Black Shark BS-T2-Grey

Black Shark Wireless Gaming Earbuds User Manual

Model: BS-T2-Grey

1. Introduction

This user manual provides comprehensive instructions for the Black Shark Wireless Gaming Earbuds, model BS-T2-Grey. Designed for an immersive audio experience, these earbuds feature ultra-low latency, high-fidelity stereo sound, and a comfortable fit, making them ideal for gaming, music, and calls. Please read this manual carefully before using the product to ensure proper operation and maintenance.

2. Package Contents

Verify that all items listed below are present in your package:

- Black Shark Wireless Gaming Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- Multiple Sizes of Ear Tips (S, M, L)
- User Manual

3. Product Overview

Familiarize yourself with the main components of your Black Shark Wireless Gaming Earbuds and charging case.

Image: The Black Shark Wireless Gaming Earbuds resting inside their open charging case, displaying illuminated green LED indicators on both the earbuds and the case.

Earbud Features:

- **Touch Control Area:** For managing playback, calls, and modes.
- **LED Indicator:** Shows connection status and battery level.
- **Microphone:** Built-in for clear voice communication.
- **Charging Contacts:** For charging when placed in the case.

- **Ear Tip:** Ensures a secure and comfortable fit.

Charging Case Features:

- **Charging Port (USB-C):** For recharging the case.
- **Battery Indicator LEDs:** Displays the charging status and battery level of the case.
- **Earbud Charging Slots:** Holds and charges the earbuds.

4. Setup

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. Connect the USB-C charging cable to the charging port on the case and the other end to a power source (e.g., USB wall adapter, computer USB port).
3. The LED indicators on the case will illuminate to show charging status. A full charge typically takes about 1.5 hours for the case.
4. The earbuds will charge automatically when placed in the case. They offer up to 5 hours of playtime on a single charge, with the case providing an additional 15 hours, totaling up to 20 hours of battery life.

4.2 Bluetooth Pairing

Pair your Black Shark Earbuds with your device (smartphone, laptop, etc.) via Bluetooth.

1. **First-time Pairing:** Open the charging case. The earbuds will automatically enter pairing mode, and their LED indicators will flash.
2. On your device, enable Bluetooth and search for available devices.

3. Select "Black Shark BS-T2-Grey" from the list of found devices.
4. Once connected, the earbud LEDs will stop flashing and remain solid or turn off, indicating successful pairing.
5. **Reconnection:** After initial pairing, the earbuds will automatically connect to the last paired device when taken out of the case and Bluetooth is enabled on the device.

5. Operating the Earbuds

5.1 Power On/Off

- **Power On:** Open the charging case, or take the earbuds out of the case. They will power on automatically.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will power off automatically.

5.2 Touch Controls

The Black Shark Earbuds feature intuitive touch controls on each earbud. The specific functions may vary slightly depending on the mode (Gaming or Music).

Action	Function
Single Tap (Left/Right)	Play/Pause Music, Answer/End Call
Double Tap (Left)	Previous Track
Double Tap (Right)	Next Track
Triple Tap (Left/Right)	Activate Voice Assistant
Long Press (2 seconds)	Reject Call
Long Press (Right Earbud, 2 seconds)	Toggle Gaming/Music Mode

5.3 Gaming Mode (45ms Ultra-low Latency)

Activate Gaming Mode for a synchronized audio experience during gameplay. This mode reduces audio latency to 45ms, ensuring sound effects are delivered with minimal delay.

- To activate Gaming Mode, long press the Right Earbud for 2 seconds. You will hear an audio prompt indicating the mode change.
- To switch back to Music Mode, long press the Right Earbud for 2 seconds again.

