Miracase 3-in-1 Cell Phone Holder User Manual

Model: 8ad21a1b-09de-4df8-8689-16518fb3ae13

PRODUCT OVERVIEW

The Miracase 3-in-1 Cell Phone Holder is a versatile mounting solution designed for your car. It offers three different installation methods: dashboard, air vent, and windshield, providing flexibility to suit various vehicle interiors and user preferences. This holder is engineered for secure grip and easy adjustability, ensuring your smartphone remains stable and accessible during your travels.

Figure 1: Miracase 3-in-1 Cell Phone Holder components.

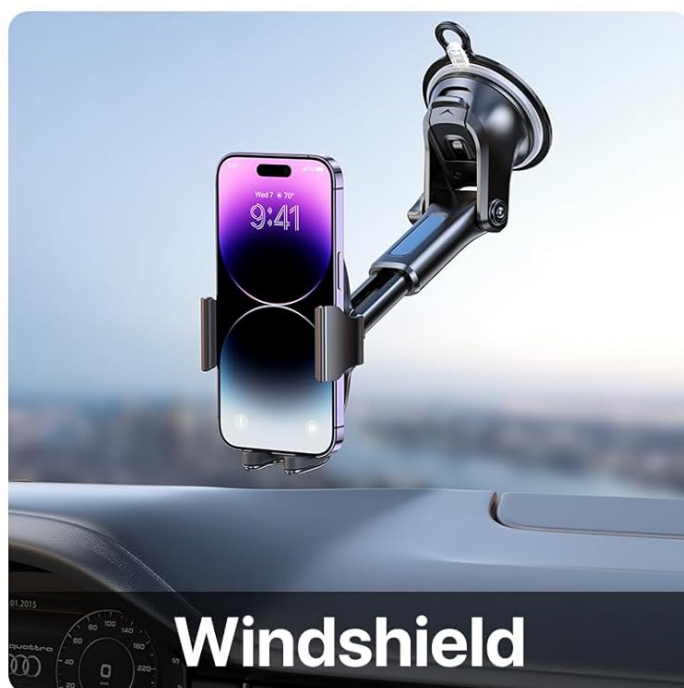

Figure 2: Demonstrating the three mounting options: Dashboard, Air Vent, and Windshield.

SETUP AND INSTALLATION

1. Choosing Your Mounting Location

This holder provides options for dashboard, windshield, or air vent installation. Select the location that offers the best visibility and accessibility without obstructing your driving view or vehicle controls.

2. Dashboard/Windshield Mount Installation

1. **Clean the Surface:** Ensure the chosen dashboard or windshield area is clean and free of dust or oils. Use an alcohol wipe if necessary and let it dry completely.
2. **Attach the Suction Cup:** Press the suction cup firmly onto the desired smooth, flat surface.
3. **Lock the Suction:** Push down the locking lever located at the base of the suction cup to create a strong vacuum seal.
4. **Adjust Arm Angle:** Loosen the adjustment knob on the arm to set the desired angle, then tighten it securely.

More Reliable Suction Cup

Figure 3: The robust suction cup provides a secure hold, capable of withstanding various temperatures.

3. Air Vent Mount Installation

1. **Attach Vent Clip:** Slide the upgraded metal hook of the vent clip onto one of your car's air vent blades.
2. **Secure the Clip:** Tighten the screw on the vent clip to firmly clamp it onto the vent blade, preventing wobbling.
3. **Ensure Stability:** Gently tug on the installed vent clip to confirm it is securely attached before mounting the phone holder.

