## YESHOMY YH-P93-8

# YESHOMY Storage Chest Instruction Manual

Model: YH-P93-8

## INTRODUCTION

---

Thank you for choosing the YESHOMY Storage Chest, Model YH-P93-8. This 82-gallon resin storage chest is designed for versatile use, offering ample storage capacity and serving as an additional seating option. Constructed from durable resin material, it provides water resistance and corrosion resistance for long-lasting performance. This manual provides essential information for assembly, operation, maintenance, and safety to ensure proper use of your storage chest.

## SAFETY INFORMATION

- **Weight Capacity:** The storage chest is designed to support a maximum weight of 450 lbs, suitable for 2-3 adults when used as a bench. Do not exceed this weight limit.
- **Lid Safety:** The lid is equipped with hydraulic support to prevent it from slamming shut, protecting hands from being caught. Always ensure the hydraulic mechanism is functioning correctly.
- **Locking Mechanism:** The chest features lockable holes for added security. If using a lock (not included), ensure it is properly secured to prevent unauthorized access.
- **Placement:** Place the storage chest on a flat, stable surface to prevent tipping.
- **Children Safety:** Keep children supervised around the chest, especially when opening and closing the lid, despite the hydraulic support. Do not allow children to play inside the chest.

## PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. The package should contain:

- Storage Chest Components (panels, lid, base)
- Assembly Hardware (screws, brackets, hydraulic arms)
- Assembly Manual

## SETUP (ASSEMBLY INSTRUCTIONS)

The YESHOMY Storage Chest is designed for straightforward assembly. Detailed, step-by-step instructions are provided in the separate assembly manual included with your product. Please follow these instructions carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the assembly manual to identify each component.
3. **Follow Step-by-Step Guide:** Assemble the chest according to the numbered steps in the provided assembly manual. Ensure all connections are secure.
4. **Install Hydraulic Brackets:** Attach the hydraulic brackets as instructed to ensure the lid opens and closes smoothly and safely.

*Note: Some pressure may be required to snap components into place during assembly. If you encounter any difficulties, refer to the troubleshooting section or contact customer support.*

## OPERATING INSTRUCTIONS

---

The YESHOMY Storage Chest offers versatile functionality for various storage needs and can also serve as a seating option.

- **Storage:** Utilize the 82-gallon interior capacity to store a variety of items such as tools, garden supplies, cushions, toys, or household goods. The lid protects contents from dust and moisture.
- **Seating:** The robust design allows the chest to be used as an extra seat or bench. Ensure the lid is fully closed before sitting on it.
- **Portability:** The chest features integrated handrail recesses, making it easier to move when empty or lightly loaded.
- **Security:** For enhanced security, a padlock (not included) can be attached through the designated lockable holes on the lid.

*Image: The storage chest with its lid open, showcasing its large capacity for storing items like toys and cushions.*

## MAINTENANCE

To ensure the longevity and appearance of your YESHOMY Storage Chest, follow these simple maintenance guidelines:

- **Cleaning:** The resin material is waterproof and easy to wipe clean. Use a soft cloth with mild soap and water to clean the exterior. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all connections and hardware, especially the hydraulic brackets, to ensure they remain tight and secure.
- **Storage:** While the chest is water-resistant, for prolonged outdoor use in harsh weather, consider placing it under a covered area to maximize its lifespan.

**MAXIMUM WITHSTAND 450LBS  
( 2-3 PEOPLE )**

**USE AS  
A TABLE**

**GROOVED  
EASY TO MOVE**

**WATERPROOF  
EASY TO WIPE**

**LOCKING HOLE  
SAFE AND RELIABLE**

## TROUBLESHOOTING

If you encounter any issues with your YESHOMY Storage Chest, please refer to the following common solutions:

- **Lid Not Closing Properly:** Check for any obstructions around the hinges or inside the chest. Ensure the hydraulic arms are correctly installed and not damaged.
- **Difficulty During Assembly:** Re-read the assembly manual carefully. Ensure all parts are oriented correctly. Some components may require firm pressure to snap into place. Do not force parts if they do not align.
- **Chest Appears Unstable:** Verify that the chest is placed on a level surface. Check that all screws and connections are tightened securely.
- **Scratches or Minor Damage:** For minor surface scratches, a resin repair kit or appropriate plastic polish may be used (not included).

If these steps do not resolve the issue, please contact YESHOMY customer support for further assistance.