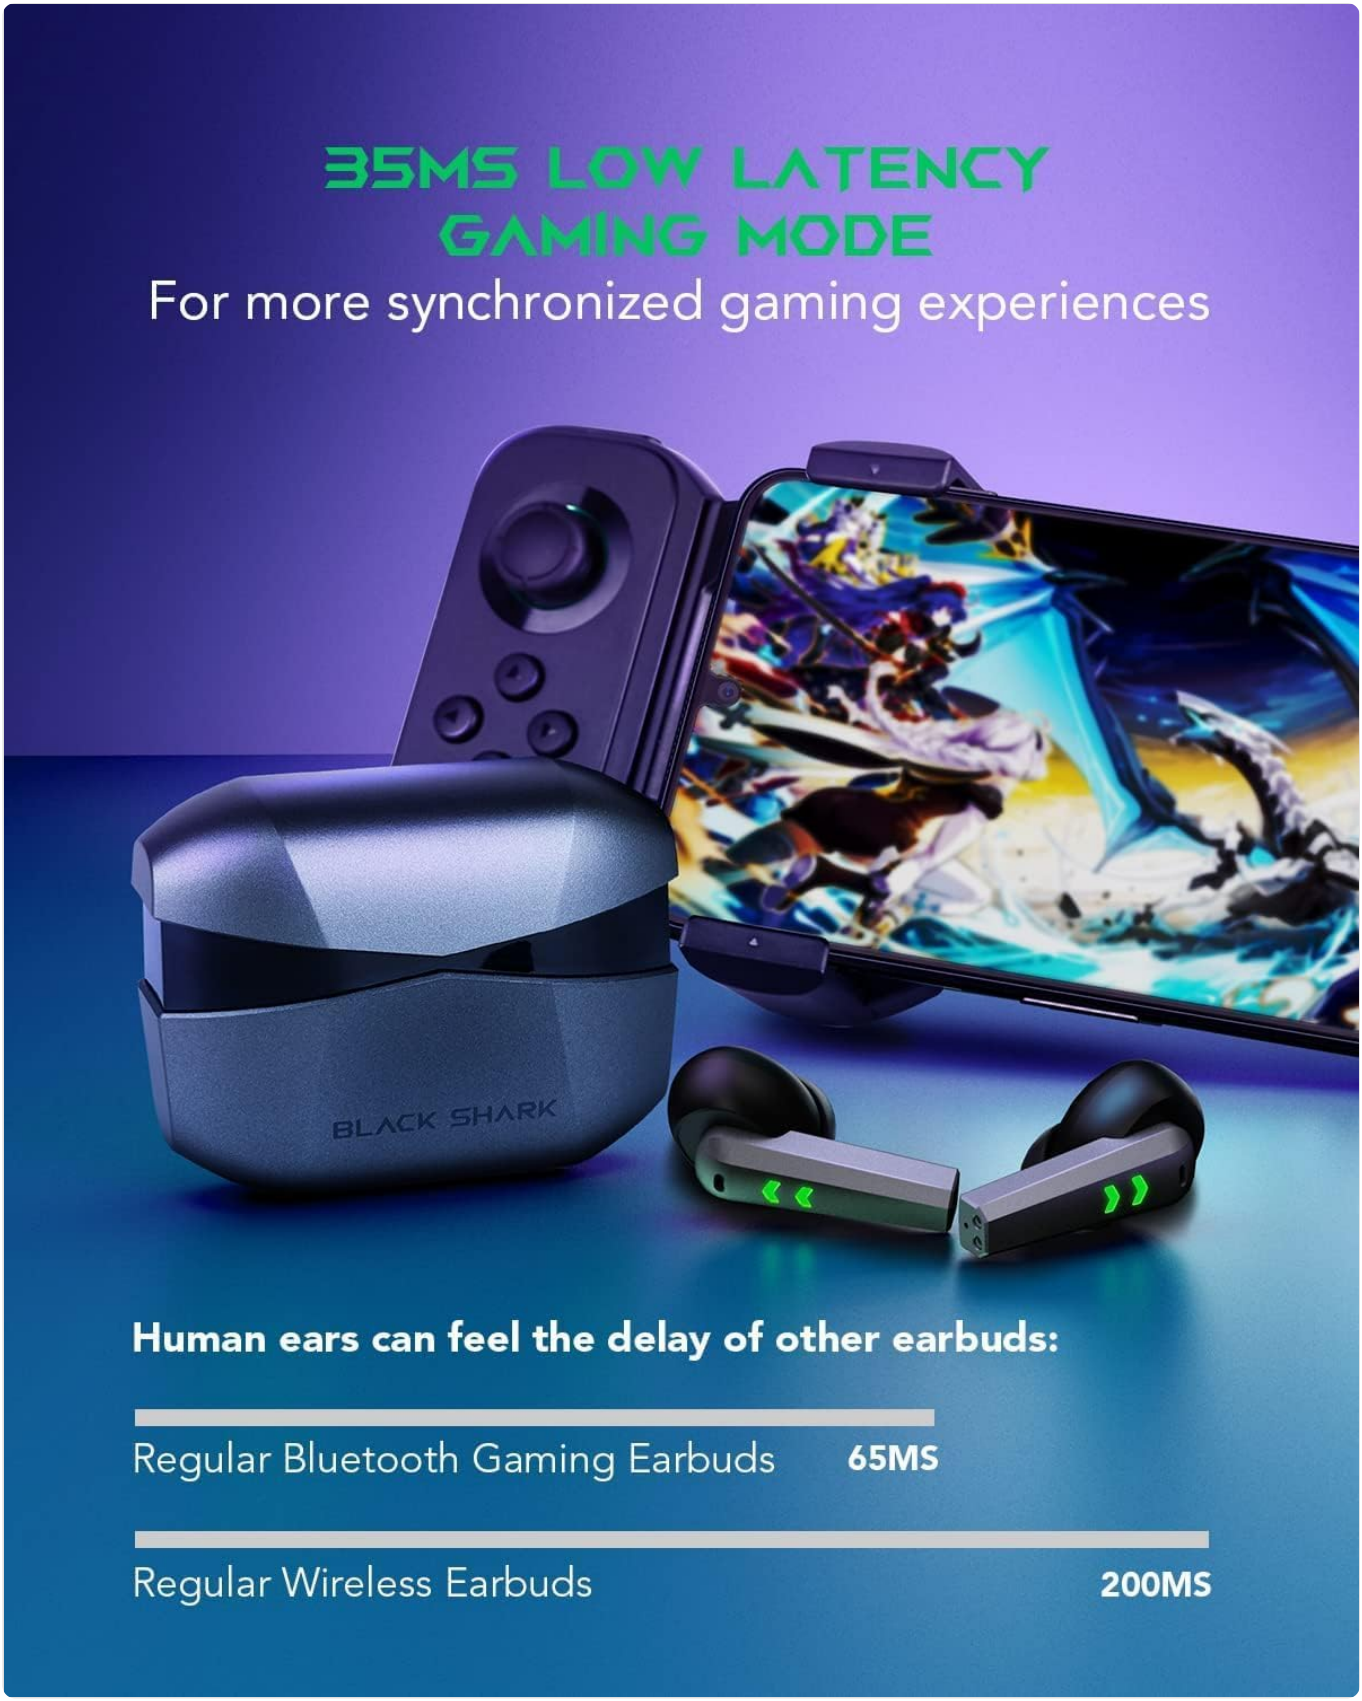

Image: The Black Shark Earbuds positioned next to a smartphone and game controller, visually representing the 35ms ultra-low latency feature for gaming, with a comparison chart showing lower latency than regular Bluetooth gaming earbuds and wireless earbuds.

5.4 Wearing the Earbuds

For optimal sound quality and comfort, ensure the earbuds are properly seated in your ears. Experiment with the different ear tip sizes to find the best fit.

- Gently insert each earbud into your ear canal.
- Rotate the earbud slightly until it feels secure and comfortable.

- The earbud should form a gentle seal to provide effective sound isolation and bass response.

