## 4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Schleich Horse Club Rider Playset, follow these simple care instructions:

- **Cleaning:** Wipe figurines and accessories with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the paint and material.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation.
- **Handling:** While durable, avoid excessive force when bending poseable parts or attaching accessories to prevent breakage.

## 5. TROUBLESHOOTING

This section addresses common questions or minor issues you might encounter with your playset.

Issue	Solution
Rider figure does not sit securely on the horse.	Ensure the rider's legs are bent correctly to fit into the saddle stirrups and around the horse's body. Adjust the saddle if necessary.
Bridle or saddle seems too tight/loose.	The accessories are made from flexible material. Gently stretch or adjust them to fit the horse. Avoid excessive force.

Issue	Solution
Small parts (e.g., bracelets) are missing.	Check all packaging thoroughly. If parts are genuinely missing upon purchase, contact customer support.
