

CAROMIO BM-G0220C

CAROMIO Electric Blanket Twin Size (Model BM-G0220C) - Instruction Manual

Brand: CAROMIO | Model: BM-G0220C

INTRODUCTION

Thank you for choosing the CAROMIO Electric Blanket. This manual provides essential information for the safe and effective use of your new heated blanket. Designed for comfort and warmth, this blanket features a thick tufted sherpa material, an enhanced heating system, and multiple safety features.

Enjoy rapid and consistent warmth with 10 heat settings and flexible timer options, all while ensuring your safety with ETL certification and intelligent heating wires. Its machine-washable design ensures easy maintenance for lasting comfort.

SAFETY INFORMATION

Your safety is our top priority. This electric blanket is ETL and FCC certified and equipped with overheat protection and an automatic shutdown feature. Please adhere to the following guidelines:

- Do not fold or bunch the heated blanket during use to prevent overheating.
- Do not use with infants, incapacitated persons, or individuals insensitive to heat.
- Do not use with pets.
- Regularly inspect the blanket and power cord for any signs of damage.
- The intelligent NTC&PTC heating wires continuously monitor and regulate temperature in real-time for safe operation.

PACKAGE CONTENTS

Upon opening your CAROMIO Electric Blanket package, you should find the following items:

- 1 x CAROMIO Electric Blanket (Twin Size, Dusty Pink)
- 1 x Detachable Controller with Power Cord
- 1 x User Manual

SETUP

Follow these steps to set up your electric blanket for first use:

1. **Unpack:** Carefully remove the electric blanket and its components from the packaging.
2. **Position the Blanket:** Spread the blanket flat on your bed or desired surface, ensuring there are no folds or bunches.
3. **Connect Controller:** Locate the connector on the blanket and firmly plug the detachable controller's cord into it. Ensure a secure connection.
4. **Plug into Power:** Insert the power cord plug into a standard electrical outlet.

Your blanket is now ready for operation.

OPERATING INSTRUCTIONS

The LCD controller allows for easy monitoring and adjustment of temperature and time settings.

1. **Power On/Off:** Press the 'ON/OFF' button to turn the blanket on or off. The display will illuminate when on.
2. **Adjust Heat Settings:** Use the '+' and '-' buttons to cycle through 10 heat levels. Level '1' is the lowest, and 'H' (or '10') is the highest, reaching a maximum temperature of 122°F.
3. **Set Timer:** Press the 'TIMER' button to select an automatic shut-off time from 1 to 10 hours. The blanket will automatically turn off after the selected duration.
4. **Pre-Heat Function:** Press the 'PRE-HEAT' button to quickly warm the blanket to a comfortable temperature before settling in.

CARE AND MAINTENANCE

Keeping your electric heated blanket clean is effortless. Follow these instructions to maintain its quality:

1. **Disconnect Power:** Always unplug the power connection and remove the heating controller before washing.
2. **Machine Wash:** Machine wash the blanket in cold water on a gentle cycle.
3. **Drying:** Tumble dry on a low-temperature setting.
4. **Reshape:** After washing, gently stretch the heat blanket back to its original size for optimal performance.
5. **Do Not:** Do not bleach, iron, or dry clean the blanket.

TROUBLESHOOTING

If you encounter any issues with your CAROMIO Electric Blanket, please refer to the following common solutions:

- **Blanket not heating:** Ensure the power cord is securely plugged into both the blanket and the wall outlet. Check if the power outlet is functional.
- **Uneven heating:** Ensure the blanket is spread flat and not folded or bunched, which can restrict heat distribution.
- **Controller display not working:** Verify all connections are secure. If the issue persists, contact customer support.
- **Automatic shut-off before set time:** This may indicate an overheat protection activation. Unplug the blanket, let it cool, and check for any folds or obstructions before restarting.

For any quality issues or persistent problems, please reach out to our customer service team.
