› Sendextra 12-Cup Replacement Glass Coffee Carafe Instruction Manual for Cuisinart Coffee Makers

## Sendextra GO007CC

# Sendextra 12-Cup Replacement Glass Coffee Carafe Instruction Manual

Model: GO007CC

## INTRODUCTION

---

This manual provides comprehensive instructions for the proper use and maintenance of your Sendextra 12-Cup Replacement Glass Coffee Carafe. Designed for compatibility with specific Cuisinart coffee maker models, this carafe offers a durable and functional replacement for your original.

## PRODUCT OVERVIEW

---

The Sendextra 12-Cup Replacement Glass Coffee Carafe is crafted from heat and condensation-resistant borosilicate glass, ensuring durability and a clear view of your coffee. It features a comfortable grip handle and a dripless spout for easy pouring.

### FEATURES

- **Heat-resistant Glass:** Made from BPA-Free, heat and condensation-resistant borosilicate glass, offering superior strength and durability compared to standard glass coffee pots.
- **Comfort Grip Handle:** Ergonomically designed handle for comfortable gripping and secure pouring.
- **Dripless Spout:** Engineered to prevent leaks and drips during pouring, ensuring a clean experience.
- **Removable Lid:** Features a detachable lid for easy access and thorough cleaning.

## FOOD GRADE

Made of heat and condensation-resistant borosilicate glass, which is stronger and safer than other glass coffee pot.

## SETUP AND INSTALLATION

1. **Unpack:** Carefully remove the replacement carafe from its packaging. Inspect for any damage.
2. **Wash:** Before first use, wash the carafe and lid thoroughly according to the cleaning instructions below.
3. **Position:** Place the clean carafe onto the warming plate of your compatible Cuisinart coffee maker. Ensure it sits flat and securely.
4. **Align:** Make sure the carafe's lid is properly aligned with the coffee maker's drip mechanism to prevent spills during brewing.

## REMOVEABLE LID

Wide mouth and detachable lid is easy to clean, your hand can reach the bottom, it is convenient to wash.

## OPERATING INSTRUCTIONS

Using your Sendextra replacement carafe is straightforward, mirroring the operation of your original Cuisinart carafe.

1. **Fill with Water:** Remove the carafe from the coffee maker. Fill it with the desired amount of fresh water, up to the 12-cup mark, and pour into your coffee maker's water reservoir.
2. **Brew Coffee:** Place the carafe back onto the warming plate. Initiate the brewing cycle on your Cuisinart coffee maker as per its specific instructions.
3. **Pouring:** Once brewing is complete, carefully remove the carafe. The comfort grip handle and dripless spout are designed for smooth, controlled pouring.

## MAINTENANCE AND CLEANING

Regular cleaning will ensure the longevity and optimal performance of your carafe.

- **Daily Cleaning:** After each use, empty any remaining coffee. The wide mouth and detachable lid allow for easy hand washing. Use warm, soapy water and a soft sponge or cloth. Rinse thoroughly.
- **Dishwasher Safe:** The glass carafe is dishwasher safe. However, hand washing is recommended to preserve its finish and extend its lifespan.
- **Lid Cleaning:** The lid can be detached for separate cleaning. Ensure all coffee residues are removed from the spout and lid components.
- **Drying:** Allow the carafe and lid to air dry completely before reassembling or storing.

## TROUBLESHOOTING

- **Carafe Does Not Fit:**

Ensure your Cuisinart coffee maker model is listed in the "Compatibility" section. This carafe has a specific height of 6.7 inches. If your model is not listed or has different dimensions, it may not fit correctly.

- **Leaking During Pouring:**

Verify that the lid is securely attached and properly aligned on the carafe. The dripless spout design should prevent leaks under normal use. If leaking persists, inspect the lid for any damage or misalignment.
