

Kidzone Toyota Tacoma

Kidzone 12V Licensed Toyota Tacoma Electric Ride-On Truck Instruction Manual

Model: Toyota Tacoma

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Kidzone 12V Licensed Toyota Tacoma Electric Ride-On Truck. Please read it thoroughly before initial use and retain it for future reference. Adult supervision is required at all times during operation.

2. SAFETY INFORMATION

Your child's safety is paramount. Adhere to all warnings and instructions to prevent injury.

- This electric truck is made with durable and non-toxic plastic, featuring ASTM certification for greater reliability.
- The combination of shock absorber spring tires, a slow start design, adjustable three-point seat belts, and lockable doors offers enhanced protection.
- Maximum weight capacity is 66 lbs.
- Suitable for ages 37-72 months (approximately 3-6 years).
- Always ensure the child is securely fastened with the three-point seat belt.
- Operate the vehicle on flat, dry surfaces away from traffic, pools, or steep inclines.

**Safety-focused
3-point harness**

Dazzling LED lights

3. PRODUCT COMPONENTS

The package includes the following items:

- Ride-on Car
- Charger
- Remote Control
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the Kidzone Toyota Tacoma ride-on truck requires adult supervision and typically takes approximately 30 minutes. Refer to the detailed diagrams in the included manual for specific steps. Ensure all parts are securely fastened before use.

5. CHARGING THE BATTERY

The vehicle comes with a rechargeable 12V battery and a charger. Follow these steps for charging:

1. Locate the charging port on the vehicle.
2. Connect the charger to the charging port and then plug it into a standard wall outlet.
3. The initial charging time is 8-12 hours. Subsequent charges should also be within this range.
4. Do not overcharge the battery. Disconnect the charger once charging is complete.
5. The battery can be removed from the vehicle's seat and charged separately.

A full charge provides approximately 1-2 hours of playtime.

6. OPERATING INSTRUCTIONS

6.1. Starting the Vehicle

- Press the push-button start to power on the vehicle.
- The vehicle features LED lights and startup sounds for an authentic experience.

6.2. Driving Modes

The vehicle offers two driving modes:

- **Child-Controlled Driving:** The child can accelerate by pressing the foot pedal and maneuver using the steering wheel. Select between forward or reverse gear and high or low driving speed.
- **Parental Remote Control:** An adult can safely guide the child using the 2.4G remote control. The remote features forward/reverse/park controls, steering operations, and a 3-speed selection. The speed range is 1.5 to 2.6 MPH.

6.3. Audio Features

The ride-on truck includes an MP3 player, AUX input, and a flash drive port. It can also connect to smart devices to play music or various audio files.

7. MAINTENANCE

7.1. Cleaning

- Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Avoid spraying water directly onto electrical components.

7.2. Battery Care and Storage

- Charge the battery fully after each use.
- If storing the vehicle for an extended period, charge the battery at least once a month to maintain its

lifespan.

- Store the vehicle in a dry, cool place, away from direct sunlight and moisture.

8. TROUBLESHOOTING

If you encounter issues with your ride-on truck, consider the following common solutions:

- **Vehicle not moving:** Check if the battery is charged, connections are secure, and the power switch is on. Ensure the foot pedal is fully depressed.
- **Remote control not working:** Verify that the remote control has fresh batteries and is properly paired with the vehicle.
- **Reduced power/speed:** The battery may need recharging, or it could be nearing the end of its lifespan. Ensure the vehicle is not overloaded.
- **Unusual noises:** Inspect wheels and axles for obstructions or loose parts.

For persistent issues, contact Kidzone customer support.

9. SPECIFICATIONS

Feature	Detail
Product Dimensions	39.76"L x 21.26"W x 24.29"H
