## 2. SAFETY INFORMATION

Adhering to these safety guidelines is crucial for preventing accidents and ensuring the safe operation of your wardrobe.

- **Tip-Over Risk:** This wardrobe may pose a tip-over risk if not assembled and secured properly. Always follow the assembly instructions, including any steps for securing the unit to a wall.
- **Weight Capacity:** Do not overload shelves, the hanging rail, or drawers. Exceeding stated weight capacities can lead to structural damage or collapse.
- **Measurement:** Measure your space carefully before installation to ensure adequate clearance and stability.
- **Assembly:** Always follow the provided assembly instructions step-by-step. Do not skip steps or use unauthorized parts.
- **Children Safety:** Keep children away from the wardrobe during assembly. Do not allow children to climb on or play with the wardrobe.

## 5. SETUP AND ASSEMBLY

The Quarte Modern 4-Door Wardrobe is provided in a flat-pack format and requires user assembly. While designed for easy assembly, careful attention to the instructions is necessary.

## Assembly Instructions

- 1. Unpack and Verify:** Carefully unpack all components from the packaging. Compare the received parts against the included parts list in your separate assembly manual to ensure all pieces are present.
- 2. Tools Required:** Gather all necessary tools as specified in the assembly guide (e.g., screwdriver, hammer).
- 3. Follow Manual:** Refer to the dedicated step-by-step assembly manual provided with your product. Follow each instruction precisely.
- 4. Safety First:** Pay close attention to all safety warnings, especially regarding the proper installation of anti-tip hardware to prevent tip-over accidents.

5. **Secure Fasteners:** Ensure all screws, bolts, and other fasteners are securely tightened. Do not overtighten, as this can damage the material.
6. **Level Surface:** Assemble the wardrobe on a clean, flat, and stable surface to prevent damage and ensure proper alignment.

If you encounter any issues during assembly or find missing parts, please refer to the customer support section for assistance.

## 6. OPERATING INSTRUCTIONS

---

Instructions for using the various features of your Quarte Modern 4-Door Wardrobe.

### Doors

The wardrobe features four hinged doors. To open, gently pull the black handles. To close, push the doors firmly until they are securely shut. Ensure no items are obstructing the door's path to prevent damage.

### Drawers

The wardrobe includes a lockable drawer. To open, pull the handle. To close, push the drawer back until it is fully seated within its runners. The top drawer can be locked for securing confidential or valuable items. Insert the key into the lock and turn clockwise to secure, or counter-clockwise to unlock.

### Shelves

The internal shelves provide ample space for folded clothing, accessories, or other items. Distribute weight evenly across the shelves and do not exceed the maximum weight capacity of 25 lbs per shelf.

### Hanging Rail

The central hanging rail is designed for garments on hangers. Ensure clothes are evenly distributed and do not exceed the maximum weight capacity of 45 lbs on the hanging rail.

## 7. MAINTENANCE

Proper care and maintenance will help preserve the appearance and functionality of your wardrobe.

- **Cleaning:** Wipe all surfaces with a soft, damp cloth. For stubborn marks, use a mild soap solution and immediately dry with a clean cloth. Avoid abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Dusting:** Regularly dust the wardrobe with a soft, dry cloth to prevent dust buildup.
- **Hardware Inspection:** Periodically check all screws, bolts, and other fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Spills:** Clean any spills immediately to prevent staining or moisture damage to the engineered wood.
- **Environmental Conditions:** Avoid placing the wardrobe in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable room temperature and humidity.

## 8. TROUBLESHOOTING

This section addresses common issues you might encounter with your wardrobe.

- **Doors not closing properly:**

- Check hinges for proper alignment. Adjust if necessary according to assembly instructions.
- Ensure no items inside the wardrobe are obstructing the door's path.
- Verify the wardrobe is on a level surface.

- **Drawers sticking or not sliding smoothly:**

- Ensure the drawer runners are clean and free of debris.
- Check if the drawer is overloaded; redistribute contents if needed.
- Verify that the drawer was assembled correctly and is aligned with its runners.

- **Wardrobe wobbles or feels unstable:**

- Verify that the wardrobe is placed on a level surface. Use shims if necessary.
- Re-check all assembly connections and tighten any loose screws or fasteners.
- Ensure anti-tip hardware (if included and installed) is properly secured to the wall.

- **Missing parts during assembly:**

- Carefully re-check all packaging materials.
- Contact customer support immediately with your product model number and a detailed description of the missing part.