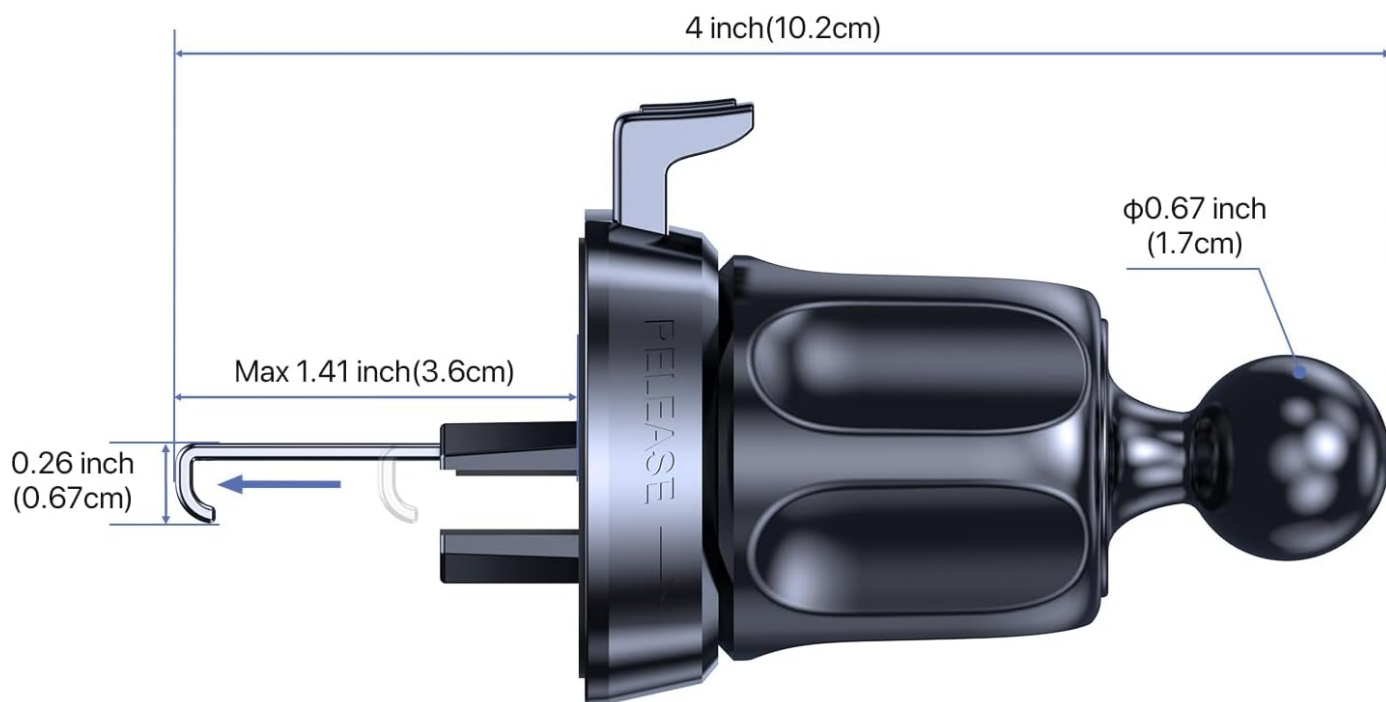

Figure 5: Dimensions of the air vent clip for compatibility reference.

4. Attaching Phone Holder to Mount

Once your chosen mount (suction cup or vent clip) is securely installed, attach the phone holder cradle to the spherical joint on the mount. Tighten the collar around the joint to lock the cradle in place.

OPERATING INSTRUCTIONS

1. Placing and Removing Your Phone

1. **Open Clamps:** Press the release button located on the back of the phone holder to open the side clamping arms.
2. **Insert Phone:** Place your smartphone into the holder, ensuring it rests on the bottom support. The side clamps will automatically close to secure the phone.
3. **Remove Phone:** Press the release button again to open the clamps and carefully remove your phone.

2. Adjusting Viewing Angle

The Miracase phone holder features multiple adjustment points for optimal viewing:

- **360° Rotation:** The phone cradle can rotate a full 360 degrees, allowing for both portrait and landscape viewing modes.
- **270° Angle Adjustment:** The arm of the holder can be adjusted up to 270 degrees, enabling you to find the perfect vertical angle.

Adjust As You Want

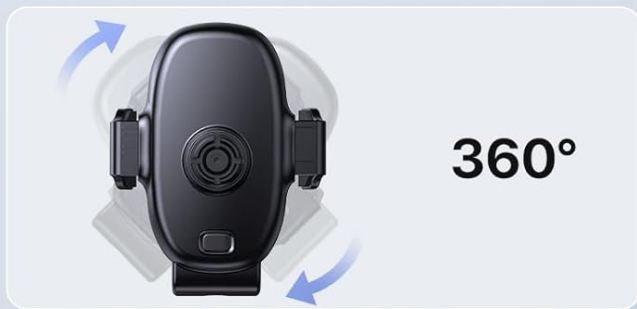

Figure 6: The holder offers extensive adjustability for optimal viewing angles.

3. Phone Compatibility

This holder is designed to accommodate a wide range of smartphones, typically those with screen sizes between 4.0 and 7.0 inches. It is also compatible with various phone cases, including battery cases, wallet cases, OtterBox, and MagSafe cases, ensuring a secure fit without needing to remove your phone's protective cover.

Big Phone & Heavy Duty Case Friendly

4.0-7.0 inch

MAINTENANCE

- **Cleaning the Suction Cup:** If the suction cup loses its stickiness, rinse it with warm water and let it air dry. Do not use harsh chemicals or abrasive materials.
- **General Cleaning:** Wipe the phone holder with a soft, damp cloth to remove dust and grime. Avoid excessive moisture.
- **Storage:** When not in use for extended periods, store the holder in a cool, dry place away from direct sunlight to preserve the integrity of the materials.

TROUBLESHOOTING

- **Suction Cup Not Sticking:**
Solution: Ensure the mounting surface is clean, smooth, and dry. Re-wet the suction cup slightly with water, press firmly, and then engage the locking lever. Avoid porous or textured surfaces.

- Phone Not Holding Securely:**
Solution: Ensure the side clamping arms are fully closed around your phone. Press the release button and re-insert the phone, allowing the arms to auto-clamp. Check for any obstructions.
- Vent Clip Wobbles:**
Solution: Make sure the metal hook is fully inserted into the vent blade and the tightening screw is securely fastened. Some vent designs may not provide optimal stability.
- Difficulty Adjusting Angle:**
Solution: Loosen the adjustment knobs sufficiently before attempting to change the angle or rotation. Tighten them firmly once the desired position is achieved.

SPECIFICATIONS

Feature	Detail
Brand	Miracase
Model Number	8ad21a1b-09de-4df8-8689-16518fb3ae13
Mounting Type	Dashboard / Air Vent / Windshield
Compatible Devices	Smartphones (4.0-7.0 inch)
Item Weight	9.1 ounces
Package Dimensions	5.04 x 4.76 x 2.64 inches