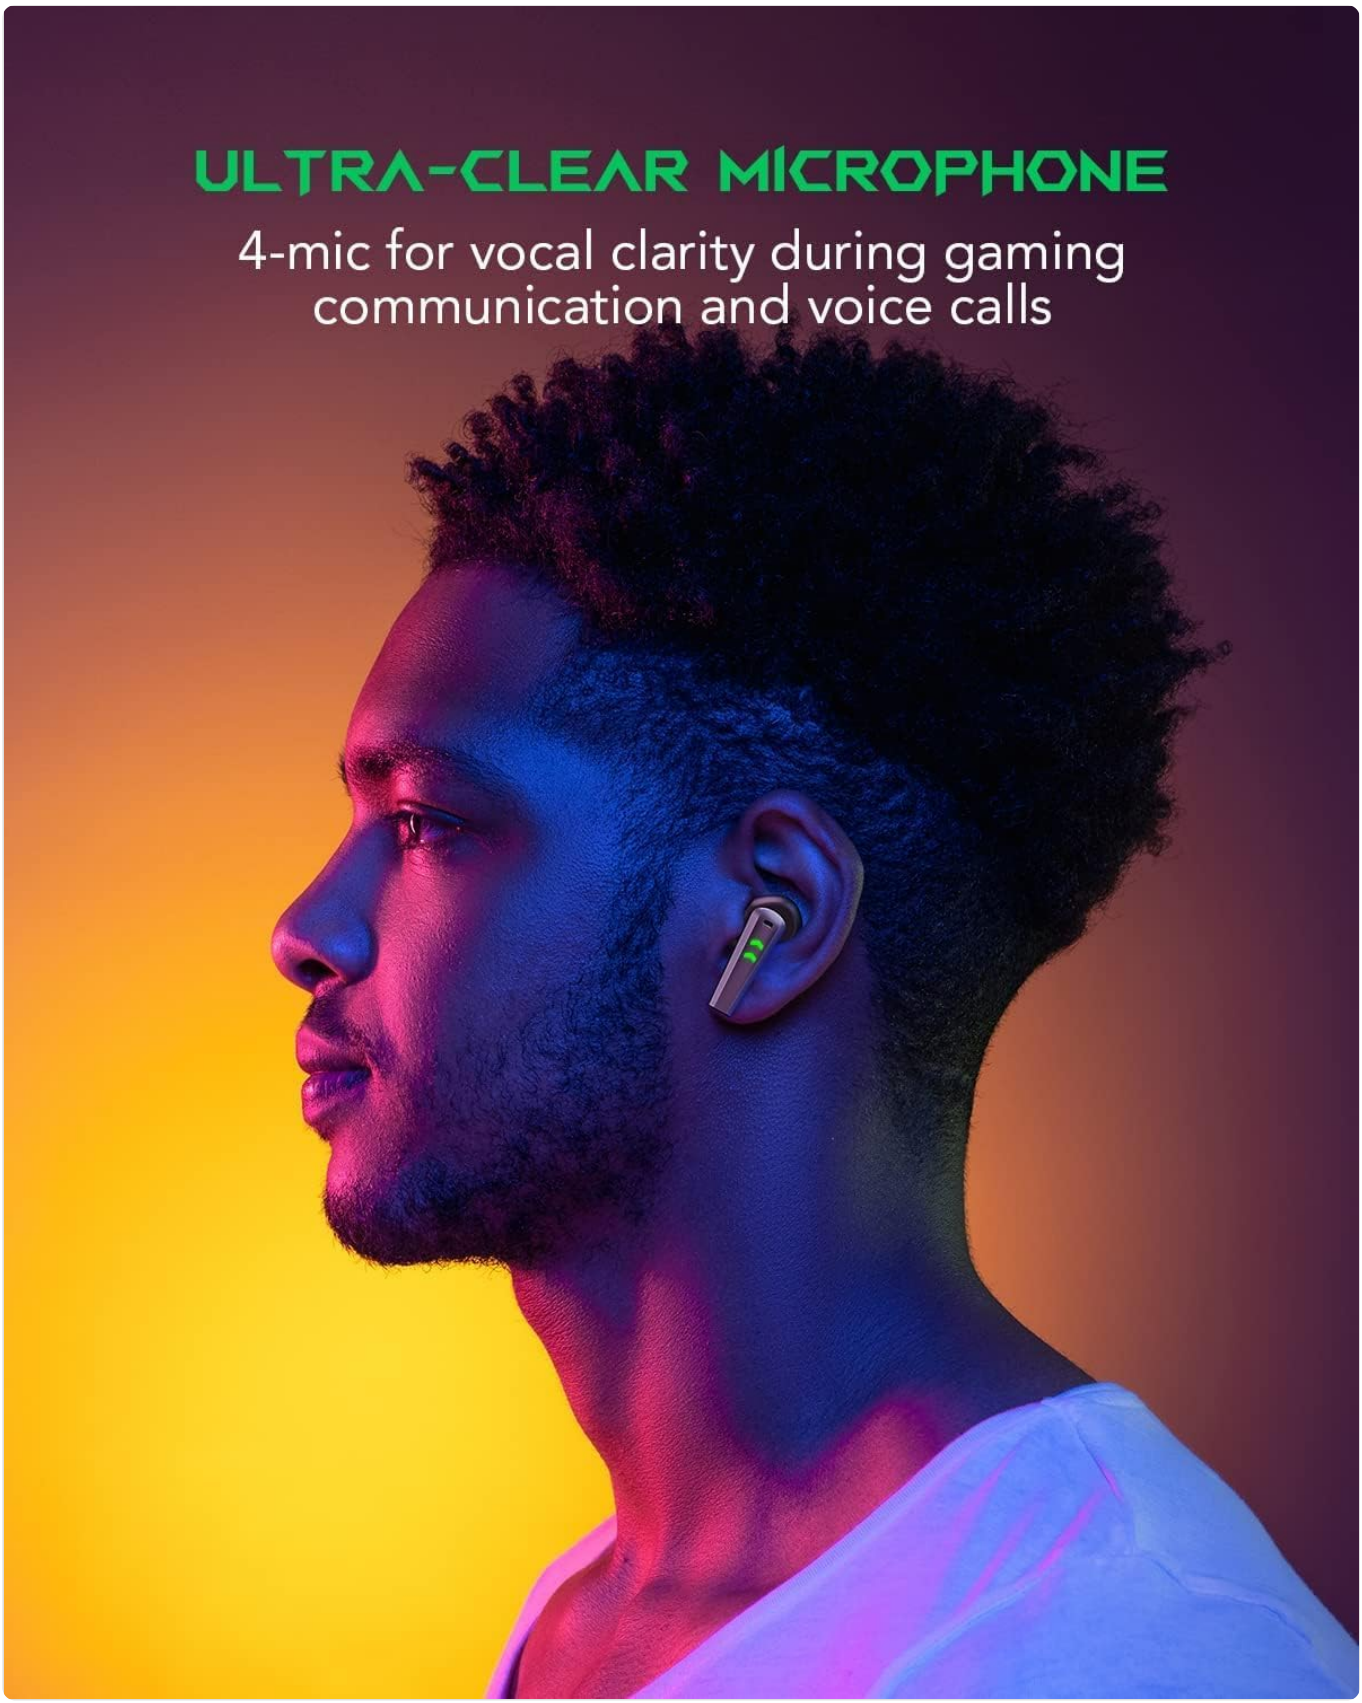

Image: A person wearing a Black Shark Earbud, emphasizing the ultra-clear microphone feature for vocal clarity during communication.

6. Maintenance

6.1 Cleaning

- Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Remove ear tips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

6.2 Storage

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store the case and earbuds in a cool, dry place, away from extreme temperatures and direct sunlight.

6.3 Water Resistance (IPX5)

The Black Shark Earbuds have an IPX5 water resistance rating, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and light rain, but they are not designed for submersion in water.

- Do not intentionally submerge the earbuds in water.
- If the earbuds get wet, wipe them dry thoroughly before placing them back in the charging case to prevent damage to the charging contacts.

