tightened. Over time, connections may loosen and require re-tightening.
- **Uneven Seating:** Check the placement of the furniture on a flat, stable surface. The non-slip feet are designed to provide stability, but uneven ground can still cause wobbling.
- **Stains on Mesh:** For general stains, use a mild soap and water solution with a soft brush, then rinse thoroughly and allow to air dry.
- **Scratches on Glass:** Minor scratches on the tempered glass tabletop are typically cosmetic. Avoid dragging rough objects across the surface.

If you experience issues not covered here or require further assistance, please contact PAIQIAN customer service.
