5.2. Cleaning and Care

Despite its rugged design, regular cleaning helps maintain the device's appearance and functionality. Use a soft, damp cloth to wipe down the phone. Avoid harsh chemicals or abrasive materials. Ensure all port covers are securely closed before exposing the phone to water or dust.

6. TROUBLESHOOTING

6.1. Carrier Compatibility

Please note that the Ulefone Armor X12 Pro is **not compatible with Cricket activations, new AT&T activations, or with CDMA Networks like Verizon, Sprint, and Boost Mobile**. Before purchase, it is recommended to verify compatibility with your intended carrier.

6.2. Common Issues and Solutions

- **No Signal or Data Connection:** Ensure your SIM card is correctly inserted and activated. Check your network settings. If issues persist, contact your carrier.
- **Device Unresponsive:** Perform a forced restart by holding the Power button for approximately 10-15 seconds.
- **Battery Draining Quickly:** Reduce screen brightness, close background apps, and disable unnecessary features like Wi-Fi,

Bluetooth, or GPS when not in use.

6.3. Contact Support

If you encounter persistent issues or require further assistance, please email amazon@ulefone.com for support.