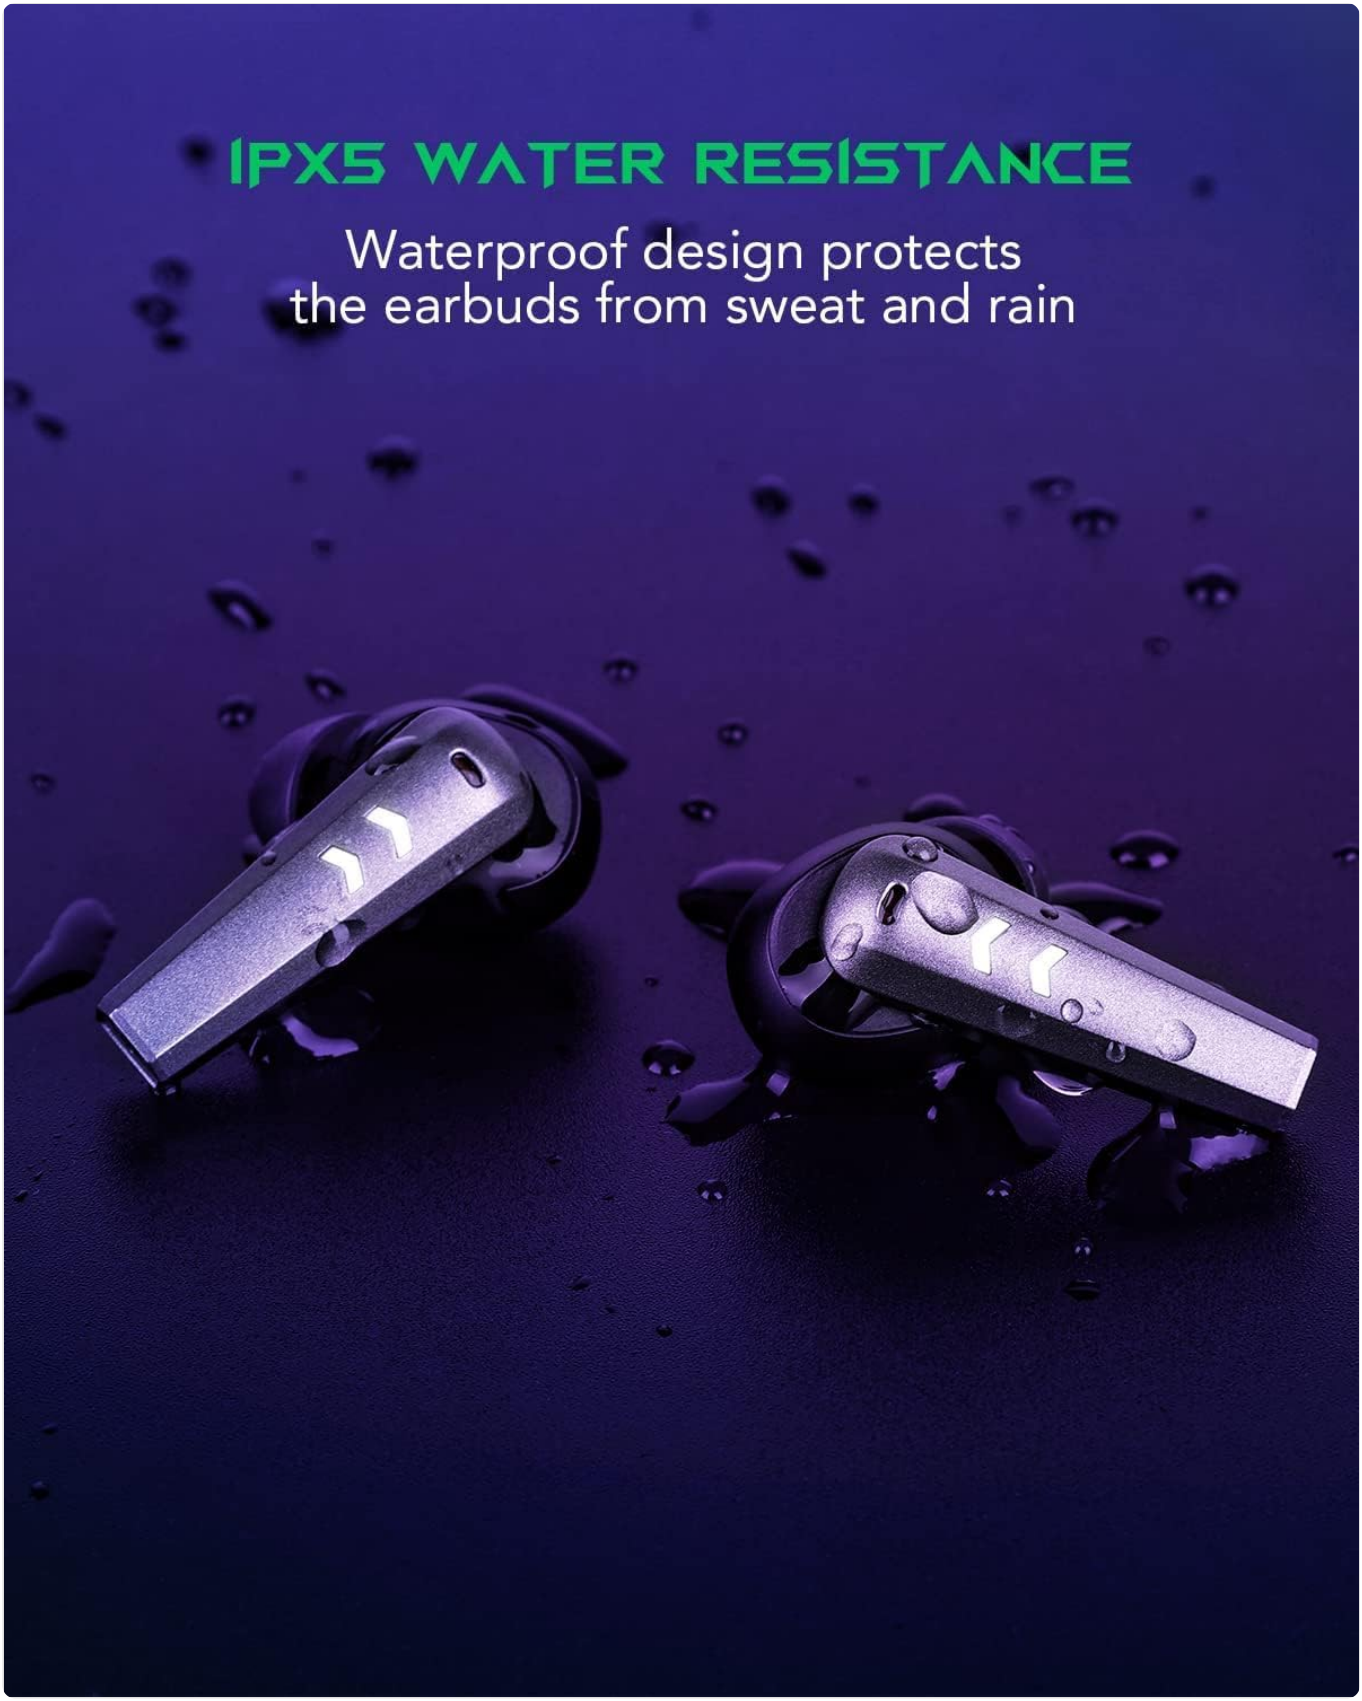

Image: Two Black Shark Earbuds with water droplets on their surface, demonstrating their IPX5 water resistance, which protects them from sweat and rain.

7. Troubleshooting

If you encounter any issues with your Black Shark Wireless Gaming Earbuds, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing/connecting	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in your Bluetooth settings and re-pair. Place earbuds back in case, close lid, then reopen to reset pairing mode.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back in the case, close the lid, wait a few seconds, then open the lid and take them out together. Re-pair if necessary.
Low volume or poor sound quality	Adjust volume on your device and earbuds. Ensure ear tips are clean and properly sealed in your ear. Try different ear tip sizes.
Charging case not charging	Check USB-C cable and power adapter. Ensure the charging port is clean and free of debris.
Microphone not working	Ensure earbuds are connected. Check microphone settings on your device. Clean microphone openings.

8. Specifications

Feature	Detail
Model Name	BS-T2-Grey
